EDGING IT

President's Article by Brian Blackwell—Sept-Oct 2021

After FOUR reschedules due to weather or schedule conflicts with Luckenbach, we were finally able to complete SAJC's Annual Rallye to Luckenbach, and a new SAJC member was the overall winner! Crystale and Brett Cruz in their very new I-Pace electric Jaguar won what was probably the first JCNA sanctioned rallye victory in an electric powered car. They also had their three beautiful daughters in the backseat, which just makes it even better! We had nineteen cars at the event this year, and it was quite warm on July 10th. So warm, my notebook PC started shutting down about as soon as I completed the scores entry and only checked a third of the entries. We also had one of the Triumph club members clip corners with Bryan Sanderford of the North Texas club. Last word I had the damage was slight enough to possibly be 'buffed out', but I never saw it. Did any of you? We maybe need to reconsider allowing non-Jaguar club members to be special event members at this event when things like this start to happen. I want to thank Bill Davis, Destiny Davis, Janet Martin, John Sullivan, Paula Blackwell, and Steve Collins for assisting with the organization and running of this rallye. The scores are posted on our club website and also on jcna.com for JCNA members.

New SAJC Members, Crystale & Brett Cruz along with their 3 daughters, were presented the winners of the Luckenbach Rallye by Rally Master, Brian Blackwell. Congratulations!!

Our next big event is bringing back the Alamo City Concours d'Elegance, to be held again at The Club at Sonterra on 9 October. Fran Curran has worked diligently to arrange the type of Concours you were used to before the pandemic. We just hope the cases trend gets better between now and then. We will be trying to maintain social distance and the judging will of course be outdoors, but PLEASE GET YOUR SHOTS. I hope you will also come out and have a great Concours after missing out totally last year.

Last week, I attended an organizing meeting for All British Car Day to be held on Main Plaza Park in Boerne on Saturday, October 23rd. Alamo MG is the lead club this year, and draws over 90 cars of all British makes on the grass for a fall popularity vote car show. Trophy plaques are awarded for first through third places, as well as Best of Show. Costs have increased to the point where we had to increase the entry fee by \$5/car this year. Largest cost change has been the City of Boerne, such that all the clubs are considering a new site for the show next year. So, this may be the last time for All British Car Day on Main Plaza for now. The T shirt will be available for pre-order, and we will have some for sale at the SAJC club meeting in October.

My dear friend... Barbara L. Magee...

Barbara Magee was my dear close friend. We clicked the very first time we met at a Jaguar meeting and through the years we would often go out for lunch at various restaurants. She had a membership at the San Antonio Museum of Art and I felt fortunate that she asked me to join her on one of her visits; we had a great time. A few years after she retired, Barbara became ill and her daughters helped move her to a retirement community near Dallas, TX. Barbara told me it was very difficult to for her to sell her beloved BRG Jaguar and she missed driving and being independent (she and her Jag are shown on the cover page). Prior to her retirement, Barbara was a Realtor at Re/Max and she enjoyed driving clients around in her Jag in search of potential properties. During that time, Barbara was a loyal member of the SAJC for many years and even held the office of Treasurer for two years.

Fran & Barbara at Chez Bistro Vital

Barbara was always very dedicated and caring of her family and friends. She was firm and confident in her views and knew exactly how she wanted things to go. When she lived at the Retirement Community, there were periodic corporate meetings for the tenants. At the last meeting Barbara attended, she stood up and spoke for the elderly who couldn't speak for themselves. She told the panel that they needed to change the food being served from Comfort food to a more Healthy diet. She sure was adamant about that! A few weeks later, she was diagnosed with Leukemia and spent the remainder of her life with her daughter and son-in-law in Inez, TX, where she passed away peacefully. Barbara was my dear friend and I truly miss her very much; may she rest in peace and her memory live on within us.

SAJC Summer Lunch Cruise to Utopia—July 10th; Recent AGM JCNA Meeting

Another great Summer Lunch Cruise was held on Saturday, July 10, 2021 meeting at Starbucks and cruising to Utopia to the Laurel Tree for a gourmet meal. It was a big turn out and everyone that went enjoyed this repeat event. Robert was able to capture some good photos for the newsletter as follows:

AGM was held in Columbus, SC, on the last weekend of August. SAJC Treasurer, Robert Clemons, and John Sullivan were registered as our delegates for SAJC. Member, Fred Bricker, also discussed attending the AGM and related festivities. Concours rules, a \$10 annual dues changes, and rules on electronic meetings are most of the changes they want. They briefly discussed the briefing materials that were available online as of Aug. meet date.

SAJC Monthly Meeting Minutes—Aug. 3, 2021

SAJC Monthly Meeting Minutes for August 3, 2021

Secretary's Report: July meeting minutes were emailed out to the officers before today's meeting. They were not read, and if no revisions are requested, they will soon be posted on www.sajaguarclub.info.

Treasurer's Report: SAJC Treasurer Robert Clemons reported the Club balance number as \$5,374.66.

OLD BUSINESS

Utopia Lunch Tour on July 10th to the Laurel Tree Inn - Meeting point was the Starbucks in The Rim with a departure for Utopia at 10AM, which worked out well. We were 22 people and had only a little trouble getting all off on TX 46 in Boerne. Weather was good, and no rain was encountered other than a few sprinkles, despite the recent heavy rains.

Luckenbach Rally 2021 – . Most important, an SAJC member was the event OVERALL WINNER! New members Crystale Cruz and her whole family won in an I-PACE no less, on their very first JCNA T2 time, speed, and distance rally. They, and their three daughters, all attended this meeting to be presented the Blake Lambert Trophy. It was our fourth attempt, July 17th, and 19 cars entered the event. There was a problem with more traffic than expected at checkpoint 3. We owe special thanks and apologies to Janet Martin and John Sullivan that were working that checkpoint, and to the participants that did not complain about traffic jams that caused us to discard stages 3 and 4. The starting point was Rudy's BBQ in Leon Springs and we thanked checkpoint workers Bill and Destiny Davis, Janet and John, and Paula Blackwell. Thanks to Steve Collins also with registration assistance, and to John Sullivan for taking care of, and paying for, the trophy update and replacement of one trophy that was dropped. I reported that, while the heat took out my notebook just after scoring, the preliminary results announced at Luckenbach survived a post event review. Scores were circulated at the meeting, and are posted on the club website and have been entered on jcna.com.

JCNA Annual General Meeting - AGM is scheduled in Columbia, SC, on the last weekend of August. SAJC Treasurer Robert Clemons and John Sullivan are registered as our delegates for SAJC. Fred Bricker also discussed attending the AGM and related festivities. Concours rules, a \$10 annual dues changes, and rules on electronic meetings are most of the changes they want. We briefly discussed the briefing materials that were available online as of this meeting date.

Discussion of possible meeting venue change - After having 24 present at the first in person meeting of the year in May, there were nine of us this month, and only seven last month. Proximity to Memorial Day and July 4th may have been part of the reason. We briefly discussed possibly finding a new meeting place as either the time, location, or expense here is not attracting enough members to attend. Suggestions of Le Madeline, Tomatillo's, or one of the Bentley's Bicycle Club locations were made. Expect another venue next month.

NEW BUSINESS

Alamo City Concours d'Elegance Planning – Planning of the event weekend of 8-9 October is continuing, with most all of the work being done so far by Activities Director Fran Curran. Silo at 1604 will be the location of the Friday Welcome Reception, with registration opening at The Club at Sonterra at 8:30 the next morning. Coffee and snacks in the morning, with sack lunches, followed by Concours judging and an Awards Banquet that evening will all happen there. An invitation will be prepared in August and sent out by early September for this October event.

Concours Judges Annual Training Update - The new date for this training will be August 14th. The 2019 rule book will be in force for this competition year due to no in face AGM to vote any changes in 2020 or early 2021. We will still review the 2019 rule changes and do the test. There will be a massive set of changes for 2022. Steve Collins has volunteered to be an apprentice Judge and begin the training.

Mexico Rallies - Discussed how the extension of the southern border closure to tourism means that no one will be able to go from Texas. The latest extension is until August 21st.

Possible Visit to a Local Business Specializing in Custom Exhaust Systems – SAJC Vice President Gabriel Renero discussed whether the club would be interested in visiting a business he is associated with that does custom exhaust systems. It was agreed that would be an interesting thing to do, and will be scheduled in the near future.

International Jaguar Festival in SW Florida – Brief discussion about the information in Jaguar Journal and online about this event that is slated to occur from 21-25 October.

Christmas Party Date and Location - Fran has reserved Club Giraud for December 18th. Please mark your calendars.

Club Merchandise - Merchandise can be bought at the meeting, or ordered online at <http://www.sajaguarclub.info/sajc-club-merchandise.html> . Sold one hat this month after the meeting and deposited the check.

Next month's meeting is to be held on **Tuesday, September 14th** at The Salt Grass Steak House on US281 near Donella. The meeting will begin with dinner at 6:30PM. We are postponing a week from the first Tuesday, as it is the day after Labor Day, and attendance wanes the day after a holiday. Also, it is Rosh Hashanah on some calendars. A meeting invitation will be emailed to all club members a day before the meeting.

Attendees at this meeting: Gabriel Renero, Robert Clemons, John Sullivan, Fred Bricker, Steve Ramirez, Ginette Ramirez, Steve Collins, Bob Sheldon, Crystale Cruz, Brett Cruz and their three daughters, Brian Blackwell
