February 2021 Issue

Jaguar Club of New Mexico

Lyle Ferrell, Chief Judge, lyledee@earthlink.net

Thank you to everyone who attended February's Zoom Meeting!

Thirteen members attended our meeting and there were no power outages as in January's meeting, so it was a "virtual" success!

The Jaguar Club of New Mexico has been asked by the Jaguar Club of North America to undertake a concours, slalom or rally with several other southwestern states; JCNM may elect for a combined inclusive event or a tour later this year. Also, the

Jaguar Club of North America is opting for a General Meeting in August, rather than March of this year. Please visit Jcna.com for more information!

Members: Please think of any vehicles you might be able to display at the Albuquerque Jaguar/Land Rover dealership. This will be a great way to tell let others know about our club and help the dealership get more business in

Albuquerque! Our club is waiting for approval on this, so please encourage Richard Buesinger on Saturday to help promote our club and the Jaguar legacy!

Membership News from Mike Walton:

Membership Dues are Now Due – We still have twelve non-responders! Please get in touch and keep your membership with the Jaguar Club of New Mexico current! Dues go to help fund club events, help club judges stay current on certification and assist

the club in purchasing timing equipment and other necessary items for slaloms, shows and races! Club members who join JCNM mid-year usually pay for a portion of a year and for the entire upcoming year, while club members who have

joined for an entire year pay in advance for a full year's membership, which is \$66.

Please e-mail me with any questions or concerns at walton@creativecurves.com

Future Run proposed to SpacePort America (overnight) -- 2021

A Slalom has been proposed for sometime later in 2021 and should be planned in June of this year.

Did any other Jaguar club members spot these spaceship-type clouds in Albuquerque on Sunday a few weeks ago? One advantage of being a New Mexican is having the privilege to witness such sights in and around the Sandia Mountains!
