

# Welcome to Jaguar Clubs of North America on Facebook

Why not join our new group on Facebook?

That's right, we are now part of that social connector that every day grows in scope and members. If you are online now, click [www.facebook.com/jaguarclubs.na](http://www.facebook.com/jaguarclubs.na) which should take you directly to our Page.

We also have direct links to our facebook Page on JCNA's website homepage:

**JCNA HAS MANY FRIENDS, BUT WE WANT MORE.**

Feel free to browse our facebook page, and then share your own stories and adventures, especially photos and videos, or post just about anything Jaguar related. If you choose to "Friend" or "Like" us, you will know when we post special announcements, events, or the occasional photo of some of our members and their cars.

Also look to become friends with all of our affiliated clubs in North America that have their own Pages. We link to Pages like Jaguar Cars, dealerships, parts and service suppliers, shows, publications, racing, and other Jaguar people and organizations!

*NOTE: Facebook is a social utility that connects people with friends and others who share the same interests around the globe. Pages are public spaces, so people searching for a particular group, artist, or company on the World Wide Web will find the Page's Facebook presence and be able to view that Page's photo and basic information. With now over 1 billion monthly active users, Facebook is also a powerful network to tap into to expand the online footprint of any group or business.*

*You do not have to sign up to view our Page [www.facebook.com/jaguarclubs.na](http://www.facebook.com/jaguarclubs.na); however, in order to like a Page or post on it, you must first sign up and log in to Facebook. So, if you haven't already, go sign up and create a Facebook Page for yourself! Start by visiting our page on facebook and following the easy steps for sign up. The sign up page has a few easy to follow steps and joining is free.*

The image shows the Facebook sign-up form. At the top left is a small circular icon of a car. To its right is the text 'Sign up for Facebook to become friends with Jaguar Clubs of North America' and 'Join Facebook to connect with friends, share photos and create your own profile.' Below this is a form with the following fields: 'First Name:', 'Last Name:', 'Your Email:', 'Re-enter Email:', 'New Password:', 'I am:' with a 'Select Sex:' dropdown menu, and 'Birthday:' with 'Month:', 'Day:', and 'Year:' dropdown menus. Below the birthday fields is the text 'Why do I need to provide my birthday?' and 'By clicking Sign Up, you agree to our Terms and that you have read our Data Use Policy, including our Cookie Use.' At the bottom of the form is a green 'Sign Up' button.

## **SIGN UP IS EASY:**

1. Enter the requested information into the fields under the "Sign Up" heading on the page. Facebook asks for your first name, last name, e-mail address, a preferred password, your gender and your birthday. Click "Sign Up" when finished.
2. Type in the security-check "captcha" characters that Facebook displays, and then click "Sign Up" again. You can skip the next step that allows you to log in to your e-mail service to automatically find friends on Facebook. You can use Windows Live Hotmail, Yahoo!, AOL or another e-mail service if you choose to allow it, or just skip this step by clicking "Skip this step."
3. Enter some profile information, such as your high school, college and current employer. You can also click "Skip" to bypass this page.
4. Click "Upload a Photo" to put a photo on your Facebook profile page. Browse to locate the photo you want to use, and click "Open" to upload it. You can also skip this step by clicking "Skip." You have successfully joined Facebook for the first time.
