

2022 Rule Book Replacement Page Notes

If you have downloaded the 2022 Edition of the Rule Book prior to January 15, 2022, please replace the following pages:

Title Page and Table of Contents, pages i through iv (Ch1, b4 heading left out of TOC)

Actual Rule Changes and Synopsis, pages xix through xxxvi (incorrect changes that have since been deleted)

Chapter 1, pages 1 and 2 (Rule Correction regarding B4c)

Chapter 3, pages 13 & 14 (Spelling Correction)

You can also just download the **01-15-22 Page Corrections.pdf** file.

If you take the **01-15-22 Page Corrections.pdf** file to a printing company to have a large quantity printed, be sure to ask that the file be printed double sided and 3-hole punch.

If you have not downloaded any of the rule book files, you can just download either the **2022_00a_Certified_Judges_Copy_Complete_Rule_Book** file or the individual chapters. They have already been corrected.

If you have already printed a large quantity of rule books and would like to receive printed copies of these changes at no expense, please contact Steve Kennedy, skennedy@ecentral.com
