Subject: WELCOME TO THE JAGUAR ASSOCIATION OF NEW ENGLAND! (Horace Wildes)

Hi Horace,

I'm the VP for Membership for the Jaguar Association of New England (JANE) and received your online application for membership today. I want to take a moment to formally welcome you to the club and to let you know a little bit about us.

I think you'll find in JANE a really nice mix of people who enjoy great cars and even greater camaraderie. JANE is a very active club and there are events throughout the year that fit just about everyone's taste - from slaloms, "Magical Mystery Tours", tech sessions, driving tours - and our annual Concours d'Elegance (in mid-August at Sturbridge, MA). Our monthly social meetings are normally held on the 4th Wednesday each month and are low-key, fun social events with diverse speakers and are a great way to meet fellow JANE members. Our next meeting is on the 23rd and I've attached some information - we'd love to have you join us! You can register for this (and all our other events) on the JANE website. You should receive email notifications of the meetings and other events and we'd welcome you to join us whenever you can. I think you'll enjoy the "Coventry Cat", JANE's nationally acclaimed monthly newsletter (you can view and/or download past issues from our website). Most of our events are held in the greater Boston / eastern Massachusetts area with occasional events throughout the other New England states. Thirty-eight JANE members visited Bar Harbor and Acadia National Park in May - we had a wonderful time! We also have an event on the 27th and I've attached some information in case you'd like to attend.

Your membership in JANE also includes membership in the Jaguar Clubs of North America and you'll receive their "Jaguar Journal" magazine. They'll issue you a JCNA member number which is your "passport" to our sanctioned events. I've attached an informational brochure that tells a little bit about the benefits of JCNA membership. JCNA members are also eligible for significant discounts toward the purchase of many qualifying Jaguar models.

I've created a profile for you in the JANE database showing your membership as paid through 2014. All membership functions are driven by the database so you should start receiving club email soon. You can view your profile at <http://www.j-a-n-e.org>. Click on "Login" on the left side of the screen. Your username and randomly-assigned password, if you haven't already received them, are **xxxxxxx / xxxxxx**. Once logged in you'll have full access to upload photos of yourself and your car(s), add or change phone numbers, view past issues of the Coventry Cat, change your password, learn more about the membership, etc. I'd encourage you to explore the website, validate and update your profile information and check the calendar frequently as new events will be added from time to time. Our calendar is full of great events this summer!

We want you to feel welcome and hope you will become active participants in the club. Toward that end, you should be contacted within the next few days by a volunteer from the club who will assist with any questions you may have about the club, our events, registration, etc.

I'm looking forward to meeting you at a JANE event soon. If you have any questions don't hesitate to email or call me at 207-737-8258.

Cheers,
Ed Avis
JANE Membership VP
