MEMBERSHIP MOMENT

The January 15th meeting at the home of President Dave Hershey left all in attendance excited about 2012. The officers and committee chairs planned an exciting year for the SVJC. Please look at the dates on the list and consider attending some or all of these exciting adventures. As Membership Chair, I have been asked, "So what does this club do?" Here is the answer! Besides the annual Concours and Holiday Party, we have planned many social opportunities for our club members and their cars. If you have not renewed your membership, please take time to do so now.

From the Cockpit

I hope everyone has enjoyed a quiet and relaxing holiday season. Thanks again to Sue and Charlie Burnside for the Holiday Party at the Eagles Nest. I hope to see everyone there next year - great food and fine friends. Thank you to Joel Turrell and his officers for their time and effort on behalf of the club and its members. Thanks also to everyone who remembered to send in their yearly dues. JCNA has moved the date for renewal to February 1, 2012. If you have forgotten, please send as soon as possible.

Your new officers and several members have come up with a calendar of events for 2012. If you would like to host an additional event, please contact me ASAP to reserve a date. We have 10 events on the calendar so far and could use your input to add more.

SVJC is now in its fifth year and we hope to expand membership and involvement in the future for the enjoyment of our Jaguar enthusiasts. The newsletter and website will be the project of Tom and Lori Whitehaus. I thank them for volunteering. Remember, though, that they can use any articles the membership can write.

If you have questions, please feel free to contact your officers and, until next time...

Happy Trails,

Dave M. Hershey

The First Susquehanna Valley Jaguar Club Social Outing for 2012 will be to the **Antique Automobile Club of America Museum in Hershey, PA**. Tom Whitehaus, Membership Chair, is a regular volunteer there and is coordinating this event. A group discount is available so please let Tom know if you plan to attend and how many will be in your party.

Those living in the York area will meet at the **Boscov's parking lot at 2:00 PM**. We will gather in the **museum lobby at 3:00 PM on Sunday afternoon, March 18, 2012**. It takes nearly two hours to completely enjoy everything and the museum closes at 5:00 PM. Following our visit, we will dine at **Fenicci's in Hershey**. A few on-street parking spots are available but there is a free municipal parking lot and garage across the street along with free use of a church parking lot behind the restaurant. We have reservations for 5:30 PM and separate checks are not a problem.

The AACAM website offers detailed information about the attractions we will see. Click here: <http://www.aacamuseum.org/>

This is a link to the brochure about the museum:

Fenicci's is in downtown Hershey but there are three parking options.
