We are into a new and exciting year. I just finished a Board Meeting and the VP's have things lined up that are exciting and very diversified. I know that you will want to look at the schedule of events and get signed up for as many as possible. We have Tech Sessions, we have drives with lunch included, we have places we love to go and going back in 2023 (ex. Moss Beach and Bird Rock) and of course we have some Fun over-nighters and our Annual Holiday Event. It's going to be Fun, and I am ready to get started.

Remember we also have the AGM here in March which is representatives from clubs in North America and I hope each of you will take a few minutes to help out where you can. It is not often we get to show off to the other chapters of our Country. We hope you will put your car in the show while the other clubs are here. It will be in a great venue by the bay.

The rain is still falling, but it too will come to an end. When it does, we will hopefully not be in a water shortage for a while. A lot of our members

We have an advantage of most of the Country. When our rainy season is past, we don't have a lot of concerns about our events being cancelled due to the weather. Having that in mind can confidently say:

Toys for the Children at Packard Children's Hospital*By Phil Endliss/Treasurer*

Members of JAG once again exceeded our goal by donating \$3,500 to the Lucille Packard Children's Hospital at Stanford. JAG was the sixth largest contributor. This is over 140% of our goal of \$2500. The donations made by JAG will provide toys and games to the many children at Packard Hospital with severe illnesses and make their time less difficult while they are being treated. We can be quite proud of the generosity shown by our club's members.

JAG Hosts the 2023 JCNA Annual General Meeting

By Phil Endliss – 2023 AGM Chairman

Each year, JCNA holds an annual business meeting to review a number of topics including membership, special meetings (IJF and AGM), Concours issues, and the Jaguar Journal among others. All the Jaguar clubs in North America send representatives to this meeting to discuss each of the issues and vote on all the proposals. For the first time in nearly 30 years, JAG will be the host club for this meeting responsible for all the arrangements and activities.

The meeting will be held from March 9-11 at the Embassy Suites Waterfront hotel in Burlingame. While the JCNA board of directors hold their pre-AGM board meeting on Friday, attendees will have the option to take a cruise through the SF Bay in the morning. A visit to the Mozart Foundation Auto Museum is scheduled for the afternoon and a reception dinner will be held at the hotel that evening. On Saturday, the general meeting will be held during the day while in the park adjacent to the hotel, JAG will hold our annual People's Choice car show. A banquet will be held that evening featuring Boris Gruzman as our guest speaker to discuss his adventure driving his

custom E-Type on the Peking to Paris Rally in 2019. After the dinner, awards will be presented by JCNA and JAG will present awards to the winners of the People's Choice car show.

While the AGM attendees will have first option to sign up for the boat tour and the Mozart museum, JAG members may also register for these events. Available space will be provided to JAG members on a first come basis. All JAG members are encouraged to enter their car in the People's Choice car show and attend the banquet. Reservations can be made for the banquet and Friday events through our web site, www.jags.org. JAG members may also stay at the hotel and receive the special room rate of \$175 per night which includes a full cooked to order breakfast and free drinks and small bites in the evening. This rate will apply three days before and three days after the event. Reservations must be made by February 1st to get this special room rate.

I hope many of our members will participate in the car show and attend some of the events. It may be some time before JAG holds this meeting again.

CELEBRATORY DRIVE TO FRESNO & CLOVIS – March 24,25,26

After all the work at the AGM, we'll all be ready for a fun weekend out of town. Join us on our first ever drive to the center of the San Joaquin Valley. We'll leave the bay area early Friday morning, probably meeting up in Gilroy. From there we'll take 152 across to highway 5. Travel south on highway 5 to Avenue 7/Nees Road. You'll then travel through crops in full bloom all the way to highway 99. A relaxing way to get there. We'll be staying at the Best Western in Clovis which is very convenient to all the events, lots of shopping, antique shops and restaurants, all just a short walk away. Once you're settled in we will meet for lunch. Then a 45-minute drive up Highway 168 to Dunlap which is at 4000 ft, close to Sequoia National Park. We will be taking a tour of the CAT HAVEN. You'll see 14 wild cat species (9 JAGUARS) and learn a lot about our favorite CAT!

Then back to the hotel to relax until we go to dinner at the ELBOW ROOM. Saturday will begin with full breakfast at the hotel. We will then meet up in Clovis with the Valley British Auto Club and join them for a couple hour drive through the foothills, expect that wildflowers will be in full bloom. Lunch will be back in Clovis at Bobby Salazar's with the VBAC. That afternoon will be free for you to explore on your own. Suggestions will be coming. Dinner information will come soon.

Sunday morning you'll enjoy your free full breakfast and meet up in Clovis with the VBAC again and set up for the car show and antique street fair. This car show is not a concours, it's better described as a car show and street party. There will be awards with unusual categories like BEST oil leak. Awards will be given out between 1:30-2:00 and the Car show ends at 3:00. At this time, you'll be saying goodbye to all your NEW friends and traveling back to the bay area. So, sign up ASAP, rooms will go fast and so will spots in the car show.

MOSS BEACH DISTILLERY – April 23**Exercise your CAT and have brunch at the Moss Beach Distillery**

Join us for our third drive of the year followed by a display of our cats in the parking lot and then a delicious brunch in the Fitzgerald Room, with spectacular ocean views. We will meet at four Bay Area locations to caravan to the Moss Beach Distillery located at 140 Beach Way, Moss Beach. During Prohibition it was an ideal spot for rum running and bootleggers and also became a “speakeasy” establishment. The restaurant is located on a cliff above a secluded beach with fabulous views. It is also famous both because mystery writer Dashiell Hammett was a frequent visitor and used it as a setting for his detective stories and because long time JAG member Bernie Stein worked there in his teens! We will assemble in the parking lot south of the entrance by 10:45 to exhibit our CATS and socialize with brunch starting at 11:15. The brunch includes:

- Fresh baked pastries (unlimited supply)
- Fruit cup
- A bottomless glass of orange juice, sparkling wine or Mimosas
- Coffee or tea and soft drinks
- **#1: Coastal Crab Cake Benedict**-two crab cakes topped with poached eggs and hollandaise. Served with homestyle potatoes
- **#2 Grilled Pork Chops and Eggs**-One pork chop marinated in chimichurri with a mustard sauce, accompanied by eggs scrambled with parmesan cheese and artichoke hearts. Served with homestyle potatoes.

- **#3 California Coastal Omelet**- Three egg omelet with chopped prawns, tomato, avocado, scallions, Monterey jack cheese, topped with a bay spice aioli, Served with homestyle potatoes.
- **#4 Petrale Sole Fillet**- Pan seared Petrale Sole Fillet topped with toasted almonds and a citrus beurre blanc. Served with homestyle potatoes and seasonal vegetables.

Because of the popularity of this event and the fact that our room only holds 45 people, you’ll need to make your reservations early. While some may feel this is a steep price to pay for brunch, the food is delicious and plentiful, the view is spectacular, and the fellowship can’t be beat. So, sign up on the website or use the form included.
