

## Quick Reference Section G, Note a, Page QR7

**G. Interior Notes:****a. Batteries and Battery Compartments**

Do not judge batteries that are in their own compartment or covered by a factory panel. This includes compartments such as the XK 120, [XK 140 and 150 are already not judged]. For batteries, such as the XJS where the plastic cover is becoming brittle and the XJS Face Lift, where removal of the cover sometimes causes detrition of surrounding areas, and other vehicles where the battery is in its own compartment, the battery is not to be judged. (2024 AGM Rule Change for the 2025 Concours Season)

Batteries are to be judged that are visible when the engine compartment is judged, such as the E-Types or Series 1-2-3 sedans and others, or when the spare tire is being judged after the cover panel is raised, such as with the 2002-2007 XJ sedans. (2024 AGM Rule Change for the 2025 Concours Season)

~~Entrants must be asked to remove the cosmetic or protective covers from the batteries. (Battery covers which are screw fastened or clamped to the battery or its hold down, such as those in the XK 120 (see Note 3 below), must not be removed.) Judge the general area, the battery configuration, its style, cover, the positions and type of its terminals, the visible cables, the battery hold-down and the battery cable-ends.~~

~~(2024 AGM Rule Change for the 2025 Concours Season)~~

**Note 1:** Batteries are **not** judged in the Driven Division

**Note 2:** Configuration refers to "maintaining the original type and placement of battery terminals". The battery must still be capable of being held in place as originally intended by the manufacturer utilizing original equipment brackets and hardware.

~~**Note 3:** XK120 batteries are located behind the seats and must be judged in **Champion Division only**. FHC's and DHC's have a hinged panel, which only the Entrant must unfasten and tip forward to allow the batteries to be inspected. The separate battery cover on the XK 120 OTS must be unfastened only by the Entrant and either tipped forward or removed to allow for battery inspection. The Bakelite battery covers must not be removed. (2024 AGM Rule Change for the 2025 Concours Season)~~

~~**Note 4:** The XK 140 and XK 150 batteries must not be judged because of their location in the wheel wells; however, verification and judging of the crossover battery cable on the bulkhead is required. (2024 AGM Rule Change for the 2025 Concours Season)~~
