Welcome to a new year and a new decade. I am delighted to be your new president and thank everyone who has wished me well.

Our gratitude goes out to Dorothy Smith who has served our club as president extremely well for three years. We wish her and her husband, Howard, health and happiness as they enjoy a well-earned rest from club duties. Now they can concentrate on Howard's surgeries and recovery.

The Board has great plans for the year as usual. There are tech sessions, drives, luncheons, dinners, car shows and more so there is a lot to look forward to. This year we are investigating the possibility of a holding a Slalom or Track Event and a Poker Rally.

So much work goes on behind the scenes for which we need to be thankful. Our First Vice President, Deborah Hartunian, has worked tirelessly to make all the arrangements including bookings, selecting, menus, creating table decorations, make name tags. Les Hamilton, our Second Vice President, supports Deborah and seeks out new sponsors, maintains the website, is replacing the JAG mobile App with a new one, Tapatalk, and keeps us abreast of all the happenings with JCNA. He is also working hard organizing the 2021 AGM which will be sponsored by our club next year. This alone is a huge undertaking. Phil Endliss continues to keep the membership and finances in order with great competence and a smile.

While the club is financially healthy we need to get creative finding ways to increase revenues especially with increases in costs for publishing the JAGazette. Richard Halk has volunteered again to

edit the JAGazette which takes hours every month to produce.

This year we welcome Jack Chevlen as our new Secretary kindly replacing me since I took on the Presidency. He wishes to be known as "Madame Secretary" so you can see he fits right in with his great sense of humor. My husband, George Barry, is still a Director-at-Large along with Ron Laurie and Dave Ferguson. They help organize events and drives using their considerable network of contacts based on years of experience with the club and the community. And last but not least, we have Dorothy as our Immediate Past President who will continue to guide and support us.

My husband has encouraged me to tell a little bit about myself so here goes. I was raised in Australia in a family with three girls and a father that insisted that "Just because you are a girl doesn't mean you can be useless!" So among many things we were required to do was to be competent car drivers. Before we were even allowed to apply for our driver's license, we had to be able to check and change the oil, adjust the idling jet (since we had an old car), change a tire, double-clutch because of course the car was a manual, and back a trailer around a corner! Little did I know that many years later, I would marry someone who was into cars and appreciated these talents.

I hope you all have a wonderful New Year and I look forward to seeing you at many of our events.

JAG in January Technical Session

Images Part Two

Saturday, January 18, 216 Cristic Lane, Campbell CA 95008

In the spring of 2018 Dave Ferguson hosted a very well attended and exciting Tech Session. We had a very interactive session on things to look for when buying or deciding on a restoration for your classic Jaguar.

So to welcome in 2020, we will return to Images for a Technical Session. Dave has invited JAG members and guests to learn about bodywork paint and prep including a visit inside the famous Images paint booth. If interested members wish, they may even try their hand with the paint sprayer.

Once we have depleted Dave's paint stock and found our new "Banksy" we will take a short drive through Los Gatos down highway 17 to the historic CAT'S RESTAURANT. Look for the big CAT Statues! They will be opening up just for US! You will enjoy a delicious lunch of either BBQ Pork Ribs or BBQ Chicken, a whole baked potato, cornbread and coleslaw. It's all SO good!

So sign up quickly.

Editorial

Last month I placed a story that I titled “Guzman, “Me and Cars”. It should have been “Gruzman”, my sincere apology to Mr. Gruzman! I started spelling my name for my teachers in kindergarten but when I got to high school my English teacher, Mr. Jeff Foxworthy, got me straightened out.

If anyone has a comment that they would like to address please feel free to send a “Letter to the Editor.” It helps to get feed back from the members.

On a personal note: I would like to publicly thank Dorothy Smith for all of her help in getting the electronic JAGazette out to the membership. I recently had to go back to my family’s business and was overwhelmed and she stepped up. I am also extremely pleased that her husband Howard has finally started to heal. Dorothy should receive wife of the year award.

Cheers, Rickert Hawk, Eder

**2019 HOLIDAY GALA DINNER**  
**December 7, 2019**

*By Deborah Hartunian*

**D**eborah and Carla Hartunian hosted the last JAG event of 2019, with a beautifully decorated festive and well attended Holiday Gala at the Best Western El Rancho Inn in Millbrae. This anchor event with festively dressed members looking to converse with other fancy dressed members never disappoints. Beautiful table settings, delicious food, music from the Gary Chupa Group, and our new 2020 Board.

As members arrived, they were given personalized name tags, and a free drink ticket to get their night off on the right foot. Appetizers of crab cakes, coconut shrimp and spanakopita went really well with the free drink. The Swimming Pool Bar was the first gathering spot for members catching up on Jaguar conversations. The bar was also the perfect spot to watch the slide show of JAG events that Les had set up which included photos contributed by members. Another year of great events to remember.

After a delicious three course dinner the band provided their great dance music for us to enjoy.

Then the 2020 board elections results were announced by Dorothy Smith (Out-going President). Andrea Berry was announced as our New President, Deborah Hartunian continues as First Vice

President and Les Hamilton as Second Vice President. Jack Cheylen is taking over the Secretary position and Phil Endliss continues as Treasurer. Our Directors at Large are George Barry, Ron Laurie and Dave Ferguson. Richard Halk continues as Jagazette editor.

The sparkly new 2020 Board was presented to the membership and then Dorothy was presented a Special Award for her 3 years of service as President. Attendees donated a large quantity of Soft Toys which over-flowed their display table. Phil and Barbara Endliss will be delivering them to the Stanford Children's Hospital.

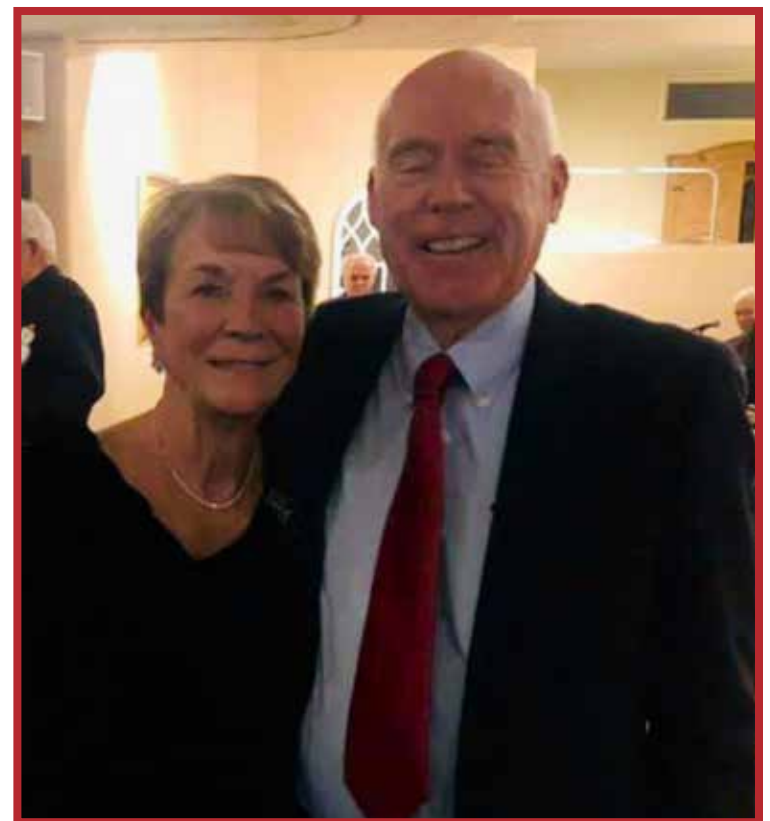

As ever the Gala was a great start to the holiday season. It was a wonderful time to meet friends old and new.

*(continued from page 8)*

## Time to exercise your Cat & enjoy brunch at the Moss Beach Distillery April 5

Join us for our first drive of the year followed by a display of our cats in the parking lot and then a delicious brunch while taking in spectacular ocean views. We'll meet at four Bay Area locations to caravan to the Moss Beach Distillery located at 140 Beach Way, Moss Beach. This will be our fifth trip to this California Point of Interest. The restaurant is located on a cliff above a secluded beach with fabulous views. It's famous both because mystery writer Dashiell Hammett frequented the establishment and used it as a setting for his detective stories and because long time JAG member Bernie Stein worked there in his teens!

We will all assemble in the parking lot south of the entrance by 10:45 to exhibit our Cats and socialize with brunch starting at 11:00. The brunch includes:

- An unlimited supply of fresh baked pastries
- Fruit cup
- A bottomless glass of orange juice, sparkling wine or Mimosas
- Coffee or tea and soft drinks
- Choice of one entrée to be decided at the brunch

Because of the popularity of this event, we'll take up the entire main dining room which can accommodate 64 people. It would be wise to make your reservation early as this event always sells out. Cost for the brunch (including tip & tax) will be the same as last year—\$48 per person. Non-member guests (not including significant others) attending with a member may attend for a \$5 additional fee and will need to sign a JCNA liability waiver. While some might feel this is a steep price to pay for brunch, the food is plentiful and delicious, the view is spectacular and the fellowship can't be beat.

Payment can be made by:

- Check made out to JAG and sent to: JAG Treasurer, 37 Campbell Ln, Menlo Park CA, 94025
- PayPal either through the JAG website [www.jags.org](http://www.jags.org) or by sending money directly through PayPal to [treasurer@jags.org](mailto:treasurer@jags.org)
- Call Phil (650-854-4445) to charge to your credit card

For those wanting to participate in the drive, we'll meet at several locations (South Bay, Peninsula, East Bay and San Francisco) to caravan to the Distillery. The exact locations will be sent to you via email at the beginning of April. Please let the drive leader for the site you'll be joining know you be on their drive. If you drive directly to The Distillery, please allow ample time to arrive by 10:45 as the Sunday beach traffic can be heavy.

## January 2020 Membership Report

Please welcome this new members to JAG

**Russ Barker with his 2012 XKR**

JAG will end 2019 with 224 members. The best way for our membership to grow is through personal referral. If you know anyone with a Jaguar or if you meet someone at a Cars and Coffee or another car show event, let them know about the club. Save your old issues of the JAGazette so you can provide one to someone you meet who might be interested in joining.

### Time to renew your membership for 2020

- The invoice to renew your membership for 2020 will be sent out in early November. Remember, here's what you'll miss if you don't renew:
- A monthly hardcopy and electronic edition of the club's newspaper, the JAGazette
- Free classifieds in the JAGazette and on the JAGS.ORG website
- Extensive monthly program of social events, drives, private auto collections and museums not available to the public, car meets and multi-day trips
- Annual member roster with vehicle information
- Access to a cadre of Jaguar enthusiasts with a wide range of Jaguar experience available for tips and questions
- Member discounts at suppliers and dealers for Jaguar spare parts
- Access to the JAG Mobile App for an up to date event calendar, roster and member blogs
- Access to the JAG Facebook page for member sharing and news
- Jaguar Land Rover special deals for JCNA Members.

The \$75 fee covers both JAG and JCNA dues. Many thanks to those of you who have already sent me your payment. The payment is due by December 31 and can be paid through PayPal (send to treasurer@jags.org), by check made out to JAG and mailed to the address below or by calling me with your credit card information.

**'The Car That Imagines Many Futures'**

**Pop.Up Next**

Four trends promise to completely revolutionise the car. First, a switch to electric engines, which would significantly reduce pollution. Secondly, the driverless car, which could lead to safer and more efficient traffic systems. Third is a shift from car ownership to on-demand services, meaning less wasteful consumption. And finally – the furthest from being realised – is the flying car.

The Pop.Up Next concept car imagines these four ideas combined into one design: it can fly, is electric, autonomous and you book it using your smartphone. But what challenges will we need to overcome for these trends to become reality? And what might the unforeseen impact on our planet be? Future car concepts can't just be considered in isolation, but must be measured by their impact on the modern world.
