# February President's Letter by Frank Oakley

Greetings to all. It sure is hard to figure out what to write about, since nothing has been happening! What with the COVID restrictions going up and down, how do we know where we stand?

It looks like we will be able to hold a monthly meeting at Mimi's for **March**. It will be at our usual time. I sure hope this holds out, I miss seeing all of you.

We have finally passed the shortest day of the year, and so the daylight hours are slowly lengthening. Before we know it, we will be able to get our cars out of mothballs, and start enjoying them as they are meant to be.

It has been a dreadful few months, just going out into the garage and gazing longingly at the cars in storage condition, and not being able to let the cats out to roar and play.

We had a small and short notice open house at our house on New Year's Day. There were 8 people who braved the day and came over. We had a lovely time, and thanks to all that came.

On a personal note, I will get my first COVID Vaccination on Saturday, 23 January. I see this as a great step forward for me, and hope all of you can get yours soon.

My apologies to all who have had a birthday during our shut down. We will try to make up for it at the meeting in **March**. It may be a long list, but I will get through it!

I am looking forward to seeing you all and to a better year ahead.

## CCCC Minutes

Due to Corona-19 virus lockdown, this was a "hybrid" meeting, partially in-house at the Forney Transportation Museum in Denver and partly via Zoom over the internet.

**Legislative:** Leo Boyle reported that the Colorado Legislature will convene on January 13<sup>th</sup> for swearing in but will then adjourn and reconvene on February 16<sup>th</sup>, hoping that vaccines and social distancing will have brought the Covid-19 epidemic somewhat under control. He is not aware of any proposed legislation that would affect the car collecting hobby. Recognizing the financial difficulties due to lack of certain fundraising in 2020 and 2021, **Leo Boyle has offered to be "furloughed" for the time being.** He intends to still monitor bills at the Legislature and will advise CCCC of those that could affect us but he will not actively be involved with attending hearings. Assessment for legislative activity will be reduced from \$4 per club member to \$1 per member.

**RMJC Members:** With concerns about CCCC's operating expenses and lack of income, the RMJC Board voted to give the CCCC the usual \$4 per member, which comes to \$350, including their \$50 CCCC membership fee.

**The Airport Show and Swap Meet** event is tentatively set for Saturday, August 14, 2021.

Dick Fritz, CCCC Secretary

## Jaguar F-Type Heritage Edition

<https://www.jaguarusa.com/news/f-type-60-edition-reveal.html>

(COVENTRY, UK) – December 9, 2020 – Jaguar is marking the 60th anniversary of the E-type sports car in 2021 with the introduction of a new limited-edition 575 hp V8 Supercharged F-TYPE Heritage 60 Edition. Just 60 examples of these all-wheel drive sports cars will be available for sale worldwide\*, each one hand-finished by the personalization experts at SV Bespoke.

A specially curated commemorative specification includes solid Sherwood Green paintwork, an original E-type color that hasn't been offered on a new Jaguar vehicle since the 1960s, and extended duo-tone Caraway and Ebony Windsor leather interior trim which isn't normally available on the F-TYPE.

The new limited-run model also features a unique aluminum console finisher inspired by the rear-view mirror casing in the E-type, the E-type 60th anniversary logo embossed on the headrests of the lightweight Performance seats and "E-type 60" badging shared with the limited-edition E-Type 60 Collection vehicles announced by Jaguar Classic earlier this year. Commemorative treadplates, an SV Bespoke commissioning plaque and Caraway-edged carpet mats provide finishing touches.

The F-TYPE Heritage 60 Edition is available in both Coupe and Convertible body styles with exclusive Diamond-Turned Gloss Black 20-inch forged alloy wheels, Gloss Black and Chrome exterior accents and black brake calipers.

## JCNA Updates

On January 11<sup>th</sup>, JCNA convened a Board of Directors video conference to discuss the 2021 AGM. After reviewing the current status and reasonable pandemic forecasts we determined that attempting to hold the AGM in March 2021 would be unlikely to convene a quorum and we could not conduct a meeting. The March 2021 AGM is therefore deferred until travel risks are significantly reduced. Our contingency is to hold the AGM in Columbia in the 3<sup>rd</sup> quarter or hold the AGM in late October. We will determine our course of action in our 6/14/21 Board meeting and update all Club Presidents at the time.

**The 2021 IJF is scheduled for October 20th-24th in Fort Meyers, Florida.**

Les Hamilton and Mark Mayuga, are our 2021 SW Regional Directors.

**JCNA Logo Masks** Unfortunately, it appears that we all will have need for masks to venture out in public for some time. Masks with the JCNA Logo are now available from the JCNA merchandise provider at <https://www.estoresbyzome.com/JCNA.php>
