### **About The CPJC**

The Canadian Prairies Jaguar Club is an automobile club whose purpose is to provide fellowship for Jaguar marque / auto enthusiasts. Members will have opportunity to share their interest in Jaguars and other cars through club events, social occasions, a dedicated website and more.

The CPJC is an affiliate member of (JCNA) Jaguar Clubs of North America. JCNA is dedicated to the promotion and preservation of Jaguar automobiles among it's enthusiasts in America, Canada and Mexico.

All Jaguar enthusiasts are welcomed as are fans of any and all makes of planes, trains motorcycles and automobiles. We love pedal cars, collectibles, memorabilia and more!

Owning a Jaguar car is not an essential requirement for club membership.

## Membership

Thank you and welcome Canadian Prairies Jaguar Club members! Officially we are the newest Jaguar Car Clubs of North America affiliate club. (Officially sanctioned on December 20th, 2021)

### NW69 - Northwest Division Club # 69

A car club can only be as good as its membership allows and if your excellent taste in automobiles is an indicator then the CPJC is off to an excellent start. Beyond your appreciation and interest in Jaguar automobiles we thank you for stepping up to the plate with your formal application to JCNA and payment of your membership dues. We are a new and growing club and we are thrilled to have you as a member !

For the Canadian Prairies Jaguar Club the rubber has officially hit the road! 2022 was a great first year for our club. 2023 is shaping up to be even more exciting and eventful . A busy calendar of 2023 club events looks great and we're hopeful members can and will attend as many CPJC events as they can. We are well on our way and looking forward to a promising fun filled future.

Membership benefits entitle participation in all CPJC meetings and events, free classified ads on our website at [www.cpjc.ca](http://www.cpjc.ca) and in our club newsletter. An opportunity to share a common interest all things "Jaguar" with other Jaguar auto enthusiasts. CPJC membership also includes all JCNA benefits such as participation in all sanctioned events, the "Jaguar Journal" magazine, the Tool Loan Program and access to the Jaguar Forums on the JCNA website [www.jcna.com](http://www.jcna.com)

## Message from the Club President:

The Canadian Prairies Jaguar Club is now in it's second operating season. Your Executive has been busy creating a calendar of events for 2023.

Now that we have the foundation laid, it is time to grow and expand our offering of activities to club members. This year, we will focus upon having more social gatherings and drives to compliment the various Show & Shine events. We are looking to initiate various Jaguar memorabilia items for our members.

In the planning stages, is the creation of what we hope will be our signature event, a "Traffic Jam" Day in Calgary, to be coordinated with British and or other fabulous car marques, the Char Bar Restaurant and the National Music Centre.

To make all of this happen, we need your help. It has been my personal experience that what I get out of any relationship or affiliation, is directly proportional to what I put into it. I encourage everyone (spouses included) to get involved. It is by doing this, that I have been able to get to know some of you. I can see the potential for some of these relationships to grow and flourish in the months and years to come.

If everyone did just one thing to help, whether it be to organize an ice cream run, a pub night, write an article for the newsletter, champion our attendance at a Show & Shine event or run for executive office, our club would flourish in a multitude of ways.

After all the club exists as a means for us to share our enjoyment and appreciation of the Jaguar marque and get to know each other. I encourage everyone to find some way that you can participate or contribute.

Our monthly online ZOOM meetings are a great way to "tune-in". The Facebook page is another way in which we can interact and share information. Of course, our website ( [www.cpjc.ca](http://www.cpjc.ca)) is yet another way to connect. Don't forget to check out our password protected member's section where you can look up the contact information of other club members and ask for some Jaguar advice. The JCNA website along with the Jaguar Journal are other great resources to finding out what is going on in the Jaguar world elsewhere.

I am looking forward to the 2023 car season. Let's keep the "Cats" purring and get them on the road.....

Doug Uffen, CPJC President

“British Invasion” set for June 17

The Portland All British Field Meet Committee is delighted to announce an addition to the British car calendar for 2023. Building on the success of the British Invasion held in 2020 when the All British Field Meet was cancelled due to COVID restrictions, we are reviving the British Invasion as an addition to the All British Field Meet.

The Invasion will be held Saturday, June 17, at Alderbrook Park, 24414 NE Westerholm Road, Brush Prairie, Washington. All British cars, trucks and bikes are welcomed. The cost is only \$10 per vehicle, payable in cash at the gate. There is no pre-registration.

Alderbrook Park features great food, a beer garden and music while our British vehicles are parked in a grassy park-like setting, a clearing in the woods. The gate opens at 8 a.m. (Note, strictly no pets and no outside alcohol.)

We hope to see you at Alderbrook as we bring together the British car (and truck and motorcycle) community for a relaxing day in the forest in a beautiful park. And be sure to also mark your calendars for the All British Field Meet at Portland International Raceway, September 8-10. See [www.abfm-pdx.com](http://www.abfm-pdx.com) for details.

## Newsletter Submissions

This is your club newsletter so all CPJC Members are welcomed and encouraged to submit articles, photos, special interests, custom projects, restorations, road trip stories, photos, technical, mechanical inquiries, maintenance tips or anything Jaguar related that members wish to share or see included in the newsletter.

This newsletter is and will continue to be a work in progress. Our goal is to publish quarterly.

As we gain traction as a functioning car club we'll be able to report on and share our clubs activities, events and stories with our fellow CPJC club members as well as our JCNA community of Jaguar enthusiasts.

Your feedback is important to our success. Please offer recommendations, suggestions and even constructive criticism and send them to [vpnewsletter@cpjc.ca](mailto:vpnewsletter@cpjc.ca) for consideration. Thanks!

1989 V12 Vanden Plas. Very rare (Canada-only model; fewer than 70 built for 1989) in special-order Jaguar Racing Green with Buckskin leather in concours-winning original condition. Low kilometers, always garaged, absolutely corrosion free, accident-free, perfect paint and chrome. Excellent walnut and leather interior. Silky smooth performance. Always properly maintained; located in North Vancouver. A unique opportunity to own a premium example of this classic model. Must go to a good home. \$23,000

For information; Gregory Andrachuk, email: [v12.vdp@gmail.com](mailto:v12.vdp@gmail.com) or 250 595 7453.

For completion, a 1951 Jaguar Mark V that has been the subject of a multi-year restoration process. Last items to do are completion of the interior and installation of a new correct interior kit in red from BAS (with a value of \$8,000.00 US) that comes with the car. Also requires a finishing and installing the wood trim, new battery, and the purchase of new tires. My time and other projects do not permit me to complete this car which belonged to a dear friend of mine almost since new. No rust, engine rebuild some years ago. Starts and runs well. Virtually all mileage in this car recorded prior to commencement of the restoration process. Repainted some years ago and remains excellent overall condition. A nearly complete tool kit (restored) is available at current market rates.

# The 2024 Jaguar F-Type May Be The End Of The Line For Jag's Gasoline Powered Sports Cars

They say “all good things must come to an end”. And with that it seems Jaguar is saying goodbye to one of the most beautiful cars currently in production. Anywhere, period. While it may not be perfect the F-Type is powerful, more than fast enough, extremely road worthy and quite simply drop dead gorgeous.

There are few cars that match the muscular and commanding presence of the Coupe. The Convertible is perhaps a little less dramatic in appearance but it's curves and stance are lean and incredibly seductive. Introduced in 2014 the F-Type has carried Jaguars sports car legacy admirably and considering the brands racing heritage that is no easy feat.

*The 2024 F-Type 75  
In Coupe' and  
Convertible models.*

**The 75 Edition is offered as an F-Type 75, F-Type R 75 Special Editions or R-Dynamic F-Type**

**All are powered by Jag's supercharged 5.0 litre V8 engines in 450hp and 575hp variants.**

2024 marks the 75th anniversary of the Jaguar brand and quite possibly the automakers final farewell to internal combustion automobiles. Starting in 2025, Jaguar intends to go fully electric across it's range. Or so it seems as model updates or breaking news of any kind from the Jaguar head office have been few and far between. Perhaps supply chain issues or a hot selling F-Type 75 may extend the iconic sports car's shelf life?

In any case after 75 years of producing awe inspiring combustion-powered sports cars we can be certain that electrification is the brands future. For now though there still remains the opportunity to acquire a true and genuine Jaguar petrol powered sports car.

Some Canadian dealerships are still advertising in stock 2023 model availability and most are currently accepting orders on the 2024 F-Type. Considering the historic transition for the brand and the "last of the breed" nature of the F-Type 75 editions, it's safe to say that these 75th anniversary "Cats" will be highly collectible.

## ***Concours d'Elegance*** ***A CPJC Event?***

The Canadian Prairies Jaguar Club is still very much a new car club. As the CPJC enters its second year we find ourselves coming to grips with our vast geographical area as well as connecting to a growing and diverse membership with interests all over the automotive hobbyist map. These might be seen as challenges but as our Club President Doug Uffen will offer, “our geography and diverse membership present a great opportunity and will eventually prove to be our clubs greatest strength”. I think Doug is on to something?

During our inaugural years events and again at a few of our “ZOOM” club meetings there has been some discussion on Car Shows, Club Competitions, Rally, Concours events and even Judging training opportunities. All worthwhile and legitimate pursuits for any car club.

Some CPJC members have expressed interest in exploring these type of opportunities and our club potentially hosting a signature Show & Shine /Concours d'Elegance event as early as 2024! We do have a club subject matter expert, Chris Hay, a certified and experienced JCNA Concours level Judge in our membership to keep us on track should such an event come to fruition.

JCNA and it's NW Region Clubs host several signature Concours events annually, and have a team of Chief Judges and Judging experts that are pro-active in helping anyone interested in volunteering or learning about Concours Judging opportunities.

***Concours d'Elegance*** are events where prestigious and classic vehicles are displayed and judged. These events are often held in conjunction with automobile shows, racing events, charity fundraisers and even classic car auctions. *Concours* events are next level shows and are often by invitation with only the best cars competing for the trophies.

Historically vehicle judging at a *Concours* is more demanding than that of a local car show or show & shine event. Trained judges examine the vehicles thoroughly. Each and every component is rated and scored. Trophy class vehicles are considered perfect or very nearly so in every way. *Concours* quality cars are often presented in ‘mint” condition with trophy winners regularly meeting or exceeding the standards of the cars as presented when they were brand new!

## Car Shows & The *Concours d'Elegance* Difference

Car shows are a huge part of automotive culture. Car owners, hobbyists, driving enthusiasts and automobile lovers of every stripe can regularly be found at these events. Cars shows will generally have something for everyone, often featuring different types of cars in various stages of restoration and condition. Each car show defines it's own criteria and more often than not the focus is on having fun and enjoying the day. Trophies are a secondary consideration at most local car shows.

The *Concours d'Elegance* is a different event. These events are first and foremost a competition. The cars on display are all excellent examples of their marque and are presented for judging with points given or taken away based on condition. Even the smallest imperfections whether inside or out, can cost a competitor a point or even fraction of a point.

Competitors who enter a *Concours d'Elegance* do so for bragging rights and to earn recognition for their cars. Keeping a car up to *Concours* standards takes devotion of time, effort and most certainly considerable financial commitment. Owners of *Concours* winning cars can expect that the efforts required generally equate to higher valuation.

It should be noted that most events also have a "People's Choice" (fan favourite) award.

*Judges at Pebble Beach examining a coach-built Jaguar / Bob Golfen photo*

## ***Judging a Concours d' Elegance / Judging Volunteers***

No club could host a judged event such as a *Concours* without a team of trained and qualified judges. Obviously before the CPJC could successfully host a sanctioned event some ground work will need to be done. Beyond an organizing committee we will need Judges and judging volunteers. Fortunately for our club the JCNA NW Region has experience and is actively recruiting and supporting members interested in learning about or becoming Concours Judges and or judging volunteers.

Expect updates and feature columns in JCNA regional club newsletters and websites throughout 2023 addressing this topic / opportunity.

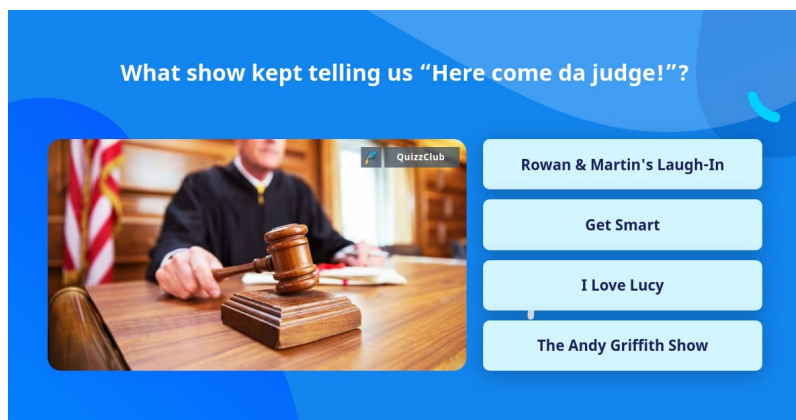

The road to becoming a *Concours* or *Championship* level judge will be a process. However it need not be as daunting as it may seem to someone who may have a notion. After all each journey starts somewhere and every car buff knows it's as much about the journey as it is the destination. The road there should be fun.

Ask any Chief Judge about the process and most will offer that simply volunteering to help out at an event was enough to pique their interest.

CPJC members that may be interested should know that no prior car judging experience is required to become a judging volunteer. The only requisite is that you should probably be a bit of car person. No need to be "mechanically inclined", though proficiency with a pencil will be an asset.

No such thing as "mistakes" in Judging, especially true at the volunteer level. Judging is a team effort and each judging team will have members with varying levels of expertise and competencies. Volunteers gain experience with each and every event. Judges School and level appropriate training is open to any JCNA club member. (benefits of membership!)
