# July Concourse

The morning dawned dark and raining. .... The forecast was for the front to pass through around 9 am and the day would clear. .... It didn't happen that way...But Jaguars were made for the damp climate of Britain, so the Concourse was on!

This year we again had a representative from Drive Toward a Cure for Parkinson's attend and talk about the organization. Kevin Murray has been diagnosed with Parkinson's and has been working with Drive Toward a Cure and local Parkinson's research at Rush Hospital. We encourage members to support this cause and sign up for the 75 Days of Summer under the Illinois Jaguar Club - <https://www.drivetowardacure.org/75-days-of-summer-2022/>

We also had a student from St. Charles High School, David Gaertner, participate as a Junior Judge. This is a partnership with the RPM Foundation which promotes student interests in the automotive field. It is always encouraging to see the upcoming generation of drivers and mechanics.

Now for the details of participation. We had over 25 cars make their way through the showers and participate in the Concourse. There was a good selection of vintage and newer Jaguars.

Our Concourse Chair decided this year that we would have a cookout for lunch. Picture men huddled with umbrellas over the grill, while everyone sheltered in the tent. Last year it kept us cooler, this year it kept us drier!

From: Cathy Kakauska

The day capped off with the evening event of dinner at Maggiano's. Overall, a successful Concourse! The cars shined through the raindrops!

Our thanks to Rick Gunther our Concourse Chair for his leadership, organization, and selection of St. James Farm as the venue; Ken Katch and Cynthia Brandenburg for helping set up the field and handling Concourse registration. Also, thanks to Mike Ksiazek and the individuals that volunteered as judges and tabulators. It does take an army of volunteers to make the event successful. So next year when there is a call for volunteers, think about getting involved!
