President's Message March 28, 2024

March turned out to be quite a rainy month, which is great for the trees and spring flowers; not so great for long drives across the Golden State. Nevertheless, this past weekend I put up the top on my 2000 XKR convertible (which, being a ragtop man, I'm always reluctant to do) and journeyed eastward across the central valley towards Fresno and our JAG club's gathering in the charming town of Clovis.

Unlike a typical drive where our club meets at a set time and departure location, then drives together in (typically rather loose) convoy, each Clovis attendee was left to their own devices in choosing both the route and the timing of their journey. As my girlfriend Karen and I were driving east from her place in Monterey, it occurred to me that, while I very much enjoy and appreciate the planned stops on most of our club group drives (lunches, dinners and rest stops, etc.), being on a "solo" drive allowed us to stop wherever and whenever we felt like it. It reminded me of the wonderful vacations I took with my parents decades ago, where dad would simply aim the car in a compass direction and sally forth. We'd drive the back roads until we'd encounter some roadside attraction that looked inviting, then we'd stop and check it out. We'd stay at whatever little motel or hotel we'd come across around sundown, then spend the next morning having breakfast at a cute little mom and pop diner or café where the locals all congregated. We rarely ate at National "chain" restaurants, as we favored local color and cuisine over the same old boring menus in eateries that look the same in every town and strip mall.

Speaking of local restaurants, Karen and I discovered a couple of cool new places on our

Clovis trip: Eddie's Famous Café and Espanas Southwest Bar and Grill, both in Los Banos on route 152. Since the town's about half way between Monterey and Fresno, we ate lunch there both coming and going. I had this fantastic "chipotle chicken club" sandwich at Eddie's and a fabulous (and huge!) chili verde chimichanga at Espanas. While Eddie's was a typical small-town café, we were really impressed with the décor and ambiance at the Espanas restaurant, which is in a charming Spanish-style building that's part of the historic Canal Farm Inn on property that was once the headquarters for Henry Miller's farming empire. Miller was a German Immigrant who, in the late 1800s, was the "Cattle King of California" and one of the largest land owners in America. Espanas is a tranquil and beautiful place to stop, rest and have a delicious meal.

Whether you ever eat in Los Banos or not, I hope that a certain spirit of adventure will guide you on your next solo car trip. Who knows, you might discover a new favorite restaurant or an interesting historic spot you never knew existed!

Hoping to see you on the roads less traveled,
Sandor Nagyszalanczy

March Madness

March Madness Saturday (March 9, 2024) was a joyful day to be with other Jaguar loving friends, all anticipating a beautiful easy drive up the mountains above Santa Cruz. The morning began with 46 folks devouring four dozen jumbo delicious doughnuts provided by John Swensson. As members checked out the 24 Jaguars assembled, they also got to meet 5 new members, all before an enthusiastic driver meeting. Dwayne Chapman and Bruce Burtch were on their second drive. Looking forward to their first drive was Eugenio Jauregui and Raymond & Jamie Soletto from Fresno. What a wonderful group!

So, we all headed up the hill onto Highland Avenue toward the Felton Empire Road, for ten miles of continuous curvy turns and beautiful scenery. As we came around one turn there was a running waterfall. Along with interesting scenery we also entered the fire damaged area of the forest. We were almost to Sandor's house in Bonnie Doon when the road turned in a sharp and serious seven-mile winding downhill to Felton. After Felton we took Mt. Hermon Road and 17 to Nonno's BBQ in Redwood Estates.

Nonno's did not disappoint!! We built a fire while they were setting up (as we had arrived early) and in very short order we had a wonderful fire. Lunch included a magnificent salad bar and five different delicious pizzas—all we could eat—just like the donuts.

Ben and Denise won best license plate (4PLAYx2) and they parked next to a very interesting E-Type Coupe Rallye car (check out the photo) driven by Dave Ferguson. It had a factory-built aluminum engine with an aluminum head, side exhausts and hundreds of thousands of miles in many, many rallies—including our March Madness. After lunch everyone introduced themselves and their Jaguar to the group. But no one was in any hurry to leave as Jaguar Conversations continued long past lunch. It was a great day with wonderful people...

MOSS BEACH DISTILLERY

Exercise your CAT and have brunch at the Moss Beach Distillery April 7

Join us for our third drive of the year followed by a display of our cats in the parking lot and then a delicious brunch in the Fitzgerald Room with spectacular ocean views. We will meet at four Bay Area locations to caravan to the Moss Beach Distillery located at 140 Beach Way, Moss Beach. During Prohibition it was an ideal spot for rum running and bootleggers and became a “speakeasy” establishment. The restaurant is located on a cliff above a secluded beach with fabulous views. It is also famous both because mystery writer Dashiell Hammett was a frequent visitor and used it as a setting for his detective stories and because long time JAG member Bernie Stein worked there in his teens! We will assemble in the parking lot south of the entrance by 10:30 to exhibit our CATS and socialize with brunch starting at 11:00.

The brunch includes:

- Fresh baked pastries (unlimited supply)
- Fruit cup
- A bottomless glass of orange juice, sparkling wine, or Mimosas
- Coffee or tea and soft drinks
- #1: **Coastal Crab Cake Benedict**- two crab cakes topped with poached eggs and hollandaise. Served with homestyle potatoes.
- #2 **Grilled Pork Chop and Eggs**- One pork chop marinated in chimichurri with a mustard sauce, accompanied by eggs scrambled with parmesan cheese and artichoke hearts. Served with homestyle potatoes.
- #3 **California Coastal Omelet**- Three egg omelet with chopped prawns, tomato, avocado, scallions, Monterey jack cheese, topped with a bay spice aioli, Served with homestyle potatoes.
- #4 **Petrale Sole Fillet**- Pan seared Petrale Sole Fillet topped with toasted almonds and a citrus beurre blanc. Served with homestyle potatoes and seasonal vegetables.

Because of the popularity of this event and the fact that our room only holds 50 people, you’ll need to make your reservations early. While some may feel this is a steep price to pay for brunch, the food is delicious and plentiful, the view is spectacular, and the fellowship can’t be beat. So, sign up on the website or use the form included.

CalClubs Carmel 2024

by Kristan Neubecker

You are hereby officially invited to Carmel by the Sea October 24th through October 27th, 2024. Registration opens in April on our award-winning website www.jags.org (Congrats again Tom!!)

Les Hamilton, Linda Humber and Kristan Neubecker are working on an incredible weekend of events planned with amazing surprises along the way you certainly will not want to miss!

Not only will events be in beautiful locations, this weekend is a nod to our founders as we kick off JAG's 70th anniversary with local ties and make new history with several events and surprises yet to be divulged.

Each day will begin at a reasonable hour from a very easily accessible location with Starbucks, Safeway, Pet Food Express, Ace Hardware, and CVS etc. within walking distance. We have specifically not set "a" hotel for those who may want to commute and also because we know everyone has their own favorite places on the Monterey Peninsula, so you are free to stay at your favorite location.

Being Carmel, of course every event except Thursday's lunch at Nepenthe (their rules not ours) will be dog friendly – for those who aren't familiar with Carmel, Doris Day and her Cypress Inn hotel started what we now know Carmel to be the first and most dog friendly city in the entire US.

If you can only choose to participate in one event, I would strongly

The poster features the Jaguar Club logo at the top, which is a red oval with a yellow border containing a black jaguar silhouette and the text 'JAGUARS' and 'Since 1943'. Below the logo, the title 'CalClubs Carmel 2024' is written in a large, elegant cursive font. The background of the poster is a scenic view of a beach with blue water and a clear sky, with palm fronds visible in the upper right corner. The event schedule is listed in bold, dark brown text, followed by details for each day in a lighter brown font. At the bottom, there is a QR code and the registration website.

2024 AGM

by Phil Endliss

Every year, Jaguar Clubs of North America (JCNA) holds an annual general meeting (AGM) and this year it was held in Charleston, NC. Every club can send two representatives and our club was represented by John Swensson and Phil Endliss along with Les Hamilton who was both the Southwest Region Director and JCNA Past President. The main thrust of the meeting covers the operations of JCNA, particularly the intricate details of Concours. This year there was also a vote for a new President and Vice President.

The local club provided some activities which allow the representatives to learn more about the area while getting to know the other reps and learning things they do to make their club interesting and grow. This year we were taken to RK Motors, a shop which restores cars and creates very high level restomodded cars to the highest level. Not only were we able to view their collection of American cars for sale but we were also treated to a visit to the owners' private collection. This separate warehouse had scores of exotic cars including a large selection of Ferraris along with the Ford GT40 featured in the movie Ford vs Ferrari that won the 1966 Lemans race. After the tour we were treated to a BBQ lunch and then whisked off to the Nascar Hall of Fame. There we were able to view many famous race cars that were positioned on a simulated track with varying inclination up to 34 degrees demonstrating the severe banking on some tracks. There were also track samples from all the Nascar tracks showing the widely varying surfaces.

JCNA visits NASCAR.

Photo by Phil Endliss

That evening we had a reception dinner in the Hall of Fame with guest speakers who discussed the history of Nascar. After the general meeting on Saturday, we met for a banquet dinner where various awards were presented including one for best web site which was won by our own Tom O'Neill!

Next year's AGM will be in Philadelphia.

Mark Mayuga resigned his positions as chair of the JCNA Membership, Marketing and IJF Committees.
