## **Ten fun facts about Jaguar:**

### **Fact 1**

The company is headquartered in Whitley, Coventry in England and is today owned by Tata Motors subordinate division of Jaguar Land rover Automotive PLC.

### **Fact 2**

The cars of this make go into the designing process at its Whitley plant and also the relevant Gaydon site; the manufacturing process on the other hand takes place in the Birmingham assembly plant.

### **Fact 3**

Originating as the Swallow Sidecar Company in the year 1922, the company used to make sidecars for motor bikes before they forayed into the production of automobiles.

### **Fact 4**

There was a name change of the company after the completion of the Second World war and the company subsequently came to be known as Jaguar.

### **Fact 5**

### **Fact 7**

There are unconfirmed accounts and reports from 2012 that point to the fact that there would probably be a Jaguar SUV soon.

### **Fact 8**

Jaguars iconic chrome plated mascot is known as The Leaper and it has often been a cause for debate as its known to be a threat to safety issues, at least according to European standards.

### **Fact 9**

Though Jaguar does not have a presence per se in the motorsport scene right now, it has had big success earlier, especially in the famous Le Mans 24 Hours race.

### **Fact 10**

XJR-15 and XJ220, these are two of the most notable names in the Jaguar sports car range.

## A Thank You Note to JCOP for Supporting the Coventry Foundation

Dear Jack,

You are the contact person for one of our valued “Coventry Foundation Patron Clubs.” There are fifteen JCNA affiliated clubs as well as one independent club that have signed up to support the Foundation on a continuing annual basis. Since the inception of this program the Coventry Foundation has grown exponentially. We now have 9 Classic Jaguars, enormous amounts of literature and reference material, the largest Jaguar tool collection in the world, and a wealth of art work and memorabilia. The scholarship program continues to support a needy student in the art of automotive restoration. The Foundation is very active in loaning tools to members and serving as the “go to” source for technical and historical information. The storage space for all this material has tripled.

This message is going out to our patron clubs in hopes of motivating them to continue regular giving to the Foundation. In the case of the Jaguar Club of Pittsburgh this is clearly inappropriate. Rather a sincere “Thank You” is called for. You have given without being asked and given very generously.

Please know we have noticed and appreciated your club. You are a significant reason the Coventry Foundation has flourished.

Thank You,

Gary Kinzel ( Coventry Foundation Board Chair)

Craig Kerins (Coventry Foundation Board Member)

## Pandemic Pastimes

*News from JCNA members about how they are spending time during the pandemic.*

JCNA North Central Regional Director Mike Meyer of the Jaguar Club of Ohio wasn't able to cross the border to Canada in his F-Pace as planned to participate in Ontario Jaguar Owners' Association's recent concours ... but he did make an appearance on the club's website. (Mike did attend Wisconsin Jaguar Club's Concours in August.) The Jaguar Club of Pittsburgh is in JCNA's North Central Region.

## September's Annual British Cars at Hartwood On Hold Until 2021

By Jack Terrick

Having given it plenty of thought, I have decided to cancel this year's British Cars at Hartwood show due to the Covid 19 pandemic. I recognize that conditions may change by the end of September, but based on where we are today compared with where we stood two months ago there is no guarantee that things will be better. Even if we would be permitted by Allegheny County to hold the event, the issue of liability would be a factor. I don't know that our insurer would be willing to provide coverage for a gathering of hundreds of people this year. That, plus the difficulty of planning when the landscape is constantly changing is practically impossible. Could we have voting, awards, etc. and still keep everyone safe? The restroom facilities at Hartwood certainly do not provide for much 'social distancing'. Hopefully 2021 will be a year when we can once again safely get together for activities we all enjoy. In the meantime, please do everything you can to keep yourself and your loved ones safe.

*Until Next Year ... Here's a Look Back at a Few of our Favorite Hartwood Pix:*

Hartwood in 2009 called for umbrellas and rain jackets! At left, JCOP's Don Johnson braved a fall shower with his E-Type. At right, some show participants like Dotty Bechtol shared their protective rain gear with their cars!

JCNA's North Central Regional Director Mike Meyer, center, paid a visit to the Hartwood show a few years ago. Shown here visiting with him are JCOP's Bryan Williams, left, and Bill Cooper, right.

Lots of good food and festive fall decorations are part of Hartwood's fun. In 2013, Karen Murray helped with snacks, posing with a Jaguar-themed pumpkin!

*Until Next Year ... Here's a Look Back at a Few of our Favorite Hartwood Pix:*

JCOP's Stuart Steinberg and his 2004 XKR convertible.

2015: Don & Dolly Taskey, Cecile & Carl Canales, Linda Drago

2012: Dave & Karen Murray, Tony & Barb Rocco, Cecile Canales

Gene & Janet Daniele with Chuck Pipich at 2014 Hartwood.
