

## **Article II: Membership - Proposed 2010 Bylaw change regarding Entrant who is denied entry to a sanctioned event**

Section 6. (This would be a new section under Article II)

JCNA Event Participation: It is an Entrant's privilege to participate in any JCNA sanctioned event held by any JCNA affiliate upon executing proper registration forms and paying published entrance fees. Each affiliate shall be solely responsible for granting entry privileges to each Entrant on an individual basis.

Any Entrant who is denied entry to any sanctioned JCNA event has the right to submit, in writing within 30 days of being denied entry, a request to have the host club state the reason for being denied entry to the sanctioned JCNA event.

The club denying entry must respond to both the Entrant and to the president of JCNA in writing within 30 days of receiving the letter from the Entrant being denied entry stating why entry was denied. The reason for denial must be acceptable to the JCNA board of directors.

Failure to respond to the letter from the Entrant to the satisfaction of JCNA will cause the results of the sanctioned event to be invalidated.

***Reason: Currently a club has the right to prohibit a JCNA member from attending a sanctioned event. There are no provisions for recourse for the member.***
