

# NB-3 2013 Rule Book Updates

Last updated 3-5-13 9:00 pm

**Preface – Change 4** - Replaced a “10.3” that I missed with “2013” . There were a couple in the appendices and index as well.

## Preface – Change 1

### Previous Rule Book Revisions:

The Previous Rule Book Revisions have been removed and saved to a History of the Rule Book file to be stored on the Library.

**Reason:** The log of all previous rule book revisions is getting quite large and it is time to move them to a file of their own and store the file in the Library.

## Preface – Change 2

**Reference to the Rule Book version has been changed. As the Rule Book is updated each year, the version will now be referred to only by the year, “2013” and not the version/revision “10.3”.**

## Preface – Change 3

### 2013 Rule Book Update Synopsis

The following changes have been made for the 2013 edition.

**Note:** Pages are printed front to back. The actual page with the change is indicated by the “\*”.

Although there are no changes to most of the chapters, the actual page numbers have been changed. This is due to the new index. As each chapter begins on page 1, the chapter Roman numeral has been placed in front of the page number, “Page IV-1” .

Approval was passed at the 2011 AGM that administrative and spelling corrections may be made without the requirement for AGM delegate approval as long as the corrections do not affect judging or scoring.
