Good Food, Good Friends Will Be a Part of JCOP Picnic Sunday, May 19

The Roosevelt Shelter at North Park will be the place to be starting at 1 p.m. on Sunday, May 19, when the Jaguar Club of Pittsburgh sponsors its annual picnic.

JCOP President Stu Benson reminds members that reservations are due to him ASAP to beat the May 10 deadline for attending this special family event.

See pages 4-7 for the reservation form, more details and directions to the picnic site at North Park.

Hope to see you there!

JCOP members and families enjoyed the good food and fellowship at last year's JCOP picnic.

JCOP Members Attend Hahn Auto Restoration Open House

Several JCOP members joined Amy Beck, owner of Hahn Auto Restoration and fellow club member, on April 27 to celebrate the opening of a new, larger, enhanced shop facility located at 467 Brownsdale Road in Renfrew, Pa.

For Rich Aronson's article about the event accompanied by photos taken by Stu Benson, Ken Como and Dolly Taskey, please see pages 8 and 9.

Shifting Gears: **President's Perspective** **Stu Benson**

I think I have Spring Fever. No, I *do* have Spring Fever. As I admit these thoughts, on paper, near the end of April I cannot help but recall how awful the April weather has been so far. April was one of, if not the, rainiest Aprils in history in Western Pennsylvania and coupled with some cold snaps it was not a favorable month to get cars out on the road from winter storage. And with mother nature seemingly saving her worst weather for weekends, I have to just say “La Nina, El Nino, global warming-smarming”, I am ready to enjoy “Zoom, Zoom. GRRROWWWLL” of my Jaguars (or any other car for that matter). It’s time.

JCOP has not been “crying in the back room” despite the weather so far (although the forecast for the last weekend of April is quite nice it seems some years we go from winter almost into summer with a bypass of spring). JCOP had another great Saturday morning Tech Session at Gary Kincel’s garage on April 6. We were welcomed by Amy Hahn at the new (and beautifully functional) Hahn Auto Restoration facility in Renfrew, PA for a most enjoyable Open House event on Saturday, April 27. And our JCOP Picnic is right around the corner on Sunday, May 19: you really must make an effort to be there to enjoy a great time with great people and wonderful food. Please make it a point to complete and transmit the Registration form to me ASAP upon reading this edition of Jaguar Jargon. Articles about all of the above are in this May Jargon.

Your Board of Directors had a lengthy meeting on April 22 but it was not because of any real problems needing to be solved but rather because the Directors were happy and engaged with some new formats of financial operations and reporting for the club as well as reviewing and approving budgets for various upcoming events. I provided a detailed summary of the JCNA Annual General Meeting in Charlotte, NC that I attended in March where our JCOP Directors were most interested in hearing about many of the details. JCNA has a new President, J.J. Keig (from Texas) and a new Vice-President, Craig Kerins (while now a Florida resident, Craig grew up in Pittsburgh). And Mike Tranovich, who is a long-time Western Pennsylvanian (and remains a JCOP member) but also now resides in Florida, is a new Southeastern Regional

Director for JCNA. So there really is a more significant Western PA connection with JCNA management than there has been for some years. Both Craig Kerins and Mike Tranovich are retired Orthopaedic Surgeons who met while doing their residency together years ago at the then-named Presbyterian Hospital in Oakland.

The JCOP Veterans Show will be on Saturday, June 22 at the Southwestern Veterans’ Center near the Highland Park area of Pittsburgh. With JCOP partnering with Steel Town Corvette Club for this year’s event, let’s have a great JCOP turnout. Bring any vehicle you think that disabled veterans would like to see or might jog their memories to want to talk about. Please register for this event per Tom Nuhfer’s article. And Steel Town Corvette Club is inviting JCOP to once again attend the Ashton Commons Senior Living Car Show on Saturday, June 29; please see the announcement included in this May Jargon. It is special to bring any cars you wish there to welcome the residents of Ashton Commons along with their children and grandchildren where the cars become a special focus for a social event the seniors – and everyone- love. All members are invited to plan an event, even if it is just a drive somewhere. Please coordinate any ideas with either VP Rich Aronson and/or me. We welcome events but want to avoid conflicts with other events that are listed on the Events page of this and other editions of the Jaguar Jargon. On August 10 we have the Sewickley Car Show, September 14 brings the JCOP Concours at Fox Chapel Yacht Club, and we still hold out hope for getting a permit from Allegheny County to reprise the British Cars at Hartwood Mansion in October (this latter is a work in progress with the Director of Parks for Allegheny County).

So what are you doing about your Spring Fever? I respectfully commend you sign up for JCOP events and enjoy the Zoom, Zoom, GRRROWWWLL. And I promise if you give it a chance, you will have a lot of fun and enjoy a lot of really nice people. And food!

JCOP Picnic Sunday, May 19, 2024 @ 1:00 PM

Another wonderful JCOP picnic will occur on Sunday, May 19, 2024 starting at 1:00 PM. **It will be held in North Park at the Roosevelt Shelter**, which has been reserved for JCOP. There is excellent parking immediately adjacent to the shelter where our members can display their vehicles and everyone can convene. Real “running water” rest rooms are also adjacent to the parking area and this is the same location of the picnic from last year that everyone enjoyed so much. It is promised the food will be excellent and the charge to each member is most reasonable. The Club is going to subsidize the cost such that any attendee will certainly get a broad range of excellent food from which to choose that one could not even make themselves for what anyone would pay.

In order to assist with the planning, you are being asked to RSVP to Stu Benson as soon as you reasonably can do so regarding your intentions. Stu needs to know by May 10, 2024 how many people are coming in order to best have sufficient food and drink on hand. Feel free to bring or invite guests. You are invited to bring anything of interest to show or discuss in addition to your Jaguar. For example, collector nonpareil Fred Segal has brought model planes and maybe will bring an antique radio or something else from his diverse collections that would be of interest for others to see.

Pre-payment will be necessary by mailing it to Stu Benson. The cost is only \$17.50 per adult with children under 12 years of age being able to attend for no charge. If someone has dietary restrictions, feel free to share them with Stu ASAP.

Members are being asked to bring a dessert if they can; please mark your name on the dessert and identify what it is so everyone knows who brought it if anyone has any questions about what it contains. Last year there were some really tasty desserts and folks wanted to ask for the recipes but did not know who to ask.

Everyone can rest assured they will not be disappointed with the picnic food being served and the camaraderie. A beautiful location, great parking, excellent food, wonderful company, Jaguars (or other marques as well), the end of May: what could be better? Take home containers will again be available so folks can take home leftovers at the end of the picnic if they so desire. So rev up those appetites and get your Registration form and payment to Stu Benson ASAP! Don't put doing this aside, in a pile to get to later, but do it now while your taste buds are salivating so Stu has your reservations by May 10. Call or email Stu if you are mailing near the deadline so he knows what is coming. You will be happy you did so.

DIRECTIONS TO JCOP MAY 19, 2024 PICNIC @ ROOSEVELT SHELTER IN NORTH PARK

Roosevelt Shelter is located on Walter Road in North Park. While there are many ways to get there (one can use MapQuest or some other GPS navigation tool [although in previous years a couple folks said their GPS directions were awful] or access the North Park map on the Allegheny County Parks website), some suggested Directions are provided for convenience below but in all instances the Speed Limit in North Park is 25 mph unless marked lower and it is strongly recommended you obey the posted limit. **Please do not park in the spaces in front of the entry to the shelter since those spaces are reserved for the Zappa and Benson vehicles to unload a lot of things for the picnic, including the food which is coming right before 1:00 PM.**

If you are coming from the North

If you are coming south down Rt. 8, please know that this year the bridge that was closed in 2023 on Wildwood Road is now open so one can go directly on Wildwood Road into North Park. As one drives west on Wildwood Road from Rt. 8, keep going straight into North Park where the name of the road changes to E. Ingomar Road right after an Exxon Gas Station on your right. Go straight past the stoplight at Babcock Boulevard (where the Lake will come into view). Proceed to the next stoplight and turn RIGHT onto Kummer Road. After only a few yards, take the first RIGHT Turn onto Lake Shore Drive. The road splits almost immediately and you will bear LEFT onto Walter Road. Go past the first few buildings and up a hill and when you come to what appears to be an old church on your left, Roosevelt Shelter will appear on your right. Pull into the parking area and park on the side of the lot by Roosevelt Shelter but not right next to it since we will want some open space to get in and out of the lot and for deliveries of food, etc. If you are coming south down Rt. 19/McKnight Road, stay on McKnight Road where Rt. 19 splits off and you will immediately come to the Pine Creek Shopping Center on your right (where there is a Target Store and Giant Eagle). Go straight past the first light where there is a Walgreen's but get in the left lane and then the left turning lane for the next stoplight across from where there was a PNC Bank branch and there is the Giant Eagle and a KFC franchise. Turn LEFT onto Blazier Drive and follow that until it "T's" out at E. Ingomar Road. Turn LEFT onto E. Ingomar Road. Go until the stoplight at Kummer Road. Turn LEFT onto Kummer Road. After only a few yards, take the first RIGHT Turn onto Lake Shore Drive. The road splits almost immediately and you will bear LEFT onto Walter Road. Go past the first few buildings and up a hill and when you come to what appears to be an old church on your left, Roosevelt Shelter will appear on your right. Pull into the parking area and park on the side of the lot by Roosevelt Shelter but not right next to it since we will want some open space to get in and out of the lot and for deliveries of food, etc.

If you are coming from the South or East, get to either Rt. 8 or Rt19/McKight Road.

If you are coming North on Rt. 8, go to Wildwood Road (where there is a BP Gas Station and McDonalds on your right at the intersection). Turn LEFT onto Wildwood Road. Keep going on Wildwood Road and keep going into North Park where the name of the road changes to E. Ingomar Road right after an Exxon Gas Station on your right. Go straight past the stoplight at Babcock Boulevard (where the Lake will come into view). Proceed to the next stoplight and turn RIGHT onto Kummer Road. After only a few yards, take the first RIGHT Turn onto Lake Shore Drive. The road splits almost immediately and you will bear LEFT onto Walter Road. Go past the first few buildings and up a hill and when you come to what appears to be an old church on your left, Roosevelt Shelter will appear on your right. Pull into the parking area and park on the side of the lot by Roosevelt Shelter but not right next to it since we will want some open space to get in and out of the lot and for deliveries of food, etc.

(Continued)

DIRECTIONS TO JCOP MAY 19, 2024 PICNIC @ ROOSEVELT SHELTER IN NORTH PARK

If you are coming North on McKnight Road, go past all the shopping centers and such. When you pass the McCandless Crossings Shopping area, go straight past the stoplight at Cumberland Road. You will then come to one more stoplight and go straight past that and get in the right lane. In about a quarter mile or so, you will see a sign that says to bear right to Hampton Township. Take that ramp to the right and it will bring you onto E. Ingomar Road. Go to the second stoplight and that will be at the intersection of Kummer Road. Turn LEFT onto Kummer Road. After only a few yards, take the first RIGHT Turn onto Lake Shore Drive. The road splits almost immediately and you will bear LEFT onto Walter Road. Go past the first few buildings and up a hill and when you come to what appears to be an old church on your left, Roosevelt Shelter will appear on your right. Pull into the parking area and park on the side of the lot by Roosevelt Shelter but not right next to it since we will want some open space to get in and out of the lot and for deliveries of food, etc.

If you are coming from the West or any other area not specifically noted above, either check a map to see how to get to one of the above locations and then proceed per the directions or call Stu Benson ahead of time and he can tell you how to best get to the picnic location. For example, if one is coming North on I-79, there is a right lane of the exit so as to then turn right onto Rt. 910 and immediately take the first RIGHT turn onto Brandt School Road. Follow this road until you turn left onto Pine Creek Road and take that until you get to the Pine Creek Shopping Center where you will see a Target store ahead. At a stop sign just past Walgreen's, turn left and then immediately turn RIGHT at the light onto McKnight Road. Go past the shopping center on your right and go to the next stop light and turn Left onto Blazier Drive. Follow Blazier Drive until you come to stop light and turn LEFT onto East Ingomar Road. Go to the next stoplight and that will be at the intersection of Kummer Road. Turn LEFT onto Kummer Road. After only a few yards, take the first RIGHT Turn onto Lake Shore Drive. The road splits almost immediately and you will bear LEFT onto Walter Road. Go past the first few buildings and up a hill and when you come to what appears to be an old church on your left, Roosevelt Shelter will appear on your right. Pull into the parking area and park on the side of the lot by Roosevelt Shelter but not right next to it since we will want some open space to get in and out of the lot and for deliveries of food, etc.

JCOP Members Attend Hahn Auto Restoration Open House

Photos by Stu Benson, Ken Como and Dolly Taskey

By Rich Aronson

Several JCOP members joined Amy Beck, owner of Hahn Auto Restoration and fellow JCOP member, *(in photo at top left)*, to celebrate the opening of the new shop site located at 467 Brownsdale Road in Renfrew, Pa. We were accompanied by several other contacts, customers of Hahn and diverse car clubs on Saturday, April 27.

Amy and her expert tech team hosted tours, explanations and discussions about the expanded operation. There were 14 customer car projects on display in various stages throughout the newly outfitted shop making a fascinating morning.

The range of cars on the floor included a rare one family-owned early Lamborghini Espada in complete but pre-resto condition, a competed large block 1967 Corvette, a 1974 Cadillac Eldorado convertible and our own Ken Como's 1954 XK-120 OTS in final primer over prepared body on frame just about ready for color finishing!

It was fun to observe and share the busy parking area with over 25 BMWs and several vintage Fords that also arrived at the same time JCOP did despite the rainy morning.

Additional photos from our Tour of Hahn Auto Restoration Facility are available on the JCOP website, jaguarclubofpittsburgh.org/photogallery

Congratulations to Amy and her crew led by Adam Abbot who conducted such a festive and interesting session demonstrating not only special cars in various stages of restoration progress but also the new advantages and efficiencies of the larger, well-designed shop! The day was concluded by a delicious lunch at Serventi's, a wonderful Italian restaurant located directly adjacent to an active runway of the nearby Butler airport complete with landing and take-off activity. We feasted on our huge meatloaf, sandwiches, pasta and fried zucchini together sharing and showing pictures of our own car projects, recent acquisitions and developments. Conversation even extended to the skills necessary to drive a Divco milk delivery dairy truck while standing piloted by coincidence, yours truly and John Putzier years ago! A good time was had by all – In attendance were Stu Benson, Chuck Pipich, Ken and Linda Como, new member Vic Panza, Kurt Garrison, John Putzier, Dolly Taskey, Dave Gamret and Rich Aronson.

Jaguar Club of Pittsburgh/ Steel Town Corvette Club Veterans Show Saturday, June 15, 10 a.m. to 2 p.m., Southwestern Veterans Center

By Tom Nuhfer

The Southwestern Veterans Center requested that the Jaguar Club of Pittsburgh hold a car show to engage the disabled veterans at the Southwestern Veterans Center, located in the Highland Park area of Pittsburgh, 7060 Highland Drive, Pittsburgh, PA 15206. This is just off of Washington Boulevard, up the hill from the old State Police barracks.

The Jaguar Club of Pittsburgh (JCOP) agreed to sponsor this car show and enlisted the partnership of Steel Town Corvette Club (STCC) to show the support for the disabled veterans by the members of these clubs and the appreciation we all have for the service to our country provided by all veterans.

Veterans enjoyed seeing the cars at the 2022 Veterans Show. More photos from past shows are in the Photo Gallery at jaguarclubofpittsburgh.org (Thanks to Dolly Taskey for posting the photos.)

This one-day event on **Saturday, June 15, 2024, from 10 a.m. to 2 p.m.**, provides the disabled veterans a view of a range of remarkable cars and an opportunity to meet and talk with the car owners. Many of the veterans are in wheelchairs and require volunteers to help them navigate and view the show. The veterans appreciate the span of years represented by the production of the cars, and many of them fondly remember and talk about the cars that they have owned throughout those years or enjoyed with their friends. This Veterans Car Show gives the two clubs an opportunity to show the disabled Veterans that they are not forgotten and for us show our support for their service.

To encourage the club members to bring their cars and attend with family members to engage with the veterans, the show will not require any fees or charges to be paid by anyone in attendance. Moreover, JCOP and STCC intend to provide favors for the veterans and box lunches for the show participants. Any sponsorships that can be provided to support the Veterans Show would be very helpful and directly benefit disabled veterans. Moreover, “spreading the word” about this show to encourage any veteran to come and engage with the residents of the Southwestern Veterans Center is important. And any such veteran is merely asked to advise Tom Nuhfer by June 1 if they wish to bring a car so arrangements can be made to have a lunch for them.

Any sponsorship check should be made payable to: Jaguar Club of Pittsburgh and mailed to Tom Nuhfer, 216 Falconhurst Drive North, Pittsburgh, PA 15238

Contact Tom Nuhfer at tnoel06@gmail.com or (mobile) 412-999-6616.

Report from JCOP Tech Session April 6, 2024

By Gary Kincel

I must admit that if we did little or no work on the 1947 Jaguar MKIV project car that was donated recently to the Coventry Foundation, I would not miss an opportunity to host Jaguar Club of Pittsburgh for these Saturday morning "Tech Sessions". The camaraderie, conversation, coffee and doughnuts and quality time spent with friends would make the day memorable, even if we accomplished not much in the way of progress on the MK IV restoration project.

This April 6th Saturday was a good one for both work and camaraderie. The morning was a bit cool but quickly warmed and the sun was out as people started to arrive. Cousin George showed up with his heavy-duty van ready to move my enclosed trailer to the main door to be unloaded which he quickly executed with precision; his top-notch expertise in maneuvering the trailer was commented upon by all. I moved a few cars outside in advance so we could access my homemade dumb waiter that would allow movement of parts and pieces upstairs for storage until needed later in the project. As the JCOP crew arrived, the day's work began first moving all the parts and pieces that were stored in and around the car in the trailer to my upstairs storage area with help from all and with Tom Uehling doing the upstairs unload with me. With that task complete it was time to move the car from the trailer to a more permanent home.

Since the entire front of the car was removed by the donor including the front wheels, it took all hands and some creative thinking to move the car on dollies from the trailer to the more permanent home inside the garage for the next phase of the project. Meanwhile Cousin George along with Tom Nuhfer and others began the work of final disassembly of the 3.5L motor in preparation for delivery to the machine shop (which George completed the following Monday).

Report From JCOP Tech Session April 6, 2024

Any number of JCOP members were most interested to have George provide explanations of what he was doing with the engine disassembly and the various tools he had to use to accomplish this task. Many members commented as to how educational it was to watch the process and have George provide an ongoing explanation of many different engine components and function. Many questions were asked and answered including what would need to be done to be able to reassemble a restored engine.

As normal with these sessions, a lot was accomplished in what seemed like a small amount of time. Having so many talented car people there always makes the task manageable and efficient.

It was noted that our big picture goal for this project is to keep it as original as possible, recognizing that it came to us in unusually good condition for a 75-year-old car that had been partially disassembled over 60 years ago.

Next steps for this project will be to begin the motor rebuild when the block and head are back from the machine shop, and to start moving forward with body and paint work. I look forward to future sessions as the club schedule allows to continue making progress on this project, and we could even uncover the pool table and put out the cornhole game for a little distraction from the project. I cannot thank the Jaguar Club of Pittsburgh along with leadership and members enough for the ongoing support of the Coventry Foundation financially and with volunteers for projects when needed.

Vintage Car Show Ashton Commons Senior Living

Submitted By *Dave & Carol Seibel*

Steel Town Corvette Club is once again going to help organize and assist with Ashton Commons Assisted Living and Memory Care 2nd Annual Car Show on June 29th, 2024 from 10:00 am – 2:00 pm located at 551 Cooper Street. Wexford. PA 15090.

We have invited the Jaguar Club of Pittsburgh, Pittsburgh Cars Club, North Hills Antique Car Club, PACE Camaro Club, and Three Rivers Corvette Club to participate with us. Ashton Commons is holding this Car Show to support a fund raiser for the Alzheimers' Association. Come out and support this fund raiser so their residents can enjoy all of our vehicles like they did last year. Ashton Commons had a lot of positive feedback from their residents and people coming to the show along with all the clubs and local car enthusiasts showing their custom and vintage vehicles.

At the show there will be food trucks, Brusters Ice Cream Truck, a DJ playing Oldies, a Chinese Auction, Bake Sale, and a 50/50 drawing. Come and join the fun while we have a chance to help the residents have a good day outside in the sun enjoying all our cars, interacting with us, telling them about our cars and our club.

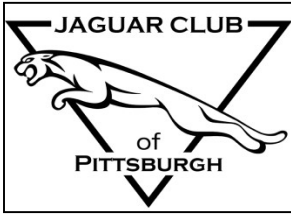

Thanks for participating.

NEWS FROM JCNA

A note from J.J. Keig, incoming president, Jaguar Clubs of North America

It is with deep regret that the **2024 International Jaguar Festival** originally planned for Flagstaff, Arizona, has been cancelled. As the incoming President of JCNA, I strongly supported this event that was originally scheduled this year for September. Unfortunately, despite extraordinary efforts, we have been unable to coordinate appropriate hotel lodging and venue space that would be suitable for both the Concours and Slalom events with all the amenities for a safe, affordable, and enjoyable event. The cancellation decision was made by both the Executive Committee and the Board of JCNA after much consideration and discussion.

Please accept my sincere apologies for any disruption to plans this may have caused.

JAGUAR SERVICE PROVIDER DIRECTORY

Did you have some work done on your Jaguar over the winter months and you're really happy with the result? Did you locate some parts for your car that were hard to find? It's time to share your knowledge with your fellow club members. Everyone needs a little help once in a while finding that elusive component or skilled technician. We have a comprehensive Service Directory on our website for just this purpose. Check it out under the "More" tab at: <http://www.jaguarclubofpittsburgh.com/>

Here is a sample entry for a business that rebuilds electrical equipment:

BUSINESS	COMMENTS
ELECTRICAL	
Rubino Electric 126 Main Street New Eagle, PA 15067 724-258-3204 Talk to Richard	<u>12/15/15</u> : Vintage repair shop for electric motors, generators, starters, etc. Very reasonable prices. Dave Gamret

Entries are grouped in categories such as General Parts, General Service, Engine, Body Exterior and Trim, Electrical, etc. as seen above. In order to be included, the supplier must be recommended by a club member who has had a positive experience with that supplier.

To add a supplier to the list, send me the following:

- Name, address, phone number, website (if applicable) and contact person (if applicable)
- Discounts available to club members, if any
- Date the service or parts were received
- Member comments
- Member name

I'll add it to the directory in the above format so other club members can find the supplier, ask for any discounts available, know how old the recommendation is, see specific comments and have a fellow member's name to contact with any further questions.

This can be a great resource if we all share our experiences. I look forward to hearing from you to add to our collective wealth of recommended suppliers.
