## GRAND PRIX of Mid-Ohio

Saturday June 27, 2009

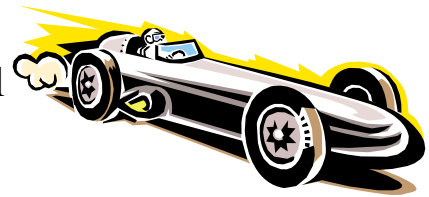

Take a trip through time and stir old memories during the Vintage Grand Prix of Mid-Ohio.

Vintage cars from around the world will compete on Mid-Ohio's 2.4-mile, 15-turn racing surface while auto enthusiasts display their classic machines off the track.

Events include Vintage Car racing and a Concours d'Elegance. There will also be a lunchtime parade lap on the Mid-Ohio race course, a commemorative souvenir for car show participants and, of course, a full day of SVRA racing.

Mini Cooper will be the featured marque this year. Paddock parking is free and there is a special Jaguar corral in the infield parking area where club members can gather.

This is an informal club event and no RSVP is necessary. If you have any questions, please contact Chuck Roman at 330-725-0213 or email at [roman0213@cs.com](mailto:roman0213@cs.com)
