

How to Post a Classified Ad on jcna.com

1. Log in with your member number and password. Use "Request New Password" if needed.
2. Select the Classifieds tab in the left hand margin.
3. Navigate to Classifieds and select "Post a Classified Ad."
4. Write title and select the type of Classified you want from the dropdown list.
5. Write your description. Be sure to include year, model, condition, key details, your best contact information, and an asking (or Wanted) price. Formatting options for text style is available to draw attention, but keep it simple.
6. Upload your photos. Add clear, well lit images of the car's exterior, interior, and any important details such as wear, stains, scratches, instrument panels with mileage showing, engine bay, trunk (boot), stitching, extra parts, and so on. If you have trophies, maintenance records, or manuals that will stay with the car, include photos of them.
7. Click "I am not a robot" if prompted and click "Save."
8. Note: Ad duration is typically six months. Please remove your listing once it is not longer available or you may continue to be contacted by (frustrated) viewers.

If you need help, please send an email to Nicole at jaguarjournal@icloud.com with your prepared ad text and photos. I will post it for you. Be sure to include your member number (located on the back of your Jaguar Journal print magazine) -or- be prepared to pay for a commercial online ad.

If you need to mail in a photo and your ad description, please include a self addressed and stamped envelope if you wish to have your photo returned.
