Fred Horner Sportsman Award Requirements

The Fred Horner Sportsman Award commemorates Fredric S. Horner who was Executive Secretary of JCNA in the British Leyland years from 1970 to his retirement in 1979. After his death in 1995, this award was established in 1996, proposed by Karen Miller and approved by the AGM delegates in San Francisco.

Fred's oft-stated plan for starting the JCNA Concours Program was to give clubs and families a nice day out. Competition was secondary to the goal of getting people with Jaguars together in good fellowship. His focus for JCNA was not competition but participation. He promoted concours and other club events as family outings – a time to relax and enjoy Jaguar cars and fellow members.

The Fred Horner Award is given to the member who participates in all three types of JCNA-sanctioned events: concours, rally and slalom. To qualify for award consideration, members must complete 3 separate concours, 2 rallies and 1 slalom. Members may compete within their own regions or across regions. Participation in other JCNA-sanctioned events, held during Challenge Championship, Western States, etc., counts for consideration for the Fred Horner Award.

Club members may compete in Champion or Driven classes. For concours competition, the entrant must be the owner of the Jaguar as defined by current JCNA Concours Rules. For rally and slalom, the entrant need not be the owner of the Jaguar. In rally, both the driver and the navigator are recognized as competitors, provided they are JCNA members in good standing. A member does not need to campaign all three events in the same Jaguar.

For the concours and slalom, the winner will be determined by the position achieved in his or her class at the end of the events. For the rallies, the position, if achieved, will be considered (i.e., 1st place, 2nd place, etc.). In the case of a tie, the actual number of concours points and/or the actual time in the slalom will be used to break the tie. If the concours points and/or the actual time in the slalom scores are identical, both will be given identical awards.

The Special Awards Committee recommends that the revised requirements are effective immediately. We believe that introducing the requirements mid-season will increase interest and foster competition for the Fred Horner Award.

We ask that, upon Board approval, the requirements are loaded immediately on the JCNA website. Hazel Beck will coordinate with Pascal as to the best way to immediately promote the Fred Horner Award to the clubs.
