## NCJOC 2021 CONCOURS d'ELEGANCE REGISTRATION PROCEDURES

---

NCJOC is grateful for the collaboration of the Capital Triumph Registry in sharing their “Britain on the Green” (BOG21) show venue, and for modifying their car registration web page to accommodate the registrations for the NCJOC concours-judged cars and display cars. Due to those accommodations, there are several important conditions to note. Those conditions are summarized here and found also on the subsequent BOG21 registration website cited below.

1. No mail-in registrations will be accepted.
2. The number of registrations for judged concours classes will be limited to the first 18 cars to register for concours judging. There is no limit on registrations for “Display Only.”
3. For people entering more than one car in the event, a separate registration form must be completed for each vehicle.
4. It is important for NCJOC members and those from other JCNA affiliate clubs to indicate their JCNA member ID numbers where required on the registration details. As a reminder, your JCNA member ID number appears on the reverse side of the mailer page for your copy of the *Jaguar Journal*.
5. The deadline for NCJOC registrations is midnight, August 31.

For an introduction to the BOG21/NCJOC registrations, click on:

<https://www.tickettailor.com/events/bog21/525726#>

Along with the explanatory material found there, you will find a brown button in the upper-right corner of the page: “BOG21 tickets – Buy one ticket per car.” That button will direct you to a page showing two types of tickets for cars:

- **EARLY BOG21 GENERAL ADMISSION** - All Jaguars and other cars must buy a ticket for the Early BOG21 to enter the car show. Jaguar owners wishing to enter their cars as “Display Only” may then proceed to the next page.
- **Nation's Capital Jaguar Owners Club CONCOURS d'ELEGANCE** – JCNA members wishing to enter their Jaguar into the judged Concours d'Elegance competition must also purchase one ticket (per vehicle) for the judged event. Registrants without a valid JCNA member number are not eligible to buy this ticket.

The next page on the registration website will ask for you and your car’s individual information, and will then direct you to the payment page. After completing the payment page (using a credit card or Paypal option), if you are entering more than one car, you must return to the initial website noted above and once again click on the brown “BOG21 tickets” button to start the registration process for another vehicle.

Thank you for your interest in attending the 2021 NCJOC Concours d'Elegance, and for joining the Capital Triumph Register’s celebration of all British cars.
