

JDRC/NWA Welcomes All to 2006 AGM

The Jaguar Drivers and Restorers Club of Northwest America (JDRC/NWA) is delighted to host the 2006 AGM in the Seattle area on March 30th to April 2nd 2006. This is a fantastic opportunity to visit the Northwest and see the lush green landscapes, evergreen trees, snow capped mountains and restful islands. Visit www.stayinwashington.com for visitor information on the area.

JDRC/NWA have secured an excellent location with the Embassy Suites in Tukwila

and are currently hard at work on finalizing details for the weekend. The Embassy Suites offers great facilities and excellent access to Seattle, the great Northwest and the airport. Of course the stories of rain in Seattle are not entirely without foundation so don't forget to bring an umbrella!

The highlight of the schedule includes a cocktail reception and dinner at the Museum of Flight on Friday evening. The museum has a collection of more than 150 historically significant air and spacecraft, as well as the Red Barn® the original manufacturing facility of The Boeing Co. Before gathering in the Personal Courage Wing for the private reception and dinner, attendees can tour all museum exhibits. The Personal Courage Wing is sure to inspire as it is dedicated to telling the stories not only of those who flew, but the people who designed, built and maintained

these amazing aircraft. For more details about the museum, including information on unique aircraft such as Airforce One and a British Airways Concorde, visit the www.museumofflight.org web site.

The currently planned schedule includes:

Friday March 31st:

- JCNA Board meeting
- Seminars
- Museum of Flight
- Cocktails and dinner in the Personal Courage Wing

Saturday April 1st (watch for April Fools!):

- Annual General Meeting
- Seminars
- Awards Banquet

Sunday April 2nd

- JONAT

For registration information contact: Linda Papineau at papineaus@aol.com or 425.483.9641. Registration packets will be mailed to all JCNA affiliate clubs no later than December 1 and available for download on the club website at www.seattlejagclub.org and JCNA's website at www.jcna.com.

See you in the beautiful North West at the end of March!
