

How To Accept PayPal Payment from New Members Who Join through the JCNA Web Site

This option is strictly **OPTIONAL** for all clubs. Clubs who choose this option will receive emails notifying them when new members join via PayPal and will receive a check for the club's portion of the dues at the end of each month when a new member joins.

To allow potential members the option of being able to join your club and pay your dues immediately, please follow these steps: (Note: these steps are very similar to the steps required to update your club officer information.

1. Go to the JCNA Web Site:

2. Click on Club List, then click on your club's name.

Club Information

The Rocky Mountain Jaguar Club was formed in 1967 and currently has 130 members. We have active members ranging from Wyoming to New Mexico, but most members live along the Front Range in Colorado, particularly in the Denver Metro Area.

Monthly meetings are held at 7:30pm the second Tuesday of each month at Piccolo's restaurant, 3563 South Monaco Parkway in Denver. The exceptions are March when we meet for our President's Dinner, July when we meet at a member's house and December when we hold our annual Christmas party.

Visit our website for a comprehensive event calendar, details on the club, photos from club events, classified ads, links to other websites and much more!

Many new features and services have been added, please review the [club services help page](#) for details on : Online membership application with Paypal payment, newsletter hosting, new club page features, online scoring system, discussion forums and how to integrate them on your club site, club news display on your club page, online calendar and non sanctioned event, ...

May 2005 : we have completely redesigned the affiliate club homes pages, making them more attractive and filled with information including upcoming events, announcements, random picture from your members' galleries, current newsletter, and more. This is the easiest way to get online with a professional looking web page which always up to date without the hassles of designing and maintaining a website... All updates are done thru the same convenient forms used to collect club data, event information, etc... with many new options to allow you to fully customize the look, graphics, etc... see the Club Services Help page for details.

No more excuses not to have your own site or to have an outdated site because no one has time to update it... (and yes... it's free...). You can even upload articles and images on your own using a simple upload form then add pictures using the Content Manager.

To activate your club site, simply select M as display type in the Club Data form (click on link below) then click on Customize Graphics and Customize Site Content to choose your own graphics or colors, upload images to use in your site, and more....

Club: SW07 - Rocky Mountain Jaguar Club

Club Email: General inquiries email, is the club's primary point of contact. (REQUIRED)

Street Address: Street or PO box - add city and state below. This is the primary mail address for the club. If the club does not have a PO box, this would typically be the President's address. (make sure there are no extra blank lines)

City, St, Zip: General inquiries via telephone. Alternately, you may use text here such as "call any contact below"

Telephone:

Website URL: Use the full address, e.g., http://www.jcna.com

Logo URL: This is the full url (must include http://...) for your club logo (160 x 160 pixels max); leave blank if not available. You can also upload your logo to the JCNA server, click on the Upload Logo button.

Display Type: M : Multiple Pages or S : Single Page

If you choose Multiple Pages, your club data page at JCNA.com will be split and appears to be a real web site with separate pages for Calendar, results, contacts, news, etc... Single Page display will have all the data on a single page.

Multiple Pages also allows you to customize the colors, background of your mini website, including custom headers and footers.
