

Chapter II Entry Eligibility, Divisions, and Classes

Section 1 - GENERAL

A. Entry Requirements and Eligibility

1. "Jaguar" Definition

"Jaguar" is any authorized passenger or race prepared vehicle originally assembled, or modified, at either the Jaguar Cars Works or a Works authorized assembly plant. Subject to the following rules, all Jaguars are eligible.

2. Swallow Bodied Chassis, S.S., & Jaguar Cars

"Jaguar" is used to refer to all models built by the original companies that evolved into Jaguar Cars (Appendix A).

3. Daimlers

Only 1962-On Daimler motorcars, manufactured by Jaguar, sharing production Jaguar bodies and correct engines are eligible. Jaguar engined Daimlers, without production Jaguar bodies, are eligible for Special Division Class S3. Daimler SP250s are NOT eligible.

4. Engine Requirements

All Jaguars, entered for judging in JCNA Concours, must have Jaguar engines installed. Driven Division Jaguars must have Jaguar engines that were available from the factory for that particular model, i.e. Entries originally equipped with 6 cylinder engines should not have 8 or 12 cylinder engines. Likewise, the 1960's Daimler 2.5 Liter V8 engine must be present in all Daimlers so originally equipped.

5. Horn and Light Requirements

a. Entries in Champion, and Driven Division and Special Division Classes S1, S2 and S4 must have horns and exterior lights in the numbers and positions as originally configured. At the Entrant's discretion, lights offered as optional equipment for the specific model, may be added. Horns and all exterior lights must operate as intended.

b. Special Division Class S3, Modified, must be equipped with functional horns, headlights, tail lights, brake lights, parking lights, license plate lights, back-up lights and turn signals appropriate to the vintage.

6. Trailing

Trailing a Jaguar to the Concours site is allowed only for Champion Division and Special Division Entries. Trailing or towing is NOT allowed for Entries in Driven Division. **All Jaguars must be driven, under their own power, to their assigned parking positions in the judging area.**

7. Handicap Points

No handicap points are awarded for the Entry's (or Entrant's) age, the odometer reading, or the mileage driven to a Concours.

8. Division Crossover

An Entrant may choose to "crossover," that is, to place the same Entry in a different Division during a given year. However, scores earned by an Entry in one Division become invalid for year-end championship points upon transferring that Entry to another Division.

9. Incapacitated Entrant

During the Concours Season, if, for any reason, an Entrant becomes unable to present an Entry, an immediate family member may register and present the Entry using the Entrant's Name and JCNA Number. Under such circumstances, all scores received by the Entry, during that season, would count toward Regional and North American Championships in the Entrant's name.

10. Entry Ownership Change

If an Entry's ownership changes during the Concours Season, scores earned by a previous Entrant are NON-TRANSFERABLE to a new Entrant. Theoretically, this could result in an Entry receiving awards under the ownership of more than one Entrant, in a single Concours Season.

11. Award Eligibility

A single Entry in a class is eligible for a trophy. Entries in all classes will compete for first, second, and third place trophies in accordance with their Division Scoring Plateaus.

12. Unofficial Awards

At the host club's discretion, "Peoples Choice", "Best in Show", "Best First Time Out", or similar awards may be given.

B. Concours Divisions

1. The Official Concours Divisions

Each sanctioned JCNA Concours d'Elegance will provide for Entries in Champion Division, Driven Division, and Special Division Classes.

2. Unofficial Divisions

"Display-only" is not an official JCNA Concours Division. It is a classification given to those Jaguars voluntarily positioned for viewing as pre-planned part of the event. This type of participation is promoted to both add to the number and variety of Jaguars being shown and to encourage future Concours entries.

Section 2 - CHAMPION DIVISION

A. Champion Division General Spirit

Champion Division is the most demanding JCNA Concours Division. It challenges its Entrants to research, prepare, and present the judged portions of their cars in their original, authentic, factory-delivered configuration, and condition. All Entries in Champion Division will have their interiors, exteriors, engine compartments, and boots judged for authenticity, condition, and cleanliness. Smoothing and bright polishing of originally unplated, uncoated, or unpainted metal components (such as early aluminum cam covers and manifolds) is allowed but will be given no extra credit. A component, whose original paint, plating or coating of zinc, nickel, cadmium, yellow di-chromate, etc., has been removed through polishing, or other processes, may be assessed "wrong finish" deductions.

C. Preservation Class Requirements

1. Entry Age:

Preservation Class is for unrestored or near original Entries over 20 years old, well prepared, and in good to excellent condition. Entry into Preservation Class is to be the Entrant's choice.

2. Proof of Originality:

In order to validate a Preservation Class Entry's original exterior and interior colors, plus other unique equipment or configuration, the Entrant is required to present the judges a copy of the vehicle Archive Report/Jaguar Daimler Heritage Trust (JDHT) Certificate.

These reports are available through Jaguar Cars Archives, 555 MacArthur Blvd., Mahwah, NJ 07430. Additional requirements and fees associated with obtaining Archive Reports are available in the "Library" section of *www.jcna.com*.

3. Vehicle Evaluation and Deductions

Preservation Class Entries shall be judged as all other Champion Division Entries, that is, on the basis of authenticity, condition, and cleanliness, except, restored or reconditioned items will be assessed "non-authentic, wrong, missing, or incorrect" point deductions.

- a.** Deductions made for restored or reconditioned items shall not exceed the total Non-Authentic points allowed for the category.
- b.** The restored or reconditioned status of any component is limited to the Judge's opinion and shall not require any discussion with, nor initialing by, the Entrant.
- c.** Deductions for restored items apply only to this Class. Non-Authentic items will be treated as in other Champion Division Classes. A restored or reconditioned item, found to also be non-authentic, shall be assessed a single "non-authentic, wrong, missing, or incorrect" point deduction. .
- d.** Deductions should not be made for mechanical components such as, generators, alternators, compressors, etc. that have been replaced with authentic items.

4. Preservation Class Championship Eligibility

Preservation Class Entrants are eligible for North American and Regional Championship competition.

5. Preservation Class Protests

Deductions for restored components are based on judgement alone and may not be protested. Protests regarding non-authenticity deductions are allowed as in other Champion Division Classes.

D. Champion Division Scoring

1. Score sheet Calculations

The 1000-point score sheet permits points to be deducted for areas not up to standard. The total is to be divided by 10 for the competing score; 100 points would be a "Perfect" Champion Division Entry.

2. Champion Division Scoring Plateaus

The following scores are required in order to qualify for a Champion Division Class, first, second, or third place award.

- First Place Award, **90.00** points, minimum
- Second Place Award, **80.00** points, minimum
- Third Place Award, **70.00** points, minimum

Section 3 - DRIVEN DIVISION

A. Driven Division General Spirit

As in the Champion Division, Driven Division also challenges its Entrants to research, prepare, and present the judged components of their Entries in their original, authentic, factory-delivered configuration and condition. However, because the Entries in this division are driven, the requirements are less demanding and only their interiors and exteriors are judged for authenticity, condition, and cleanliness. Smoothing and bright polishing of originally unplated, uncoated, or unpainted metal components is allowed, but will be given no extra credit. A component, whose original paint, plating or coating of zinc, nickel, cadmium, yellow di-chromate, etc., has been removed through polishing, or other processes, may be assessed "wrong finish" deductions.

1. Authenticity Exceptions: Driven Division Entries are allowed certain authenticity exceptions without penalty. No other items qualify for this consideration.

- a. **Tires** - Any type or profile tires, of original inside diameter, are acceptable. Road tires must be of matching size, type, and make/brand.

Note: This exception is made for those drivers of early Jaguars who prefer the handling characteristics and superior construction of contemporary tires.

- b. **Wire Wheels** - Wide wire wheels are acceptable. Hub style, diameter and spoke count must be as original. All road wheels must match.

Note: This exception is made to safely accommodate contemporary size tires.

- c. **Alloy Wheels** - XJ6/12, XJS and XK8 factory-supplied alloy wheels, appropriate for the specific model, may be chrome plated or polished. All road wheels must match.

Note: This exception recognizes that many new car buyers believed that their Jaguar's chrome or polished alloy wheels had been provided by the factory when, in fact, the dealers had altered the original factory finish prior to offering the cars for sale.

- d. **Radios, Tape, and CD Players** - Contemporary radios, tape, or CD players installed in the original radio mounting space, utilizing the original speaker locations and external housings.

Note: This exception is made to allow the frequent driver the option of a modern system with improved audio, capable of playing tapes, CD's, or the media du jour.

- D1: All Classics (Pre-XK engine) and XK 120, XK 140, XK 150

Note 1: Majestic, Daimler, Daimler Sovereign, and Daimler Majestic models are eligible for Driven Division Classes 6, 7, and 10 according to their years, engines, and body styles.

A. Special Division General Spirit

Special Division is intended for factory and non-factory-prepared competition and limited production Jaguars; production Jaguars privately prepared for competition; modified production Jaguars, and Jaguar powered vehicles with replica Jaguar bodies. To be eligible for Class S3, the Entry must clearly have a minimum of 35 points of deductions for non-authentic, judged items. **Those deductions may NOT include the tire, wheel, or radio authenticity exceptions currently allowed in Driven Division** (Section 3.A.1). The Entrant (using the appropriate form available in the “Concours” section of *www.jcna.com*) must provide a list of the non-authentic items to the Chief Judge well in advance of the scheduled start of judging.
