Drive to Oakley Diner April 19

Spring is here, and it's time to wake up our feline friends from their winter slumber! Let's take them on a fun adventure to Oakley for a delicious lunch at the Oakley Diner. We'll meet at the Walmart on Parleys Way at 10:45 a.m. sharp. Then, we'll hit the road at 11 a.m. and drive up Parleys Canyon to Oakley. The drive should take about 40 minutes, so we'll arrive around 12 p.m. We'd love to see you and your Jag join us on the drive. For those who prefer to meet us at the diner, please let us know by Friday evening so we can plan accordingly. Looking forward to seeing you all there!

Walmart Supercenter
2705 E. Parleys Way,
Salt Lake city, UT 84109

Oakley Diner
981 W. Weber Canyon Rd.
Oakley, UT 84055

May 2025 Event Reminder

As a friendly reminder, for those members interested in attending the tour at the Wendover Airfield, there are still a few tickets available, but we're not sure how long they'll last. We strongly recommend that you purchase the tickets as soon as possible. For more information about the tour, you can refer to page 2 of the March newsletter or visit wendoverairfield.org under the "Visit" tab and select "All Access Tour." Once you've obtained your tickets, please send an email to Karl Hendrickson at karl.hendrickson@comcast.net so we can keep track of the number of attendees.

British Field Day

This year British Field Day will be on June 21 for those member interested in going. You can find complete information on BFD and the registration form can be found on www.britishfieldday.com

Membership Information pages

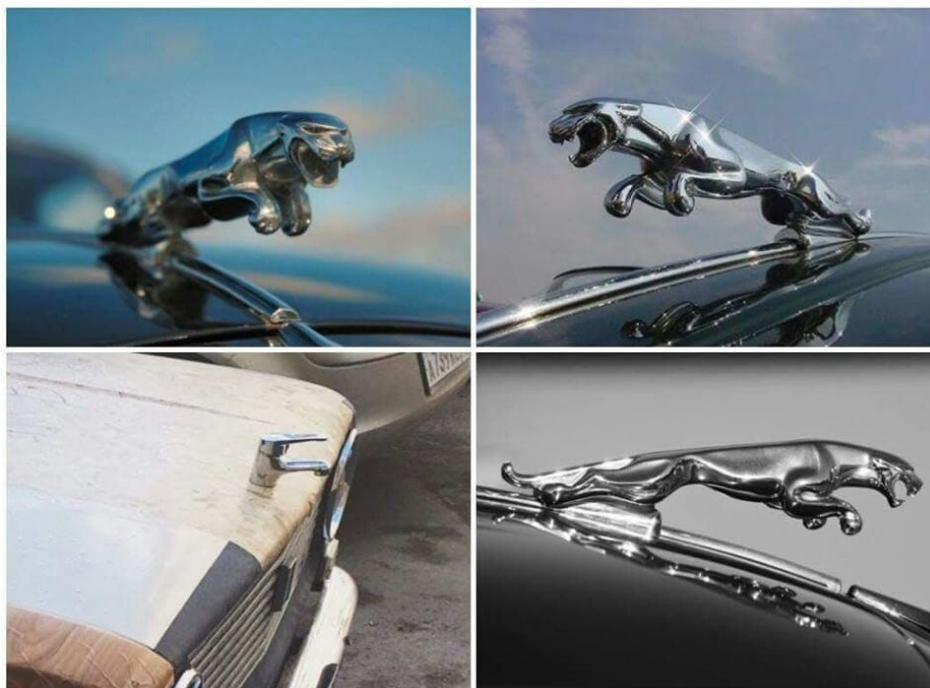

I've added some new pages to the WMJR website. One page has all the details about what you get with your membership to WMJR/JCNA. The other page is for members to update their information with the club. This way, we'll have the most up-to-date info so you don't miss out on any exciting club events!

August event

In August, the club is thinking about visiting The High West Distillery in Wanship, Utah. They have different ways to tour the distillery, from a general tour to a private group tour. The WMJR board wants to know how many members would be interested in going on a tour of the distillery. That way, we can figure out the best plan for the club. The distillery does offer tastings of the whiskey, but do you have to do the tastings to take the tour?

We will be sending out an email on April 4 that we would like to have all members reply to ASAP on whether or not they are interested in the tour.

Cat Dance Film Festival

Light Camera Action! On March 8th, the WMJR finally fulfilled the long-awaited request to bring back the Cat Dance Film Festival. This year, the festival was hosted by the dynamic duo of Jim and Hermione Klekas. Hermione treated us to a delectable feast of Pastitsio (Greek lasagna) and Greek salad, while members generously brought a diverse array of movie snacks and sides.

The night unfolded with three captivating films. The first screening was “C’était un rendez-vous” from 1976. This film transports us to the streets of Paris early on a Sunday morning, where a Ferrari speeds through the city.

The second film, “The 7 Wonders of the Automobile,” aired on the Discovery Channel in 2004. This film delves into the world of cars featuring the most iconic and influential cars in history, exploring their design, engineering, and cultural impact. One of the cars featured in the movie is the XK120. The film features some of the members of the WMJR and their cars at the Concours d’Elegance at The Homestead in Midway from 2003.

The final film of the night was “The Long Good Friday” from 1980. Set in late 1979, this movie features a stunning 1978 Jaguar XJ6 Series II, alongside a diverse collection of British and European cars. From Rolls-Royce, Land Rover and Vauxhall, to Austin, Citroën, and Renault.

Members who attended where Jim and Hermione Klekas, Karl and Jean Hendrickson, Ken and JoAnn Borg, Liz Green, Mike Susie and Tess Cady, James and Susan Jennings, Jackson Jennings, Tony VanDerHeyden, Henry and Chris Morrison, and David Hobson and Edie Pike.
