## President's Letter

Vince,

Many thanks for covering the meeting for me last Tuesday. I wish my trip up north was under better circumstances but such is life. The silver lining was that I was able to reconnect with many old friends from my youth growing up in Central Montana. I had planned to be at the English Motoring Conclave last weekend but I had a conflict that negated that. I am excited about the Telluride Autumn Festival and I am definitely on for that one. Again, many thanks.

**Tom**

## Past President's Letter

A warm and pleasant evening greeted some 24 Jaguar lovers as they assembled at the Blue Bonnet restaurant on Tuesday September 9th to attend the September 2025 monthly meeting of the Rocky Mountain Jaguar Club. The meeting was called to order by Past President Vince Lane as several current club officers and board members were unable to attend this month's festivities. While no new vehicles were mentioned, Wayne and Debbie Anderson were pleased to advise that their 1990 XJS convertible is once again on the road having received a transmission transplant courtesy of Jeff Schroeder.

The recent events report included this year's Morgan Adams Concours on August 23rd with Jaguars being this year's featured Marque. Mike Ramirez and Chris Barrington discussed the highlights which included a red carpet runway flanked on each side by a dozen or so gorgeous Big Cats most of which belong to our club members. A reminder to everyone to check out the September newsletter for the great spread of pictures of the event taken by Mike Ramirez.

Upcoming events mentioned included the Colorado Grand in Vail on Sept. 12th and 13th; the "British Conclave" on the 13th and 14th; the Colorado Scottish Festival on the 21st and the Denver Round Table's "Bids for the Kids" on Sept 26th at the Denver Country Club. Vince reminded all that this annual event supports 1 of our 2 "designated charities."

Deb Ramirez reported that we will again provide sandwiches, water and soft drinks as well as tables and canopies for the club lunch at the Conclave on Sunday the

14th and suggested that those attending each bring a salad, snacks or desert along with folding chairs. Deb also reminded everyone that the Fall Drive is Saturday, October 11th. We will meet at Steve and Deanie's for coffee and treats around 8:30 and motor up promptly at 9:15 to Nederland to ride the Carousel of Happiness. RSVP to Deanie, [dkennedy@ecentral.com](mailto:dkennedy@ecentral.com), 303-0489-3944, by Oct. 3rd and bring \$5.00. This year's Telluride Autumn Classic is the 26th through the 28th of September and Jaguar is the featured Marque. President Tom Estes, Mike and Deb Ramirez and Steve Parker are among those attending. This year's International Jaguar Festival is the 26th through the 29th of September in Atlanta and that Steve and Deanie will be attending. Details for all of the above events are in the September edition of the Cat Tales and that next month's meeting is Tuesday, October 14th where we will discuss the slate of candidates for the club elections held in November.

The meeting ended with Secretary Bill Beeson's wonderful presentation highlighting 10 of the rarest Jaguars ever made.

## Fall Drive

The Fall Drive will be on Saturday October 11th. It will start at the Kennedy's for Coffee and some breakfast treats. We will leave sharply at 9:15. We are headed on a pretty drive to the Carousel of

Happiness in Nederland. If you don't know the story a little bit of the story is below, you can go to their web site [carousellofhappiness.org](http://carousellofhappiness.org) to read more. The cost per person is \$5.00 for the Carousel ride and parking. I will collect your money that morning so please bring \$5 per person for Coffee. We will then take a drive into Louisville for lunch at about noon. Please RSVP to Deanie by October 3rd, at [dkennedy@ecentral.com](mailto:dkennedy@ecentral.com) or you can text or call 303-489-3944 so I can reserve our spot on the carousel and at the restaurant.

## Conclave photos by Rory

## Cover Photo

This month's cover photo is of Jeff Kern's Series 2 E-Type 2+2. Here is his story.

The E-type is a 1969 SII 2+2. I have had it since October of 2020, and purchased it with 48K miles on the odometer from the estate of the original owners, John and Annie Shaver in Billings, Montana, and am the second owner. I don't know how the car made its way to Montana. The Shaver's were partners in a Chevrolet dealership in Montana, so clearly had an interest in cars.

The Jaguar Daimler Heritage Trust certificate has the car produced April 17, 1969, in Willow Green with black interior trim – all of which remain original today. It was imported through British Leyland in New York, and dispatched to the US on May 29, 1969.

I found the E searching on line in the spring of 2020, trying to decide on how to replace my recently sold Austin Healy BN1. I was looking for a running, numbers matching, driver in original condition and this fit what I wanted. The car had been in storage for about 45 years – the last Conoco oil change sticker which is still on the car is dated 1976. It was in drivable shape (barely), but certainly not dependable.

I bought it and had it delivered to Ted Hummel at Jaguar Denver in October of 2020 to make it drivable– so I have had it almost 5 years. The actual purchase is also an interesting story. But, my goal is to keep it in its original, unrestored, condition (for the most part). I have done a fair amount of minor cosmetic restoration, and some major mechanical restoration not unexpected for the age of the car. I have replaced the weatherstripping and tires (tires were date stamped 1976), upgraded the incandescent bulbs to LEDs, replaced the clutch and brake master as well as front rotors, replaced the water pump, had Mike Eck redo the clock and make it battery (AA) operated, redid the visors and head liner (visors were rotten and the headliner was falling down), replaced the fuel pump and fuel tank sending unit, put on a stainless steel exhaust (had cherry bombs on it), replaced the coil, recovered the dashboard, and replaced the clutch. I think that is the extent of what I want to do to the car. Now I am just going to drive and enjoy it.

*Jeff*

## 2025 Conclave

### Photos by Mark and Bill

Sunday September 14th dawned cool and wet for the participants and attendees of the 42nd annual Colorado English Motoring Conclave. Wet grass, tops up and Jackets on was the order of the day for the early goers. Despite the cool start, however, some 40 Jaguars new and old graced the lawns of Oak Park in Arvada. Fortunately the sun finally appeared creating a comfortable and warm afternoon. As always there were a number of non RMJC folks in attendance with their Jags and club members passed out cards and encouraged them to join us getting several positive responses.

Club members enjoyed our traditional picnic lunch thanks to the hard work of Deb Ramirez who prepared sandwiches for all. Salads, snacks and desserts brought by club members completed our mid day meal. The music of the Beatles provided a great background and was paused only when the Pipe and Drum band saluted us all as it marched up and down the center walkway. A great turnout from all the British car clubs provided a wonderful afternoon of cool car sight seeing along with a number of great Triumph, Norton and BSA motorcycles.

Club members won several of the awards including a special ribbon given to Herb and Kathy Goede for their very neat 1925 Rolls Royce celebrating 100 years of service to its human care takers.

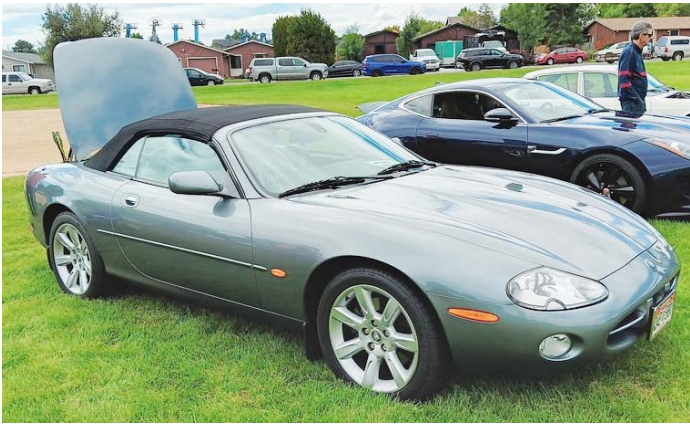

A great time was had by all!
