2011 Rule Book Update Synopsis

The following changes have been made for the 10.1 edition.

Note: Pages are printed front to back. The actual page with the change is indicated by the “*”.

Although there are no changes to most of the chapters, the actual page numbers have been changed. This is due to the new index. As each chapter begins on page 1, the chapter Roman numeral has been placed in front of the page number, “Page IV-1” .

Approval was passed at the 2011 AGM that administrative and spelling corrections may be made without the requirement AGM delegate approval as long as they do not affect judging or scoring.

Tires of any brand, type, or profile, having the original inside diameter are acceptable. Road tires must be of matching brand, type, and profile. **Beginning with the 2012 concours season, cars less than 15 years old must have tires whose speed ratings are equal, equivalent, or superior to their original tires** (see Appendix B). **EDITION 10.1 OF THE OFFICIAL
JCNA JUDGES' CONCOURS d'ELEGANCE RULE BOOK
SUPERSEDES ALL PREVIOUS EDITIONS**

Preface

The Rule Book is written for the enthusiast who is new to Jaguars as well as the seasoned Judge. Each chapter is written to a specific audience.

Chapter I is a guide based on the experience of many clubs' members within JCNA. It will help the individual Jaguar club put on a first-class Concours d'Elegance.

Chapter II covers rules specific to Entry eligibility, divisions, and classes.

Chapter III covers Judging methods, Judges' qualifications, Judges' meetings and Judges' Protocol.

Chapter IV covers Entrant definition, responsibilities, and showmanship. Like other chapters, all information pertinent to the Entrant is presented in one location.

Chapter V is the Judges' Guide to Jaguar Evaluation and covers details on items to inspect while judging Jaguars. Following these guidelines will ensure that the judging teams deal fairly and knowledgeably with the Jaguars.

Chapter VI is the Judges' Guide for scoring Non-Authenticity. It gives excellent guidelines on how to assign the Non-Authentic deduction. It gives the required deductions for Non-Authentic items.

Appendices A, B, C, D & E contain information on production models, tire and wheel sizes, official publications for documenting authenticity, competition classes and factory optional accessories respectively. The Glossary can be referred to quickly clarify terms. Score sheets are included.

As the JCNA website has developed, more and more administrative tasks are being conducted electronically over the Internet, therefore, some forms that have accompanied previous editions of the Rule Book have been deleted. Concours Chairs and others needing forms, and not having Internet access, should contact:

These rules have been revised and approved, over the years, by club delegates at the Annual General Meetings (AGM). Beginning in 2003, new rules and/or rule changes were proposed by the Judges' Concours Rules Committee (JCRC) and ratified by the AGM delegates. New or revised rules adopted at an AGM become effective immediately only when passed by a 2/3 majority, (2004 AGM) otherwise they become effective the following year. Reintroduction of failed rule proposals is prohibited for three years. Members wishing to have rule changes considered at the AGM should first propose the change to their regional Judges' Concours Rule Book Committee representative for consideration. These representatives are listed on the JCNA website, www.jcna.com

Introduction

Concours d'Elegance, sponsored by the Jaguar Clubs of North America, Inc. (JCNA) have been operated from the beginning under rules established by the affiliated Clubs of Jaguar Clubs of North America, Inc. at their Annual General Meetings (AGM).

Rules and guidelines for judging in the JCNA sanctioned events have evolved over the last several decades by conscientious trial and error. They are not perfect by any means, but the JCNA Rules have set the owners of Jaguar automobiles on a correct course seeking originality and authenticity.

In order to promote uniformity of judging at JCNA sanctioned Concours d'Elegance, to offer organizational advice to Concours Chairpersons throughout North America, and to make the JCNA Official Concours d'Elegance Rules available in written form to all Jaguar enthusiasts, the 1975 JCNA Concours Committee compiled the first edition of this Rule Book.

Only the most current edition of the Rule Book is to be used in operating and judging any JCNA Sanctioned Concours. The rules are mandatory for all events leading to the North American JCNA Concours d'Elegance Division Championships.

Have a good Concours year,
Dick Maury, *2011 JCNA President*

Chapter I. Organizing a Concours d'Elegance

A. GENERAL

1. Purpose

The foremost purpose of the JCNA Concours is to encourage the owners of Jaguars to preserve, maintain, and present their Jaguars in as clean and authentic condition as possible (see Chapter II for exceptions to authenticity in Special Division Classes). A secondary purpose is to celebrate all Jaguars and their owners by creating an event where people may share all degrees of interest in owning, driving, maintaining, and restoring Jaguars.

2. Concours Year

The JCNA Concours year runs from January 1st through November 30th.

3. Number of Concours per Year

Each JCNA affiliated Jaguar club that has met JCNA judges' training and certification prerequisites may hold only **ONE JCNA** sanctioned Concours d'Elegance per year.

4. Regional Concours per Year

One sanctioned JCNA Regional or Joint Regional Concours may be held in each Region or Joint Region per year without affecting the host club's **ONE** per year rule or the sanctioning of another affiliate's Concours.

5. Concours d'Elegance Divisions

In order for scores to be eligible for annual JCNA Concours Standings, Champion Division, Special Division, and Driven Division competition must be offered at each Concours.

B. SELECTING THE DATE AND OBTAINING SANCTION

1. Selecting the Concours Date

The Concours Chair should carefully choose the date as far in advance as practical. Normally a Saturday or Sunday is best. Saturdays have become popular in recent years, often with an awards banquet in the evening and, occasionally, a rally or slalom on Sunday after the Concours.

2. Avoiding Local Conflicts

Investigate other activities in the immediate area to determine that the date requested will not conflict with other popular local events. Some clubs have been very successful tying their Concours in with other local car related events or local festivals.

3. Obtaining a Sanction

To obtain a sanction, go to the "Calendar Page" of www.jcna.com click on the "Login" link at the top of the page. Using your club number and password, access the "Club Page Main Menu" and follow the instructions to "Post new events in the Calendar and Request New Event Sanction".

The request may be submitted within one (1) year but no less than four (4) months prior to the requested Concours date. This avoids conflict with other clubs and ensures notice of the Concours will be listed as promptly as possible in the *Jaguar Journal's* Clubs Calendar.

Sanction will be granted on requested date subject to:

Priority of request

- a. No same-weekend conflict within the JCNA Region or within 200 miles of other JCNA Concours meets.
- b. No conflict within 14 days of a JCNA major event i.e., Regional Concours such as Western States and Challenge Championship.
- c. The listing of the Chief Judge and club's affirmation that JCNA Concours rules and requirements will govern.
- d. Concours sanctions requested for the 2012 competition year and thereafter, will **only** be granted if the requesting club's JCNA online Judge Roster/List verifies that, it **currently** has listed a Chief Judge, an active Judge Training Program and 5 or more Certified Judges in order to meet or exceed the JCNA requirement for at least 1-Certified Judge per Judging Team. (See the online sanction request instructions for additional information.) (2011 AGM)

Conflicts will be referred to the appropriate Regional Directors. Avoid commitments involving financial penalties until a sanction is granted.

4. Canceling/Rescheduling the Concours

It is preferable to make the date of the Concours firm. If the Concours must be canceled and rescheduled, it is imperative that the JCNA Regional Directors be notified. Thereafter, a new sanction must be requested through the JCNA Website again taking precaution to avoid conflict with other Concours or a major JCNA event in the Region.

C. LOCATION OF THE CONCOURS D'ELEGANCE

1. Concours Sites

- a. National, State or local parks
- b. Historical sites, such as, stately homes with extensive grounds
- c. Museums or restoration complexes
- d. Hotel, motel, or resort complexes, with a central area for staging events, offering restaurant and banquet facilities
- e. Expositions or local festivals and celebrations

7. Wheels

Using Appendix B as a reference, judge the road wheels for correct style, size, type, and finish. Judges must be aware of the authenticity exceptions allowed for Driven Division Entries (Champion and Special Division Boot Judges will judge the spare wheel and tire).

a. Fully and Partially Painted Wheels

Check that the correct sections of the wheels are painted and that authentic colors have been used.

b. Wire Wheels

Judge the wheels for correct hubs, knock-offs, rim style, and numbers of spokes. Check the spokes, the wheel rim and hub for rust, grease and damage. Look through the outer spokes and check the wheel hub for cleanliness and condition. **Do not** judge the brake discs, calipers, brake drums, or axle hubs that may also be visible through the spokes.

c. Chrome and Alloy Wheels

Most contemporary Jaguars are offered with a large number of wheel options; official accessory brochures may be required to document their authenticity. Many dealers chrome plated or polished wheels, which were never offered in chrome or polished by Jaguar Cars. Judges must be alert to this situation and, as necessary, ask the Entrant to validate the authenticity of the wheel finish.

d. Wheel Lug Nuts, Hubcaps, and Emblems

Judge the lug nuts, hubcaps, and wheel center emblems. All wheel trim must match. Mismatches shall be assigned non-authentic deductions.

8. Gas Cap Lids and Doors

Gas cap lids and doors **are not** opened nor are their interiors judged.

9. Tires

a. Champion Division

Using Appendix B, the Entrant's Owner's Manual, or the Entry's Tire Data Plate, judge Champion Division tires for authenticity (see Chapter VI. Heading F. Note m.). Any brand is acceptable. **Cars less than 15 years old must have tires whose speed ratings are equal, equivalent, or superior to their original tires** (see Appendix B). All judged tires' brand, size, construction, tread pattern, sidewall, and speed rating must match (an exception to this rule occurs with some of the newest cars, where the front and rear tires may be a different size). It is the responsibility of the Exterior Judge to judge the road tires. For Champion and Special Divisions, the Boot Judge checks the spare tire. Both judges should work together to verify their findings.

b. Driven Division

Tires of any brand, type, or profile, having the original inside diameter are acceptable. Road tires must be of matching brand, type, and profile. **Beginning with the 2012 concurs season, cars less than 15 years old must have tires whose speed ratings are equal, equivalent, or superior to their original tires** (see Appendix B). (2011 AGM)

c. Condition and Sidewalls

All tires subject to judging should be judged for weather checking, excessive tread wear and blemishes. Depending on the era, many Jaguars were available from the factory with either white wall or black wall tires. There shall be no deduction for an Entrant's choice of white or black sidewalls provided they are in keeping with the vintage of the Jaguar. **Redline sidewalls were never offered by Jaguar and are considered non-authentic in Champion Division only.**

Note: Acceptable tread wear may be determined by observing the tread wear indicator bands or by using a coin or other device to measure that the most shallow tread groove is at least 1/16" deep.

d. Tire Valve Caps

Tire valves should have valve caps appropriate to the vintage. Pre-'60s Jaguars should have metal valve caps. Logo valve caps must be shown to have been an authentic Jaguar Cars accessory.

10. License Plate Brackets and Mountings

All models delivered to North America were provided with a prepared bumper location or specific devices necessary for mounting a front license plate. If an Entry **does not** have a front license plate mounted, and is a model originally delivered with separate license plate mounting devices, those devices must be displayed either on or off the car. Check the license mounting devices for authenticity. If an official license plate is not required, a "Jaguar" or club plate may be displayed without a non-authentic deduction. License plates will only be judged for cleanliness, **NOT** condition.

11. License Plate Frames and Plate Clear Covers

Champion Division: Plain license plate frames or those advertising current or past Jaguar dealerships, JCNA, JCNA Affiliates, or promoting the Jaguar marque are accepted. Frames may be of any material. All other license plate frames will be scored as non-authentic unless the Entrant can document that Jaguar Cars Ltd., Jaguar Cars Inc., or Jaguar Canada Inc. offered them for that specific model and Model Year.

Clear plastic or glass license plate covers are allowed and, if present, will be judged for cleanliness and condition.

Driven Division: License plate frames and/or covers will only be judged for cleanliness and condition.

D. INTERIOR

1. Door Shut Panels, Hinge Panels, Hinge Panel Switches, Conduit Protectors and Sills

The Interior Judge shall check the edges of all doors; the door shut faces, hinge panels, sills, their attachments, and components for authenticity, condition and cleanliness. Be alert for excess hinge lubrication, sill and shut panel damage from door misalignment, and damaged or incorrect rubber wire conduits.

Note: Under normal operations, some hood sticks, seat rails, seat belts and other protrusions may leave impressions in carpeting, seat backs, or other adjacent soft materials. Such depressions **should not** be judged as flaws unless the material has been punctured or permanently damaged.

b. Seat Frames

Judge exposed seat frames and adjusting levers for correct paint color, plating, or protective caps.

c. Seat Belts

Judge factory-installed seat belts for correct hardware, fasteners, and retractors as appropriate. It is acceptable for seat belts to be installed on models not originally equipped with them; however, the belts must be neatly installed and their hardware appropriate to the vintage, i.e. early cars **should not** have automatic belts or large mechanical retractors.

9. Small Compartments

Glove boxes and other interior compartments with doors shall remain closed. The insides of these compartments **are not** judged (XK 120 battery compartments are an exception). Storage areas without doors **are** judged.

10. Batteries and Battery Compartments

(Batteries are not judged in Driven Division.)

a. XK 120s

The Judge should ask Entrants to open XK 120 battery compartments to judge the general area, the configuration of the two 6 volt batteries, the LUCAS bakelite covers, the visible cables, and the battery hold downs. The battery cable ends of XK 120s **are not** judged unless the battery covers are missing.

b. Other Models

Entrants should be asked to remove the covers from the batteries of all other Jaguars (except XK 140s and XK 150s, whose batteries are **not** inspected because they are in the wheel well). Judge the general area, the configuration of the battery, the visible cables, the battery hold-downs, and the cable ends.

Note: See additional battery inspection criteria under the Engine Section F.5.e. of this Chapter.

11. Tool Kits

Early MK Jaguars had tool kits in both the driver and the passenger door panels. When judging cars with this configuration, the Boot Judge will judge the tools.

E. BOOT

(Judged in Champion Division for condition, cleanliness, and authenticity. Judged in Special Division only for condition and cleanliness. Not judged in Driven Division.)

1. Paint, Side Panels, Mat or Carpet, and Miscellaneous Fasteners

Judge trim panels, carpeting or vinyl matting, spare tire well, and painted components (e.g., underside of boot lid, gas tank, etc.). Check materials, patterns, and colors. Some models may be fitted with optional luggage. Judge tool clips, straps, and miscellaneous boot lid and tire compartment hardware.

2. Tool Kits, Containers, and Pouches (Jack, Hammer, and Owner's Manual)

a. Completeness and Condition

Judge the completeness and condition of both tools and fitted tool container or pouch. Check to see that the kit as well as the jack and the hammer (or lug wrench) are correctly mounted or displayed.

b. Tool Kit Variations

Some Jaguar tool kits look similar, but the contents vary greatly from model to model. Judges should share their tool authenticity knowledge before deducting points. Some MK Jaguars have their tools in the front door panels rather than in the boot; in such instances, it is still the responsibility of the Boot Judge to locate and judge them.

Preservation Class - Tools

A repainted jack or other tools will receive the same deduction as "Wrong" or Non-Authentic.

Note: Jaguar often fitted the same tool container to several models, omitting unnecessary tools. Examples of this are the 420 saloons, fitted with the MK 2 style tool container. Because the 420 jacks had built-in handles, the jack ratchet was omitted from the tool container thus leaving an empty tool slot. It is the responsibility of the Entrant to prove the authenticity of missing tools.

c. Jacks and Jack Handles

The Entrant should display or, otherwise, make the jack and jack handle visible for judging. In those instances where the jack and jack handle are stowed behind the spare tire, the Entrant may either remove them beforehand or, when the Boot Judge is present, loosen the spare tire hold-down and raise or tip the tire in order for the tools to be viewed and judged.

d. Optional Tool Kits

Some models, particularly the XJ series and MY '68 E-Types and after, were not delivered with tool kits; however, kits were available as an option. If an Entrant chooses to display an **optional, authentic** tool kit, it will be subject to judging.

e. Owner's Manual and Additional Paperwork

Judge the owner's manual and its pouch for authenticity, condition, and cleanliness. The vinyl and plastic stowage pouches can become very brittle with age. The Judge **should not** handle the manual; its authenticity is judged by its size, its color, and its cover. If the manual is in a pouch, and its cover cannot be clearly seen, the Entrant should be asked to remove it for judging. Additional paperwork originally supplied

 - 2. Driven Division:** Shiny or mirrored tinting, graphics or logos in the tinting, tinted film on the front windscreen or excessively dark tinting shall receive deductions as non-authentic. The tint should allow the interior of the vehicle to be clearly visible when looking in from approximately one foot away.

Notes:

- a. **Batteries:** XK120 batteries are located behind the seats and will be judged in **Champion Division only**. FHC's and DHC's have a hinged panel, which the Entrant should unfasten and tip forward for the batteries to be inspected. The separate battery cover on the 120 OTSs should be unfastened and either tipped forward or removed for battery inspection. The Bakelite battery covers should **not** be removed. Lucas and other original equipment batteries may be replaced with batteries made by any manufacturer provided they are of like voltage and appearance, and their terminals are in the same positions as on the original. Replacement batteries do not have to be identical to the original in size but they must fit in the location originally intended. "Fluted or cylindrical sided" (Gates-Optima type) batteries are considered non-authentic.
- b. **Consoles:** Include individual panels for switches, radios, ashtrays, air conditioning, A/C outlets, overhead lighting, navigation, trip computers, etc.
- c. **Electronic Telephones, Alarm Systems and Radar Detectors:** No deduction for neatly installed telephones, alarm systems or their accessories **authorized by the factory, Jaguar Cars Inc. or Jaguar Canada Inc.** (2011AGM). Radar detectors were offered by all dealers on XJS for a period and were also installed by Jaguar Cars Ltd.; they were contained in a special case and stowed in the void above the steering column nacelle. All other radar detectors, NOT provided by either Jaguar Cars Ltd. or Jaguar Cars Inc., will be considered non-authentic.
- d. **Instruments:** Instruments added to those originally supplied are non-authentic.
- e. **Knobs and Switches:** Include those on the dash and elsewhere for the control of mirrors, seats, A/C, lights and windows, plus gear shift knobs. Extra switches mounted on the face of the dash or instrument panel are non-authentic.
- f. **Non-Factory Accessories:** Items such as after-market compasses, clocks, medallions, stuffed animals and similar mementos or charms will receive a non-authentic deduction.

g. Radios, CD or Tape Players and Speakers:

- 1. Champion Division** - No deduction for neatly installed radios of **correct vintage**, using original or authentic mountings and original speaker housings and grilles.
- 2. Driven Division** - Entries are allowed **contemporary** radios, tape, or CD players installed in the original radio mounting space, utilizing the original speaker locations and external housings and grilles, without deduction.

h. Seat Belts: Seat belts are considered safety equipment and may be added/installed in those models that were not originally equipped with them. The type of installation and equipment should be in keeping with the vintage of the Jaguar. Replacement, non-standard hardware, belts or retractors will be judged as non-authentic.

i. Seat Covers: Accessory seat covers, such as sheepskin, must be removed allowing the Judge to examine the seat upholstery.
