

JCNA AGM / WESTERN STATES MEET 2012

ENTRY FORM INSTRUCTIONS

IMPORTANT: Hagerty Insurance is providing a free roadside assistance and towing package to all entrants driving from their doorstep through the events and back to their doorstep. I must have registrants' names to them 2/2/12. I'll have complete details in a week or so.

À LA CARTE

If you are only participating in the AGM activities or are not purchasing any Western States packages, do the following:

1. Complete the Participant Information section of the form.
2. If you are competing in any JCNA-sanctioned events, complete the Competition Information section.
3. Fill in the appropriate sections of the À la Carte page of the entry form.
4. Total the column and send with your check payable to Jaguar Club of Central Arizona to the address under the Participant Information section.
5. If you are interested in the Bondurant Track Day, please contact Mark directly at agmws12@jcca.us.

NOTE: Pre-AGM and AGM activities up to but not including the AGM Banquet are not part of any package and must be purchased à la carte.

PACKAGES

The package prices are well below the cost of the included events. Thank a sponsor for our ability to present such a great event for so low a cost. If you are purchasing either of the Western States Packages follow these instructions:

1. Complete the Participant Information section of the form.
2. Enter the package quantities and subtotals in the appropriate boxes.
3. If you are competing in any JCNA-sanctioned events, complete the Competition Information section.
4. Enter the quantities for the package items on the À la Carte page but don't enter dollar amounts unless you are adding something extra to the package. We've indicated the items included in the packages with yellow entry fields and a V or C superscript for VIP or Comp Packages.

EXAMPLE: if you are one person bringing one car and are going to compete in the concours, tour, and all the extras, but not the slalom, you'd enter 1s in all the yellow QTY boxes on the À la Carte page and indicate your meal choices for the dinners in the light blue boxes. If you are going to watch the slalom and want lunch, go ahead and enter a QTY of 1 (you already paid for it in the package), but don't indicate you'll be slaloming your Jaguar in the Competition Information.

EXAMPLE: The Competition Package includes one slalom entry. The VIP package does not. The slalom entry includes one lunch. If you have a VIP companion who will join you at the slalom but not participate, you'll need to indicate an additional slalom lunch on the À la Carte page and indicate the price.

EXAMPLE: If you are purchasing one Competition Package, but are bringing two Jaguars to the concours, you would enter both cars under Competition Information and would indicate a quantity of 2 on the concours line of the À la Carte page. You would only add a single entry fee of \$69 in the subtotal column, though, because the other one is covered in the Competition Package.

5. If you need to purchase any additional meals, want to participate in any additional events, wish to donate additional amounts to our charities, enter all that on the À la Carte page.
6. Bring the total from the Packages section over to the next to last line in the À la Carte page, total the column and send with your check payable to Jaguar Club of Central Arizona to the address under the Participant Information section.

NOTE: Although the Rally is shown as part of the Competition Package and the Tour as part of the VIP Package, you can choose either the rally or tour for either package.

ACCOMODATIONS

I hope that all makes sense. If you have any questions, by all means, contact/blame me, Mark Stephenson, the guy who designed the form at agmws12@jcca.us or 602-867-7462.
