## Thank you to everyone who attended May's meeting at Mimi's!

Welcome to our most recent members: Julie and Craig Beale. Julie and Craig met our club in Santa Fe for our April drive, where we had lunch at Clafouti's, a very delicious French restaurant, with culinary French delights, such as crepes, quiche and croissants. Our club had an enjoyable meal and some really interesting discussions about Jaguars and other topics!

### **A Little About Our New Members**

Julie and Craig Beale have lived in Dallas, Texas, near Southern Methodist University, since 1985. Craig worked as an architect for a healthcare facility and was the executive vice-president for HKS, the 4<sup>th</sup> largest international design firm worldwide, and led the company in healthcare work. Julie is an interior designer and also worked with HKS. The couple have one son and one daughter, as well as five grandchildren.

Most importantly, the couple have two Jaguars: a 1962 Mark II British Racing Green Jaguar and a 1965 E-Type Silvery Blue Jaguar. Their first car was a 1959 Mercedes 190 SL. Craig said, "I find Jaguars fascinating and believe the E-Type was just a wonderful car!" Julie claims to be afraid of Jaguars! When Craig wanted to buy a Jaguar or Austin Healey 3000, the two, instead, chose the happy medium of the Mercedes 190 SL.

Julie and Craig have moved to Santa Fe and we are so excited that they are participating in some of JCNM's drives and events! Welcome to New Mexico, Julie and Craig – and welcome to our club!

## Reaching out to Members facing Challenges

Here is Julie Moore, one of JCNM's club members, fighting breast cancer in South Carolina with her good friend, Carolyn Walton (right).

Julie has come through chemotherapy with flying colors. Julie is reconnecting with Bob from South Carolina, who may be moving to Albuquerque. We are looking forward to seeing you again, Julie, along with Bob! Please reach out to Julie, if you can! She has a blog that she is willing to share about her experiences during her surgery and chemotherapy. If you know anyone who can benefit from this, please ask Julie.

Richard Gill, JCNM's club secretary is tackling a stage 4 melanoma at the moment. Please visit <https://www.caringbridge.org/visit/richardgill/journal> to let Richard and Jan know you are thinking about them. Here is a photo from Richard's blog with his family.

Gary Singer, another JCNM member, is being challenged by respiratory issues; let's keep these members in our thoughts and prayers and stay in touch, if possible. These folks are extremely valuable to our club, so let's show them some love . . .

## Upcoming Club Events:

A Practice Rally is scheduled for October of this year. Mark Moll has volunteered to be the Rally Master. The rally will be a time, speed and distance, non-sanctioned rally. If you are interested in volunteering, please let Mark know at [softedges@att.net](mailto:softedges@att.net).

We discussed the possibility of doing a drive to Chama and train ride event on the Cumbres & Toltec Scenic Railroad. The response was favorable with the thinking that the scenery would be best in the Fall. Thank you, Richard, for keeping this idea alive.

### **Important !!!**

**Our next general monthly meeting will be on Wednesday, June 2nd. Come at 6:30 pm for a social hour with Jaguar slide show; the meeting will start at 7:00 pm at Lyle's Garage, 103 Cacy Ave, off 2nd Street, 1 block south of Candelaria. If you get lost or if your Jaguar breaks down Lyle's cell is: 505-363-8484.**

## *JCNM's Drive to Madrid!*

Thanks to everyone who joined the drive to Madrid in March. We met at the Jaguar dealership in Albuquerque. The weather was still a little cool and JCNM club members followed Mark Moll, drive master, to Rib's restaurant in Cedar Crest, where we picked up members in the East Mountain area. We enjoyed a great BBQ lunch at the Mine Shaft Tavern and placed our Jaguars out front for all travelers to see! (see photo with snow on title page).

**Lyle Ferrell and Mark Moll have volunteered to display Jaguars at the Jaguar/Land Rover Dealership in Albuquerque. (Lyle's 1972 Series 3 E-Type is above and Mark's 1967 Series 1 E-Type is below.) Richard Buesinger, with the Jaguar/Land Rover Dealership, has partnered with our club to help the Jaguar Club of New Mexico become more visible and share our cars with New Mexicans!**
