## President's Letter

Here I sit, taking a break from caretaker duties. Jean is doing well, but when all the meds wore off, the pain came on. Slowly things are getting better.

As I look out my window, my street has the first layer of blacktop in place and smooth. By the end of the week I should have a real street back.

The Conclave is coming up. With Jean doing so much better, I plan on being there. Lots of cars, lots of friends, lots of stories. It has always been a great time.

I am getting things lined up for our annual Christmas Party at Vista Vino in Castle Rock. Jean and I really like this restaurant. And they are willing to work with us. There will not be a gift exchange this year.

My F-Type is in the garage with a cracked power steering reservoir. Waiting on parts. Quick way to say goodbye to \$1000.00. Such is life in the fast lane.

So, see you at the Conclave, to have some fun!

## August Monthly Meeting Minutes

Frank Oakley opened the meeting at the New York Deli News restaurant with a thank you to Bill & Betsy Beeson for hosting the August RMJC Board meeting.

Deanie Kennedy reported that the club has 9 new members bringing total membership to 124. She also reported that the club's financial status remains very good and that we are on budget for the year.

Tom Estes presented his report on the recent CCCC meeting and the minutes for this meeting. The minutes are in the Cat Tales.

Steve Kennedy continues to provide the club with excellent Cat Tales newsletters each month. Please send articles and article ideas to him.

Mark Kintgen reported that several event and meeting pictures have been added to the RMJC Facebook page. Frank thanked Mark for his efforts to keep the Facebook page relevant and interesting.

### Old Business/Event Recap

The Summer Party hosted by the Volins was very enjoyable and the club thanks them for their hospitality and the beautiful drive and party venue.

**Bids for Kids** - Unfortunately, our club participation was limited this year, so the Board voted to have the club contribute \$500 to the charity. It is a worthy cause benefiting many deserving kids.

### New Business

The Board voted to allow the Albuquerque Jaguar Club to purchase our slalom event timing equipment. The club has not been scheduling slalom events due limited member interest and increased costs for the facilities at Front Range Airport and therefore not using the timing equipment. The Albuquerque club will pay RMMJC \$250 for the equipment and allow us to borrow it anytime that we resume schedule slalom events.

See the Board Meeting Minutes and event calendar for information on a proposed tour of the Shelby American Museum in Boulder on October 1.

Club elections are coming up in November. Now is the time for any members who would like to serve in a leadership role for the club to step forward. We are always seeking new faces and ideas in these roles for the good of the club. All members are welcomed to serve.

The raffle included a "mystery" Jaguar logo'd car clothes hanger that few of us could figure out. Tom E. finally opened up the package and solved the puzzle of how it fits in a Jaguar.

Next month's meeting program is about a Barn Find 1963 3.8L Jaguar XKE recently uncovered. Yes, there are still treasures hidden away that are yet to be found. Join us at the next club meeting at New York Deli News restaurant on September 20 at 7:00pm. Come early and enjoy dinner with other members.

## Conclave

The Conclave Show is September 18th.  
Deanie needs help with Conclave registration from 7 to 9. She needs a total of 6 people. Please let Deanie know [dkenedy@ecentral.com](mailto:dkenedy@ecentral.com), if you can help out that morning. Last year she did not have enough help. That includes someone helping Frank hand out packs and the rest to help at the registration table. It gets real busy there.  
The club will again provide the traditional 12 foot Subway Sandwich. Please bring a side dish of your choosing to share with everyone.

## Shelby Cobra Tour

This museum is the finest collection of Shelby Cobras in the world, including one of the cars that beat Ferrari. They have other Ford race cars too.  
I talked to the director about arranging a tour for both the Colorado regions of the RROC and Jaguar - RMJC.  
We would meet at 9:30 am for coffee. There would be a **guided tour 10 am, \$5/pp**  
If we can estimate the turn-out we can bring some boxes of coffee and both clubs can split it. I'm willing to bring it. We can go to lunch later. I will get some options from steve at the museum, if anyone knows a good/convenient spot?
