**Title** Allow conveyance of score sheets to entrants after a Concours by email as PDF files.

---

**State The Current Problem :** (Use separate sheet if necessary)

Currently the disposition of score sheets are governed by the following: Entrants, competing for Regional or North American standings, are very eager to receive their score sheets in order to correct discrepancies prior to the next event. The Chief Judge, or his/her designee, **MUST** send the **ORIGINAL** score sheets to the Entrants, as soon as practical but not later than 21 calendar days following the Concours. Score sheets, from concours held after November 9th, must be sent to Entrants no later than December 1st. The Chief Judge, or his/her designee, may retain copies for club records. Scores shall be posted on [www.jcna.com](http://www.jcna.com) as soon as possible, but no later than 21 days after the Concours and no later than December 1st.

By requiring the mailing of the original forms, the current rules do not take advantage of email conveyance.

**State The Proposed Solution Or Change:** (Use separate sheet if necessary)

Allow for the return of the score sheets to entrants as a PDF file and club retains the original. A **PDF** file is a "read only" **document** that cannot be altered without leaving an electronic footprint, and meets all **legal** requirements in a court of law. Furthermore, the **PDF** format is practical and economical by allowing the **documents** to be stored electronically.

**Reason for Solution or Change:** (Use separate sheet if necessary)

Reduces the cost of postage and manpower required for returning sheets manually. It can accomplish the task in a more timely manner. It allows for a uniform handling of the score sheets between clubs. Some examples of the benefits. We had a discrepancy in scoring and because we held the score sheets in PDF form the Chief Judge, President, and Participant were able to see and resolve the matter in a timely and amicable manner. A car being judged differently between Concours could be checked for consistency in judging.

## **Response from the Jaguar Concours Committee**

Our committee has reviewed the proposal submitted by Phil Lodge.

While the proposal does not present the question to "replace" mailing the originals as an option and his club supplies both, the JCC has unanimously approved for each club by their own choice to offer pdf electronic transmission of the Concours score sheets in addition to following up with the mailing of the originals but NOT as a total replacement option for the paper mailing. The committee feels there is strong value in sending the original signed documents which should be retained.

This will allow entrants that are competing in their next event with a short time window to be able to obtain a "functional" copy of their score sheet to address areas of concern before their next event which may occur prior to the end of the current 21-day window for mailing.

Thanks,

Jim Sambold
