## President's Letter

Here we are, trying to have spring. The weather, as usual, does not know which way to go.

But we do. We are entering into our season of activities. Spring Tune-Up, Judge's School, Spring Dust-Off, Concours, and so on. There should be something for everyone on the calendar.

At this time I want to send all of the best wishes to Betsy Beeson as she recovers from her illness.

Finally got the XJ-SC running. Needs new catalytic converters to pass smog, then onward and upward! However, due to recent changes, they now need to be California Certified. Darn it!

Several members of the MG Car Club, Rocky Mountain Chapter, attended our meeting to promote the Conclave and a couple of other events. The Conclave committee needs one or two members from our club to be Committee members and act as liaisons between them and our club. I have done this in the past, but had to give it up due to the wifey. Anyone willing?

Just a thought to end with. We have beautiful cars which are a joy to drive. Let's have some fun.

## Cover Photo

This Month's Cover photo was taken by Rory Andrykowski of his Caesium Blue 2019 winter package HSE I-Pace. The photo was taken at a frigid sunrise on Rampart Range Road in Pike National Forest.

## Collector Car Council of Colorado Meeting Minutes

The April CCCC Meeting was held in Colorado Springs. The Following clubs were in attendance:

Pikes Peak Vintage Motor Car Club of America – Weldon Shaffer; Pierce Arrow Club – Roger Sherman; Early Ford V8 Club – Russ Newnes; Auto Shop Air Force Academy – Ron Sherman; Pikes Peak Thunderbird Club – Ron Theisman

Leo Boyle, the lobbyist for the CCCC, gave a report. The current legislative session is 2/3 complete. He reported that there was an infusion of Federal dollars to the state, most of which will be used for education, infrastructure and fentanyl crises management. Senate bill 138 authored by Sen. Hanson was an effort to reduce green house gases and although not presented nor read in session it could have an effect on classic cars. House bill 1162 approved the use of “digital license plates” that would replace existing number plates was passed and awaiting the Governors signature and will go into effect in 2023.

Friends of Collector Cars is looking for funds to lobby the legislature and Ted Rossi is heading up this effort for CCCC.

The August 6<sup>th</sup> CCCC Airport Car show is asking member clubs to participate and rent swap space. The fee to have a space is \$40. CCCC is selling a new logo shirt to members. Cost \$29.97 plus \$8.00 per shirt to apply the CCCC logo.

The attendees were informed about a non-profit called “Friends of the Carpenter” that provides lo-cost cars to single mothers that are in financial need and maintenance to their existing cars. This includes oil changes, tire rotation and simple repairs. CCCC is looking for member clubs to work Satur-

days to help with the maintenance.

The Airport Car Show will include flybys with WWII P51 mustang fighters and attendees can be photographed with their car in front of the P51 for a fee. Money would go to the Friends of the Carpenter group.

Ron Sherman of the Air Force Academy Auto Shop spoke about their business that has Snap-On tools, lifts and expertise to those who want to work on their cars. He encouraged members to use the facility and let us know veterans can use the facility for free.

Future meeting locations was agreed upon. Six meetings will be held at the Forney Museum and six meetings would be at other locations including the Haggerty Insurance shop, Gateway Motors and one meeting per year in Colorado Springs. Meeting adjourned at 8:40 PM.

Steve had put together a power point presentation showing all the updated rules,

There were a number of administrative changes throughout the rule book. Things like the word “may” meaning the Judge may choose to do something or may choose not to do it. “May” has been changed to “must”, this means the Judge is required to perform that task.

A few of the other changes are:

**The Chief Judge(s) of the assisting club(s) must be notified #3a that a member of their certified judging team is being utilized at another club’s Concours in order for them to obtain credit for their service. The Judge’s certification can be verified by contacting the Chief Judge of the guest Judge’s club or by contacting the JCNA administrator at 888-258-2534, Extension #9 #**

**If the Judge’s status must be updated to conform to sanction requirements, it must be updated no less than 30 days prior to the date of the Concours event and the Concours Committee Chair must be notified this has been completed.**

## Conclave Committee Representative Needed

The Colorado English Motoring Conclave committee is seeking representatives from all British car clubs. Currently there are only 4 or 5 members on the committee and they need your help.

The key activity of the Conclave Committee representative from each club is to be the communication link between your Club and the Conclave committee. When each club wants something in particular, the rep is the conduit and vice versa when the committee needs the club to do something, like getting the word out on the next Conclave and creating enthusiasm, in the club, to participate in the Ride the Rockies Tour and the Car Show.

In past years, the Jaguar Club, thanks Deanie, has run the registration table from 7:30 to 9 am.. We expect the rep to help sign Club volunteers in advance to help at Registration and to talk with club members

to find out what was good at past Conclaves and what could be improved. The rep keeps his/her pulse on their club.

### Club Representative Responsibilities:

- Attend monthly meetings, January to September, the third Thursday night at 7 pm. Meetings have been "virtual" early in 2022 and will be face to face for August and September at the Hagerty locations in Golden or near Ken Caryl.
- Relay any Conclave information to their club
- Act as a Conclave advocate - including at any event their respective club is having outside of the Conclave.
- Distribute pre event: advertising, posters, brochures, etc.
- Function as rep/advocate to any Vendor they have a strong relationship, ie: Alan - Hagerty, Bob - Sportscar Craftsmen, John - Ax & Allies
- Coordinate club volunteers for Ride the Rockies Tour and the Car Show.
- Participate / assist in planning one or part of one of the Conclave Activities (Drive, Car Show, advertising, awards, graphics, etc.)
- Learn and be prepared to take over one of the Conclave activities when the opportunity arises
- Participate in the 'bag stuffing' party in September, prior to the Conclave
- Identify any potential improvements
- Participate in the overall running of the event (park policing, park set up / take down, vote tabulation, and awards ceremony)
- Obtain feedback from their club and share with the committee at the wrap up meeting

*If you are interested in joining the Conclave Committee, please contact Gary George, 303-477-0189, gfgV12e@aol.com.*

## Judge's School

*The second JCNA Judge's Schools will be held at the Kennedy's on May 14th. Pizza will be there at 11:30. Judge's School starts at Noon, Sharp. New rule books will be handed out, the cost is \$10 per copy, \$5 for pizza, so \$150. Please let Gary 303-477-0189 or Steve skenne-*

*dy@ecentrta.com know plan to attend so know how rule books to printed. There a number of new rules to go over this year.*

# May Spring Dust-Off

## RMJC Members

Here are the details for the Spring Dust-Off event on Sunday, May 22nd.

## Parking

There will be an area coned off in the parking lot in the morning before they open. Additional parking will be avail-

able if we need it. We will be parking on the concrete opposite the depot starting at the Clint Yard sign and running the length of the concrete to the driveway (diagram included). This way we can park on concrete without preventing handicapped accessible parking or emergency exits.

## Check-in

Everyone will need to pay Deanie \$60 for the tour and lunch. We anticipate 40 members but will have an exact head count prior to that day you will need to check in with Deanie when you arrive. You must be on the list prior to the day of the event.

## Tours

The museum will provide several tour guides to help us out that morning. With 40 people we will want to break into smaller groups of 15 or so.

## Train Ride

We will board the train at 10:15 AM for the ride. That way we will have a bit of time after the tour to explore on our own and use the restroom.

## Lunch

After our tour of the museum, everyone is invited to meet at the Table Mountain Inn for lunch. We will have our own private room and we will have a specially designated parking area for our cars at one of the Table Mountain Inn guest parking areas.

## Sign-up Deadline

The final deadline for getting money to Deanie is May 14th. Registration is available on the club web site. We will not be able to accommodate late registrations for the event, so be sure you sign up early and don't wait until the last minute. You can also mail a check made out to RMJC to Deanie Kennedy, 8137 Zang St, Arvada, CO 80005.
