## **Meet Our Concours Chairman and Past Jaguar Club of North America President, Jack Humphrey**

I hail from the great state of Nebraska and I am a retired career Army officer with over 30 years of service who has loved British cars and motorcycles since I was a young teenager. My first car was a clapped out 1965 MGB (purchased in Denver at age 15) that I loved dearly despite the leaky hood, rust holes in the footwalls and the lack of heat during those cold Nebraska winters. By college I owned, in succession, two E-Types. Then came

career, marriage, kids and the dreaded realization that 2 seated sports cars were not the most practical conveyance for moving back and forth across the country. Familiar story, right?

I have been a member of the Jaguar Club of Southern Colorado since it was formed in 2007. Prior to that, I was briefly a member of the Rocky Mountain Jaguar Club in the late 1970's and the Jaguar Owners Club of Oregon in 1997-1998. Since the forming of the club, I've been the Vice President, President and Concours Chair and Chief Judge for many seasons. At the JCNA level, I was a Region Director from 2014 – 2018 and President from 2017 – 2018.

I've owned as many as 4 Jaguars at one time – a 1954 Mark VIIM, a 1970 E-Type Fixed Head Coupe, a 1986 XJ6 Vanden Plas and a 2003 XK8 convertible. However, over the last several years, I've thinned the herd a bit and now I just have the Mark VIIM and the XK8.

Tim and Ann have invited the club to enjoy a half price lunch and short history presentation at the historic trading post 11:30 Saturday, May 5. Lonnie sent out a detailed itinerary and instructions last week. Some say that Jaguar owners don't care about discounts, but either way it should be a great time, so help fill up the east parking lot with Jaguars. RSVP to Rickiw@RedNoland.com

**Argo Mine Tour on May 22 information coming out later this week. Rory is really excited to introduce the members to this interesting piece of Colorado history.**

# President's Notes

Greetings everyone,

Well Spring is here. Hopefully we will start having some more warm weather along with the much-needed moisture.

As you likely know, I'm a retired CSPD Sergeant. I retired after 35 years on the force. I spent most of my time in Traffic related assignments. I was an accident Level II investigator and reconstructionist where I spent time investigating fatalities and as a DUI enforcement officer. I also was a motorcycle traffic officer where I spent most of my time chasing speeders on I-25, a school zone enforcement officer and later a Motorcycle Unit Sergeant.

Near the end of my career, I was the Special Events Sergeant in charge of coordinating and supervising all Special events held in the city including parades, foot races and any type of festival. At the same time, I also supervised the three civilian Parking enforcement officers, the Major Accident Detectives and was a team leader and hostage negotiator for the SWAT team.

So, with all that said I thought I would remind everyone of some basic traffic rules of the road to keep us all safe during our summer driving.

- The most important is wear your seat belt and make sure all your passengers do as well. Colorado law states it's the driver's responsibility and you can be cited if they don't. A person who is ejected from a moving vehicle is twenty times more likely to die.
- Remember to use the three second rule when traveling at highway speeds. At 75 miles per hour, you are traveling at 112.5 feet per second. Yeah, that's quick and it takes some time to react.
- Another major cause of traffic crashes is turning left at an intersection when not having the dedicated left turn arrow and not having a clear view of oncoming traffic.
- Lastly you are required to use your turn signal no less than one hundred feet before turning in urban and metropolitan areas. You also need to use it continuously for at least two hundred feet on all four lane highways and other highways where the posted speed limit is forty-five miles per hour or higher.

We all know these rules of the road but it's always good to review just in case we've forgotten. Let's all have a safe driving season and enjoy our Jaguars.

Lonnie

## Minutes and Seconds

### Minutes of Board Meeting Minutes 4/20/2022

Attendees: Lonnie, Pete, Thom, Jack, Keith, Hank and Sharon

Thom Reported on checking account. He also updated we currently have 27 members.

Most of the discussion centered around events. We are paying close attention to scheduling events as suggested by our members. We also need to increase our attendance at RMJC events in Denver. Lonnie will explore joining them as an affiliate member. We are asking members to continue suggesting events.

Jack updated us regarding judge's training. There are upcoming certification classes scheduled via Zoom sessions and in person at the Denver club. We have 3 active judges and Hank is joining them in training this year. More judges are still needed.

The RMJC concurs is May 22<sup>nd</sup> in Brighton and we encourage members to attend. Details in current newsletter.

## **Jaguar AGM 101 by Jack Humphrey**

Have you ever wondered why JCNA has a corporate Annual General Meeting, also known as the 'AGM'? I didn't think so, but I'm going to tell you anyway!

As background, Jaguar Clubs of North America (JCNA) is a non-profit corporation that is governed by a set of bylaws that conform to the general laws of the state of Delaware and date back when our club was incorporated in 1954. One of the articles in the bylaws establishes the requirement for directors and club representatives to meet annually to review the status of the organization and to discuss and vote on important matters. JCNA officers are required to attend and affiliate clubs can send up to two voting delegates. Clubs that do not send representatives must designate proxies, such as a region director, to cast their votes. If interested, go to this [link](#) for additional information about the JCNA bylaws and corporate and administrative policies.

The AGM is held in March of each year so it does not interfere with the Christmas - New Year Holiday period and before we get too far into the organization's administrative year, which runs from January 1<sup>st</sup> through December 31<sup>st</sup>. Affiliate clubs host the AGM on a rotational basis and, in recent times, the event venue is typically a local hotel or resort that is reasonably affordable but also all the amenities required to support a business conference.

The weekend lasts three days with arrival of delegates on a Friday and might include an afternoon activity or excursion followed by some sort of evening social. The Board of Directors also meet on Friday morning and into early afternoon and then attend any activities and socials. The annual meeting is on Saturday and is followed by an awards banquet with a key-note speaker that is held on-site or at another restaurant or theme related location, such as a private auto museum. The Board of Directors (JCNA President, Vice President, Region Directors and several others) usually meet on Sunday morning to wrap up business and most attendees depart throughout the day.

So, having said all the above, this year's AGM was hosted by Wisconsin Jaguars, LTD (JCNA President John Boswell's home club) in Milwaukee, Wisconsin on March 24 – 27. While one might worry about Milwaukee weather in March, surprisingly, it was only chilly and a damp with rain and snow showers. You would have thought we were good old Great Britain!

This year, the Friday activity was a trip out to Wisconsin Jaguars, LTD Club President Mike and Debbie Korneli's home to view their private Jaguar and race car collection and listen to reminiscing's from Brian Sheridan who was a race car mechanic for Tom Wilkinshaw's racing team in the 1980's. Mike and Debi's collection included a very early 1934 SS Saloon, a XK150, a Series III E-Type FHC and a very unrestored XK140 OTS all housed in a custom built wooden beamed garage with a full shop. One wouldn't even need a house if you had a shop / garage like that! Dinner and dancing followed back at the hotel.

The AGM was on Saturday and rather than bore you with the details, you can view or download the meeting packet, which includes all reports and background information about the discussion topics, on the JCNA website. Following the meeting, attendees had the opportunity to visit the Wisconsin Auto Museum in Hartford, Wisconsin, which is located northwest of Milwaukee. The museum had quite a selection of pre-war (both WWI and WWII) American cars as well as a few 1970's and 1980's imports. They also had a large number of Kissel Kars, which were built by the Kissel Motor Car Company in Hartford between 1907 – 1942. The number of small companies that were building cars and motorcycles prior to WWII is truly amazing.

Dinner and the annual awards presentations followed at a local restaurant where I was proud to represent our club and bring back the Mike Dale Dealership of the Year award for Thom Buckley and the Jaguar Colorado Springs Dealership. Congratulations to Thom and his team and this award (the 3<sup>rd</sup> time for Thom and the dealership) is more than well deserved.

So, in a nutshell, I've attempted to provide our readers with some background on why JCNA has AGM's as well as providing a report on the most recent one in March of this year. I also recommend that any of our readers consider volunteering to be one of the club's delegates to future meetings. I guarantee you will find the trip enjoyable and you will return much better informed about how and why JCNA operates as it does.

Best Regards, Jack Humphrey

**START YOUR ENGINES. THE CROWDS ARE COMING.**

The **Colorado Concours d'Elegance & Exotic Sports Car Show** is the largest gatherings of priceless and exotic sports, classic and exotic automobiles in the Mountain States area. Over 300 treasured cars from early classics and collector cars to vintage race cars and current models will be on display. Many of these incredible cars come out only once a year for this show to help at-risk children through [Ability Connection Colorado's Creative Options for Early Childhood Education Program](#).

Over 100 local and regional car clubs, businesses and media sponsors attract over 10,000. Now in its 39<sup>th</sup> year, the show has become one of the most spectacular, most entertaining and anticipated car shows in Colorado!

Colorado Concours Slideshow

To date this spectacular event has raised over \$2,500,000 for the ACCO's Creative Options for Early Childhood Education Centers which specialize in providing early care, intervention, prevention, support and education services to expectant mothers and nearly 300 at-risk infants, toddlers and pre-school children and their families each year.

The Concours d'Elegance and Exotic Sports Car Show is also an excellent opportunity for corporate sponsors to experience tremendous exposure for their company. This prestigious show reaches a well-educated and influential audience of car collectors and enthusiasts as well as the general public. The kids win and the corporate sponsors win.
