

Celebrating More Than 65 years in the San Francisco Bay Area

# JAGAZETTE

The official publication of the **JAGUAR ASSOCIATE GROUP (J.A.G.)**

*Volume 68 No. 5 May 2022*

Even though the weather has been rather cool for the past week, my Jaguar knows it's time to start prowling around through the mountains and California back roads, stopping along the way for refreshment with other Bay Area Jaguars who just happen to be out stretching a bit getting ready for our summer driving season. I, of course, love to stop along the way and do overnights with my Jaguar buddies. Just spending an evening chatting and fellowshiping makes everything in the world seem right for a while. So, sign up for Clear Lake and we'll all have a great time getting the summer started right. It looks to be a great President's Trip! I hope you will join us!!

I would be remiss not to mention two people who attend all of our Board Meetings and are doing wonderful things to make our club even better. You, of course, know the name Kristan Neubecker who is our (hard-working) Newsletter Editor. Our Marketing Manager Pamela Rhodes is working equally as hard to help tell the world who we are and what we do in a more professional style. I want to give a special thank you to both of these ladies.

Phil, Les, and Deborah have just gotten back from the AGM in Milwaukee. Brrr! They picked up a lot of information that we can use for our AGM next year. Phil (our 2023 AGM Chair) made a report to the Board on the current status and most things seem to be in place for us to start working toward our AGM goals. Don't be shy when Phil calls for help. I promise you there are never too many people when you put together this type of project.

## Drive to Moss Beach Distillery

On an absolutely beautiful Sunday, 43 eager members gathered from the North Bay, Peninsula, South Bay, East Bay and Far South of Santa Cruz and Monterey. Their drives were all about an hour or so to the Moss Beach Distillery in Moss Beach on the coast.

Without regard for human life, Phil Endliss took his group on a dangerous-cliff laden, narrow, windy dirt road, but ALL SURVIVED. Since we met up early at 10:30 before the restaurant was open, the parking lot was empty until one group of Jaguars after another arrived. It quickly filled up with 24 magnificent cars (including Phil's bunch).

Jaguars seemed to naturally find the perfect spot to show off. As the San Francisco group of five arrived, there at the far end of the parking lot was Chris Tann's '53 XK120, Clive Philbrick's '57XK140 and Ken Zib's '66Mark II. All parked together with bonnets up. They looked amazing. For the next hour or so Jaguar mingling occurred.

Then we entered our ocean-view, private dining room for their famous brunch. We were greeted with never ending Champagne Mimosas, and then baskets of yummy fresh baked cinnamon and raspberry rolls. Then came Crab Cake Benedict, Pulled Pork

Rancheros, and Grilled Marinated Skirt Steak. We enjoyed the introductions and there were very few fines in the furry pot this time. The last time we were there, John Swensson bought a 2001 Jaguar XJ sight unseen from a text on his cell phone. No such purchase this year, but the car is still in John and Susan's family. This was a great warm up for the President's Drive to Clear Lake in May—Come and join us!!!

Moss Beach—Ya done good!

## Mozart Museum and Lunch at AutoVino

### Mozart Foundation Automotive Museum, Mountain View, CA and AutoVino, San Carlos, CA – June 11, 2022

Every so often, automobile enthusiasts should get outside the familiarity zone of their own chosen marque and look at the grand sweep of automotive evolution. JAG and Rolls Royce Club members have an opportunity on Saturday, June 11th when we visit the marvelous collection at the Mozart Foundation in Mountain View to see 60 of the 120+ cars of this eclectic collection of significant automobiles.

Mr. Mozart's automotive passion comes from his roots, since he was raised among automobiles in his father's dealership in Palo Alto, one of the first in the country to handle Volkswagens, Porsches and Mercedes-Benz in the early days.

When it came time to find his own way in business, Mozart established British-American Motorcar Parts, which he expanded to include Japanese and European parts before selling to a major national auto parts chain.

The museum realizes Mr. Mozart's personal dream of combining his interests in history, automotive development, and motorsports. Completed in 2011, the museum has translucent glass walls surrounding black granite floors, with the cars highlighted by grid ceiling lights.

We have pre-arranged a private viewing for JAG and Rolls Royce members and their guests from 10:00AM to noon. We will be greeted by docents who will show us through the collection and discuss the history of some of the specific cars. After the docent tours we can focus on the cars that have interested us while the docents are available for any questions.

#### **PHOTOGRAPHY INSIDE THE COLLECTION IS STRICTLY PROHIBITED.**

Mr. Mozart is known for moving specific cars from his broader collection as tangible signs of welcome to individual car clubs so we may have some surprises waiting for us.

When our visit to the Museum is complete, we will drive 13 miles to San Carlos and visit Autovino for a

lunch of hand-crafted pizza, sandwiches and salad. After lunch, we can browse the 50 or so autos stored there by their owners and for a fee, we can sample the wines of Woodside Vineyards.

Our entrance to the Mozart Museum is limited to 70 members and guests so make your reservations early. Route Directions will be sent to registrants ahead of the event.

The July event for JAG is participating in the wonderful Saratoga Car Show in downtown historic Saratoga Village at 14460 Big Basin Way.

Cost is \$81.20 per car including fees, and that price includes two lunches. John has secured space for 20 Jaguars at this event.

## 2022 JCNA AGM

by Les Hamilton

### Background

The AGM was held in Milwaukee and was organized at short notice as the planned location of Long Island backed out at the August 2021 AGM. The attendance was lower than usual probably due to the closeness to the 2021 AGM, the less than convenient location, and residual concerns about Covid. No Canadian Clubs crossed the border.

The hotel was not to the usual standard. The kitchens and bar were closed and rooms were not serviced each day. The staff was, however, very helpful and meeting meals were acceptable.

The awards ceremony was held at a Country Inn and a good standard.

The event was well organized although the travel between the hotel and the museum visits compressed the meeting time.

### Board Meeting

The Board meeting covered the usual business matters. The more noteworthy items were:

1. A review of the report from the newly formed Marketing Committee was reviewed and discussed. The Board approved further development of the JCNA Marketing Plan.
2. The Board reviewed and discussed a proposal to add a 15 month dues option for new members joining in the fourth quarter of the year to the 12 month dues.
3. A great deal of time was spent discussing the fees paid to Coventry Foundation for JCNA Support.
4. The Treasurer Report and Financial Plan were reviewed and discussed. The dues increase and an increase in membership have helped address the reduction in reserves. However, the increased fees to CF and inflation will require a revised plan and possibly a future dues adjustment.

5. The JCNA Insurance policies are due for renewal at the end of April and quotes have been requested from 5 different companies and information gathered from other car clubs.

### AGM

1. The AGM session covered most of the items covered in the Board Meeting.
2. The 2022 IJF in Dallas was covered and invites were distributed.
3. The 2023 AGM in San Francisco was presented by Phil and was well received.
4. The 2023 IJF will be held in Santa Barbara again.
5. The Concours Rules Committee proposed rule changes were rejected again.
6. Paul Petach gave a brief talk on the NW Region Presidents' calls.

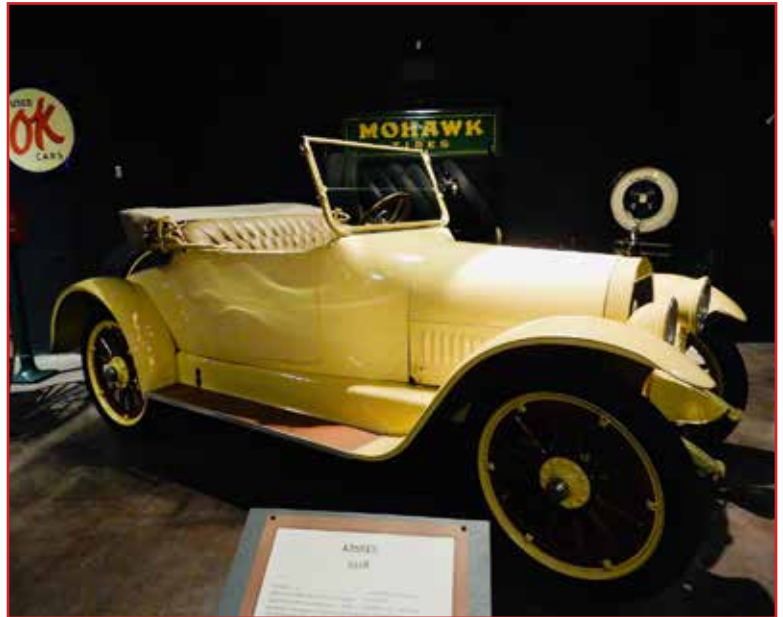

Please let me know if additional detail on any topic is required.
