## Don't Blame the Post Office (this time)

Your October Indicator will arrive in your mail box later than usual, and this time we can't pass the blame to the USPS. Ellie and I are driving to San Jose after Labor Day, then taking our time on the drive back for stops in the Tetons, Yellowstone and the

Badlands (sadly we're not driving the XK8, as we'll need more seats while we're in California). The Indicator should be available on the website around October 1; just the printing and mailing will be delayed.

### WE HAVE A WINNER!!!

The Jags on the Bay Vegas Baby! was a big success, with Andy and Marla Boyle going all in on the final round of Black Jack and coming out the big winners of the night! Well...actually...everyone who came were winners! I hope the costumes were enjoyable (minus the scratchy boas) as it brought another level to the Vegas theme. Now... what to do for next year to make it bigger and better?!?

Heading to the later part of summer, into September, brings our biggest show and event yet...the JAGM Concours d'Elegance at Canterbury Village on Monday, September 6<sup>th</sup>. I really can't wait. Bob Matejek has once again done a great job with

organizing everything. And the judges are at work preparing to do their part in making this another very exciting event. I hope you all have signed up and registered your Jag on-line or via the registration form provided in the August indicator. And if you are going to be there with or without a Jag, and want to donate a little bit of your morning, please contact Bob at [BobMatejek@aol.com](mailto:BobMatejek@aol.com) or 248-842-1046 as he is looking for volunteers to assist with handing out packets at the registration area as cars come in.

And don't forget to join the Mueller's for their Apple of Your Eye Car Show on Saturday 11<sup>th</sup> and Sunday 12<sup>th</sup>. Plan on attending and showing your support. It's always a good time.

Until next we meet...

Teresa

# Jags on the Bay

Jags on the Bay, 2021, was another great JAGM outing. Teresa arranged for the usual perfect

weather, and the beach, patio and shady yard were so pleasant and comfortable for relaxing, eating, drinking and socializing!

Indoors, the scene shifted to Las Vegas Casino, with all the games, glitter and glam-

our (not to mention the “beautiful people”). Teresa, the casino owner, pit boss, dealer, and sometimes rules-maker-upper, led us through a whirlwind tour of the Craps table, the Roulette wheel and the Blackjack table, where fortunes were won and lost in an instant. I had heard that the House always wins, but it seemed like we all came out winners in this Casino!

# Jags on the Bay (cont'd)

Thanks, Teresa, for another great and unique Jags on the Bay experience!

# COA Cars and Coffee (July 24<sup>th</sup>)

JAGM was well represented at the COA Cars and Coffee event on Saturday morning. This event is open to all cars, trucks and motorcycles and the number and variety of vehicles on display is always impressive. A bit of morning mist didn't dampen the enthusiasm of the assembled crowd. As usual, a great opportunity to wander around, see cars you might not have seen for decades, and talk with people of incredibly varied automotive interests.

# JAGM at COA (July 25<sup>th</sup>)

I am pleased to report that the very first appearance of our club on the field of the Concours d'Elegance of America on July 25 (the 42<sup>nd</sup> annual event) was a smashing success. Here are just a few of the highlights:

- Three of the four chase vehicles selected for the Hagerty Motoring Tour belonged to JAGM members: Chuck Diamond, Dominic Federico and Marco Sperduti (all pristine E-Types).
- 48 people attended our awards dinner on Saturday night. Both the food and the camaraderie were outstanding!
- There were a total of 59 JAGM members present at COA (not bad for a club that has only 150 members).
- 21 Jaguars took the field at COA – by far the most cars from a single marque – and our cars ranged from a 1938 3.5L drophead saloon to a 2021 F-Type.
- An estimated 10,000 classic car fans attended this event at the Inn at St. John's in Plymouth, Michigan.

It is no understatement to say that JAGM and Jaguar made a huge impression on the people in attendance at COA this year (although this is the first year of our attendance, we have a long, rich history of organizing premier concours events). And three of our members won People's Choice Awards (and two others were just two votes short). The honorees (in alphabetical order) are:

- ♦ John Boswell – 1938 Jaguar 3.5L DH Saloon
- ♦ Loran Brooks – 1959 Jaguar XK150S
- ♦ Conrad Foster – 1966 E-Type OTS
- ♦ Tom Hudak – 1967 E-Type FHC
- ♦ Terry Larson – 1959 Omega Jaguar

John Boswell's 1938 3.5L DH

Mike Korneli's 1971 Group 44 E-Type

Loran Brooks – 1959 Jaguar XK150S

Conrad Foster's 1966 E-Type OTS

Tom Hudak – 1967 E-Type FHC

Terry Larson's 1959 Omega

I want to thank both the JAGM BOD and the JLR of Troy dealership for supporting us this year. It was a very big financial risk and could not have been done without both the club and the dealership pulling together to make it happen. Special appreciation goes to:

- ♦ Chuck Diamond, who acted as my co-chairman;
- ♦ Louise Diamond, who quietly made Chuck and I look like heroes;
- ♦ David Fischer, Jr., who wrote the check from JLR of Troy;
- ♦ Terry Larson, who allowed us to present his 1959 Omega; and
- ♦ Dave & Lori Wathen, who brought two exquisite cars onto the field.

The 2021 COA event is one for the record books – and one that will be fondly remembered by a long list of JAGM members. Thank you for making it such a success!

# 4th British Car Corral

Sunday, August 15<sup>th</sup> was a sunny, pleasant day. Baker's of Milford was packed with an estimated 400 to 500 cars and loads of foot traffic due to the confluence of nice weather, extra traffic from the crowds going to and from the Milford Memories Summer Festival and the rumor that the Roadkill TV crew would make an appearance at Baker's of Milford. By 2 PM, parking space was hard to come by as Baker's entire parking area was utilized.

We had seven JAGM members in attendance, but we were not able to park together as we would typically have done. The variety of cars on hand was fantastic. We grabbed chairs, found some shade and watched the cars and people go by. That was until about 4 PM, when the Roadkill crew showed up. They brought with them a 340 powered Plymouth Duster that they

had just purchased for \$12,500. In typical Roadkill fashion they intend to trade down, Yes you heard correctly, trade down for something faster than the Duster but in somewhat worse shape (if you have ever watched Roadkill you will understand this). They intend to trade down up to four times during the coming week until they end up with a suitable Roadkill vehicle. The editors of Hot Rod Magazine, and co-hosts of Roadkill, David Freiburger and Mike Finnegan, put muscle cars that have fallen into disuse to the test. They are two experienced racing enthusiasts and fans of powerful but forgotten old cars.

I left before they had decided on their first trade down. So you will have to watch for an upcoming Roadkill show to see if any of the Baker's of Milford filming made it off the cutting room floor.

# The JAGM Concours is Rapidly Approaching

By the time the Indicator reaches you, there will only be about a week to go before the Concours on **Monday, Sept 6, at Canterbury Village in Lake Orion**. I stopped into Canterbury Village today to check things out. They are also getting ready for a very big Car Weekend. Corvettes and Cobras on Saturday, Hot Rods on Sunday and Jaguars and British Cars on Monday. Just follow the oil drips.

**Hill Suites** just off Lapeer and Dutton Roads. Some of our local members will be staying there the night before the Concours. Please stop by for a little camaraderie and bring a dish to pass and share with our own members and out of town guests that are coming in for our show. We will have pizza and salad for everyone starting around 5:00 Sunday evening.

Canterbury Village has really turned out to be a great location. We are displaying all the cars on grass with most in the shade. That is the ideal setting. All the amenities are there. Plenty of food & refreshments and lots of cute little shops to visit. The **Celtic Pub** has scaled back operations. Like most restaurants, they have a big shortage of workers. They will make up from the full menu with a full outdoor BBQ. There will still be plenty of food and drink available and you can still sit inside the pub and enjoy the air conditioning.

We have a host hotel at the **Spring**

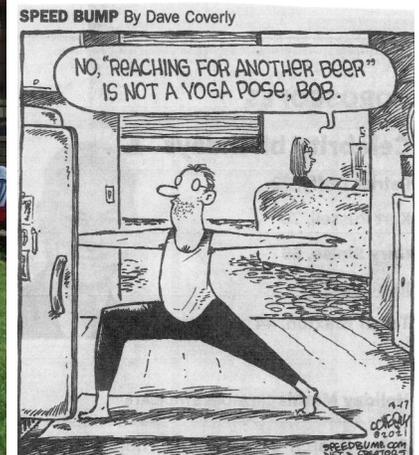

The entire weekend will be casual and informal. Who needs any extra stress in their lives? Whether you are showing a car or not, stop by to join your friends and admire all the beautiful British Cars on display. As soon as all the cars have finished being judged, the cars will be released from the show locations. That will probably be shortly after 3:00. We will then gather outside the Pub for some food and awards earned

by all the Jaguars on the field. You will be able to get an early start home to get ready for whatever awaits you back in your life.

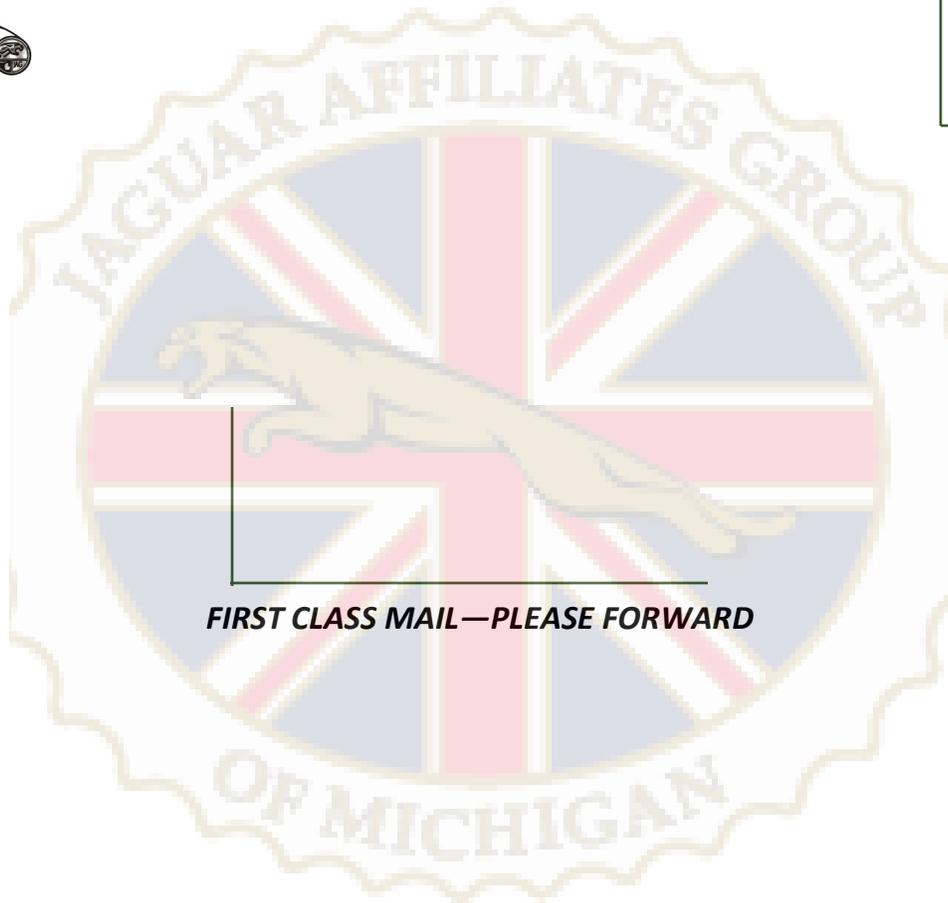

I hope to see all of you there enjoying the people, cars and venue. Call if you have any questions or concerns.
