Members of the WMJR met up with members of the BMCU on the east side of the capitol and proceeded up north, where they met up with other members of each club at the Extra Space Storage parking lot on Antelope Drive and Main street in Layton, UT. Everyone then proceeded west to Antelope Island, after driving on the island we went to the Fielding Garr Ranch for a picnic lunch. The weather was windy and a little chilly (no bugs to be found). Members of the WMJR attending were: Jackson, Susan, James and Kay Jennings, Jim and Hermione Klekas, James Balluff, Ken and JoAnn Borg, Gary and Diane Buxton, Mike and Suzy Cady, and Liz Green.

## May Event

### Hill Aerospace Museum and Lunch at Little Taste of Britain

Our May event will be May 14, 2022. It is going to be a fun one if you like planes and food. We will be meeting on the east side of the capital at 9 am and depart no later than 9:30 am for the drive to Hill Aerospace Museum. *(Note you will NOT be able to drive straight up State Street to the capital because the intersection of State Street and North Temple is closed for road work.)* The address for Hill Aerospace Museum is 7961 Cottonwood St Bldg 1955, Hill AFB, UT 84056 (Exit 338 off of I-15). The caravan from the capitol will plan on meeting those members from up north at approximately 10:30 am. The plan is to be at the museum for about two hours and then go to Little Taste of Britain for lunch around 1 pm. The address for Little Taste of Britain is 768 W 1425 N Layton, UT 84041. It would be great to see a lot of members at this event.

## Gary Lindstrom...Celebration of Life

On Saturday April 30, a Celebration of Life was held at the Starks Funeral parlor for our friend and colleague, Gary Lindstrom. Pugs Pivarotto, one of Gary's close friends assisted in the preparation of this memorial by including a display of a great many items of Gary's memorabilia. We were fortunate to have beautiful weather for this occasion which included good friends, live music and delicious food offerings. We were honored to hear remarks from Gary's sister, who spoke lovingly of her little brother and his adventures growing up as well as his education. We also heard from two of his nephews and their adventures with Gary over the years. There were several others who spoke briefly about Gary and his career at the U of U computer department.

Fittingly, two of Gary's cars were on display (the Aston Martin and MG TD) as well as several cars from the BMCU (6) and WMJR (4).

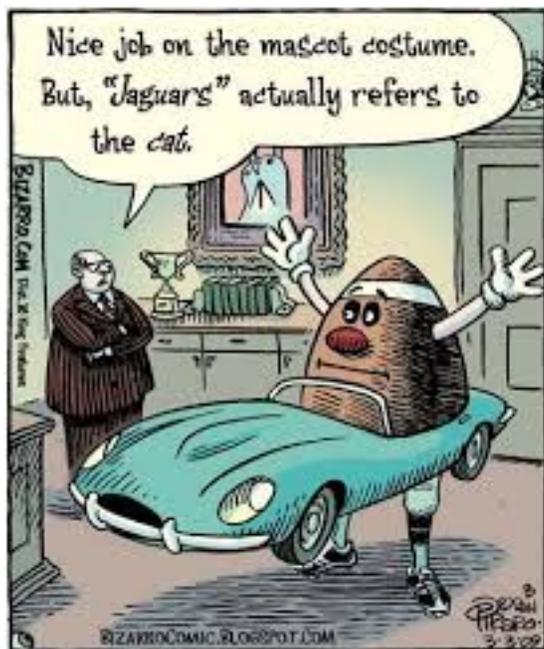

WMJR membership were very well represented in the crowd including: Marvin and Connie May, Duane and LeAnn Allred, Jim and Hermione Klekas, Mike and Suzy Cady, Barry and Allison Hanover, Lee and Judy Taylor, Tim and Beth Furner, Jim Revel, Henry Morrison, Kay Jennings, James Susan and Jackson Jennings, and Ken and JoAnn Borg.

This was a fitting tribute to Gary for all he contributed to our club for many years. Indeed, all of us have benefitted from his generosity and our association with him.
