AMENDMENT TO SPECIAL TOOL LIST  
REQUIRED AND SUPPLEMENTARY  
AS OF JANUARY, 1976

FILING:

DEPARTMENT: Service  
SECTION: Special Tools

ISSUE:

ST - 12

Attached are the revised illustrated pages of special tools; please insert in your Dealer Aids binder, in numerical sequence, under section 'SPECIAL TOOLS' in place of existing pages.

The list indicates what tools are minimum dealer requirements and supplementary as of January, 1976. All tools are available to every dealer.

An order form is also attached to enable you to order any tool your Service Department is lacking, for the makes you handle, and any supplementary tool you may wish to purchase.

May 1975

Gentlemen:

We are pleased to enclose Special Tool Catalog number 202 listing special service tools for Austin/MG, Jaguar, Triumph and Rover vehicles.

Supplements showing Metric wrenches and Conecut drilling tools also are enclosed.

Special service tools should be ordered from your Distributor in the usual way.

Metric wrenches and Conecut drills may be ordered direct from Zelenda.

Very truly yours,

ZELEND MACHIN & TOOLS CORP.
